Entrepreneurship In Pacific Asia Past Present And Future:

Entrepreneurship In Pacific Asia: Past, Present And Future Leo-paul Dana,1999-06-25 Entrepreneurs are now internationalising and many more are likely to internationalise in the future Yet most small firms expand in an opportunistic fashion because entrepreneurs seldom have the time and resources to gather reliable data about opportunities in foreign countries Leo Paul Dana has conducted extensive international field research with a view to compiling key information on the business environment throughout Pacific Asia Thus the book is not just another how to guide It reflects what is happening in an important region of our global economy With this book businessmen and business analysts investors academics and business students will gain invaluable insights into the conditions and opportunities for enterprise in these countries in this region

Creating Entrepreneurs: Making Miracles Happen Fred Kiesner,2009-08-24 This book gives short action oriented snippets of thoughts and ideas from some of the finest thinkers of entrepreneurship It provides insights into educational activities entrepreneurial thinking and on the streets operational methodologies of entrepreneurship The thoughts experiences ideas and doable actions presented in the book will help budding entrepreneurs pave the way for future entrepreneurial success The contributors range from world class educators and successful entrepreneurs to creative social entrepreneurs Written in a simple and accessible manner this book will be of interest to educators mentors advisors policy makers students future entrepreneurs and the general public

The Palgrave Handbook of Minority Entrepreneurship Thomas M. Cooney,2021-04-17 Bringing much needed clarity and definition to the term minority entrepreneur this authoritative and timely handbook explores the distinctive challenges that minority communities face when founding and managing new ventures The handbook is inclusive of any community who might be considered disadvantaged or under represented in terms of entrepreneurial activity and included are women youths seniors disabled immigrants Indigenous peoples LGBTQ ex offenders Roma refugees and many others Chapters highlight the idiosyncratic nature of the many communities examined before offering frameworks and models that draw together the various findings With a cast of international contributors this scholarly handbook discusses the surrounding literature of minority entrepreneurship and takes an all encompassing approach to its interpretation It also addresses the sorely under researched area of entrepreneurial behaviour among minorities and disadvantaged groups This is particularly important for policymakers tasked with designing and delivering initiatives that are appropriate for the needs of these communities Ultimately this handbook contributes to existing knowledge by providing a current understanding of the literature for each of the communities investigating the uniqueness of the entrepreneurial behaviour within the communities offering new frameworks models from which future researchers can build new knowledge The handbook provides a comprehensive account of an important and fast emerging field of entrepreneurship and is an invaluable resource for students researchers and policymakers

When Economies Change Hands Leo Paul Dana,2013-09-05 Gain a comprehensive understanding of the development of

entrepreneurship across Eastern Europe Throughout Eastern Europe post Communist countries transitioning to market based economies are obtaining a variety of results due to diverse policy approaches When Economies Change Hands evaluates the nature of entrepreneurship in this region the consequences of central planning the reasons for internal subsistence activity and the emergence of the sex trade in Eastern Europe The wealth of information in this resource is clearly presented and includes thought provoking policy prescriptions for the future It is challenging to predict the direction emerging markets will take particularly when dealing with the wide ranging social and economic situations taking place in post Communist Eastern Europe When Economies Change Hands can help This reference volume for policymakers educators investors and researchers provides a much needed and timely survey of the transitioning markets of post Communist Europe It examines the historical sociocultural and economic impacts of market transition The text includes a discussion of the creation and distribution of wealth in the countries of Eastern Europe that will leave you better informed about the dynamics of transitioning economies and the growth of entrepreneurship across Eastern Europe In addition the book demonstrates the problems and advantages of both slow reform and rapid reform models in a thorough and easy to read manner When Economies Change Hands includes vivid photos of notable entrepreneurs and a sophisticated trail of references for academics that complements the useful and meaningful information you will find in the text When Economies Change Hands examines how various policies affect the economies of transitioning countries by incorporating and discussing detailed definitions and comparisons of formal and parallel economies an in depth study of entrepreneurship in the Republic of Albania the Eastern Bloc of Comecon The Baltic States and the Commonwealth of Independent States pluralism in the former Yugoslav Republics analyses of governmental programs and policy prescriptions for the future and much more As the market economies of Eastern Europe develop and expand the value of this meticulous yet accessible text will continue to increase Whether you are a policymaker an educator an investor or a researcher When Economies Change Hands is a resource that you ll return to again and again as you work to understand and predict the future of post Communist economies in Eastern Europe

Business and Management Education in Transitioning and Developing Countries John R McIntyre,Ilan Alon,2014-12-18 Business education is a critical ingredient in establishing a viable middle class of managers in transitioning and developing economies Compiled in association with the Center for International Business Education and Research this comprehensive examination of business and management education pedagogical models and curricula innovations in institutions around the world is the first such work to emphasize emerging markets

Innovation, Entrepreneurship and Culture Terrence E. Brown,J. M. Ulijn,2004-01-01 The purpose of this book is to examine the nature of organizational innovation and change by looking at the complex interplay between entrepreneurship innovation and culture

Family Businesses in Transition Economies Léo-Paul Dana,Veland Ramadani,2015-03-25 This book presents the reader a comprehensive understanding of the development of family business in transitional economies Throughout eastern Europe

post Communist countries transitioning to market based economies are obtaining a variety of results due to diverse policy approaches Expert contributions in this book draw from a wealth of information in this context and include thought provoking policy prescriptions for the future This book concentrates on the challenges to predict the direction emerging markets will take particularly when dealing with the wide ranging social and economic situations taking place in post Communist Eastern Europe This reference volume for policymakers educators investors and researchers also provides a much needed and timely survey of family firms in the transitioning markets of post Communist Europe When Economies Change Paths Leo Paul Dana,2002 While firms are attempting to expand into the global environment many of the formerly communist nations are often misunderstood Based on field research involving in depth interviews in China Central Asia Myanmar and Indochina this book provides academics investors and policy makers with an introductory overview of enterprise in these transitional economies A theoretical framework precedes surveys of individual countries Each chapter has been carefully refereed by national experts Diligently referenced the book includes citations of 250 relevant publications guiding the future researcher through an extensive bibliography This book is detailed yet reader friendly It combines rigor with vigor providing valuable insights into the rapidly emerging economies of Asia Sample Chapter s Introduction 821 KB Contents Culture The People s Republic of China PRC West of China An Overview of Central Asia The Republic of Kazakhstan The Kyrgyz Republic The Republic of Tajikistan The Republic of Turkmenistan The Republic of Uzbekistan The Union of Myanmar Burma An Overview of Indochina The Kingdom of Cambodia The Lao People s Democratic Republic The Socialist Republic of Vietnam Toward the Future Readership General **World Encyclopedia of Entrepreneurship** Léo-Paul Dana,2021-01-29 This second edition of a classic reference work written by some of the most eminent academics in the field contains over 30 per cent more entries on entrepreneurship Comprehensive in scope it includes topics from business angels to export services to family business and uncertainty and venture capital There are also entries on individuals including George Eastman Howard Hughes Joseph Schumpeter and Walt Disney Providing its readers with a unique point of reference as well as stimulus for further research this Encyclopedia is an indispensable tool for anyone interested in entrepreneurship particularly students scholars and researchers Trading Places--SMEs in the Global Economy Lester Lloyd-Reason,Leigh Sear,2007-01-01 There are 18 contributions in the book all of whom are very highly regarded in the fields of entrepreneurship and international management the book is well researched and edited The book provides an excellent discussion on the importance of SMEs in the global economy Through a number of different case study examples and discussion of various elements of the internationalization process this book provides an outstanding resource for the study of SMEs that operate in the international market Vanessa Ratten Journal of International Entrepreneurship This book is most timely It arrives at a time when globalisation and new technologies present major opportunities and challenges to the role of the independent small and medium sized business in economies The book s strength in dealing with many of the emerging

issues is underpinned by a truly international range of contributors with a strong mix of practical as well as academic experience From the preface by Allan Gibb Professor Emeritus Durham University UK Lester Lloyd Reason and Leigh Sear bring together leading researchers and thinkers in this critical guide to the ongoing worldwide research shaping the role played by SMEs within today's global economy The expert contributors contend that the past twenty years have seen an explosion in research into international SMEs resulting in a considerable body of academic literature and thinking This research they argue may merely serve to increase our lack of understanding in this area and often results in myths and misconceptions upon which SME policies and support programmes have been developed and introduced They go on to suggest that academic models are often poorly suited to the problems faced by SMEs within the international trading environment In many instances the contributors find SMEs at the vanguard of the challenge to accepted business practices it is these challenges that underpin the text Illustrating that today's SMEs are faced with the critical issue of how to create and maintain a sustainable competitive advantage in light of the increased complexity of international trade and global business linkages this Handbook will prove invaluable to both academics and practitioners involved in business and management and entrepreneurship

International Handbook of Research on Indigenous Entrepreneurship L. -P. Dana, 2007 This book offers an original collection of international studies on indigenous entrepreneurship Through these specific lenses entrepreneurship greatly appears as a set of cultural values based behaviours Once more culture and human values are placed at the heart of entrepreneurship as an economic and social phenomenon Alain Fayolle EM Lyon and CERAG Laboratory France and Solvay Business School Belgium A must have for researchers of developmental economics as well as for entrepreneurship scholars this collection assembles studies of indigenous entrepreneurship from five continents

Global Marketing Co-Operation and Networks Leo Paul Dana, 2012-12-06 Learn how to compete in international markets The nature of business has changed and Global Marketing Co Operation and Networks explains how and why former competitors are now joining forces Exploring co operation networks and internationalization this collection provides you with an indispensable framework for grasping the ongoing changes in global business In addition it includes a new broad based theory of international entrepreneurship that will help you master the intricacies of global marketing Global Marketing Co Operation and Networks features both empirical research and conceptual studies It provides you with important research findings about the impact of internationalization on entrepreneurs smaller firms and multinational giants This valuable book contains up to date information from top researchers in entrepreneurship from Canada the United States the United Kingdom Australia New Zealand and Singapore Global Marketing Co Operation and Networks gives insight into the often confusing world of international business explaining such difficult issues as building networks to link smaller firms that have specialized knowledge and multinational firms that have marketing prowess establishing an international market presence with the help of supply and distribution networks that are already in place using group dynamics to establish successful

networking choosing the best time to internationalize taking advantage of government funded overseas trade missions to develop international markets Global Marketing Co Operation and Networks is an essential resource for executives and entrepreneurs hoping to break into international business as well as students and researchers interested in international economics globalization networking and marketing strategies

Economies Of The Eastern Mediterranean Region: Economic Miracles In The Making Leo-paul Dana,2000-11-14 It used to be that international business and the small enterprise sector were almost mutually exclusive Internationalization was generally limited to large corporations while small firms tended to be local Those days are gone Increasing global competition is changing the nature of knowledge necessary for success in commerce Firms will need to seek opportunities beyond familiar turf and traditional markets For that reason this book examines business issues and the environment for enterprise in a variety of contexts around the Middle East The information provided helps entrepreneurs decide where to invest where to focus their expansion efforts and where to be especially cautious Thus this guide written in easy to understand language can help entrepreneurs avoid costly mistakes It is more than a book it is an investment

Contemporary Microenterprise Joseph Mark S. Munoz,2010-01-01 While there have been numerous books and articles written on the popular topic of microfinance few books have been written on the business model behind it the microenterprise Due to its diversity of thought and high quality of chapter contributions this book is poised to be the book on microenterprises Contemporary Microenterprise is a collage of the latest research and viewpoints on the subject by recognized academics and experts from around the globe Through the confluence of diverse and profound voices from around the world very small micro businesses have proven to be the most prevalent and fastest growing business form and a suitable model for enterprise survival and success in a challenging global economy Joseph Mark Munoz has brought together an international cast of contributors and draws insights from concepts and cases from locations such as Vietnam the United States Latin America and Africa The chapters include conceptual frameworks and research that yield valuable lessons and practical business solutions The broad scope of this compendium coupled with its careful attention to detail will be of critical value to business students and their professors industry executives government officials policymakers consultants and entrepreneurs

Political Booms Lynn T. White,2009 Why have Taiwan rich parts of China and Thailand boomed famously while the Philippines has long remained stagnant both economically and politically Do booms abet democracy Does the rise of middle classes promise future liberalization Why has Philippine democracy brought no boom and barely served the Filipino people This book unlike previous books shows that both the roots and results of growth are largely political not just economic Specifically it pays attention to local not just national power networks that caused or prevented growth in the aforementioned countries Violence has been common in these politics along with money Elections have contributed to socio political problems that are also obvious in Leninist or junta regimes because elections are surprisingly easy to buy with corrupt money from government contracts Liberals should pay more serious theoretical

attention to the effects of money on justice and Western political science should focus more clearly on the ways non state local power affects elections By considering the role of local money and power above all from small and medium sized firms that emerged after agrarian reforms on elections and justice this book asks democrats squarely to face the extent to which electoral procedures have failed to help ordinary citizens Students and scholars of Asia will all need this book as will students of the West whose methods have become parochial *Political Booms: Local Money And Power In Taiwan, East China, Thailand, And The Philippines* Lynn T White, 2009-06-10 Why have Taiwan rich parts of China and Thailand boomed famously while the Philippines has long remained stagnant both economically and politically Do booms abet democracy Does the rise of middle classes promise future liberalization Why has Philippine democracy brought no boom and barely served the Filipino people This book unlike most previous studies shows that both the roots and results of growth are largely political rather than economic Specifically it pays attention to local not just national power networks that caused or prevented growth in the four places under consideration Violence has been common in these polities along with money Elections have contributed to socio political problems that are also obvious in Leninist or junta regimes because elections are surprisingly easy to buy with corrupt money from government contracts Liberals should pay more serious theoretical attention to the effects of money on justice and Western political science should focus more clearly on the ways non state local power affects elections By considering the effects on fair justice of local money and power largely from small and medium sized firms that emerge after agrarian reforms this book asks democrats to face squarely the extent to which electoral procedures fail to help ordinary citizens Students and scholars of Asia will all need this book as will students of the West whose methods have become parochial *The Global Enterprise* Erdener Kaynak, Riad Ajami, Marca Marie Bear, 2013-04-15 Practical insights on the role of the entrepreneur in the global business context Entrepreneurial ideas that look great on the drawing board can turn out to be deal breakers when introduced in real markets even when they've been put through the toughest business modeling tests The Global Enterprise examines how a healthy relationship between entrepreneurship and globalization can combine with new methods of knowledge creation to enhance economic development and build firm sustainability This unique book takes a fresh and innovative approach to the practical aspects of international business including economic cluster formation network formation market entry public policy controls and incentives economic competitiveness and the creation of value The Global Enterprise offers perspectives from practitioners and academics working in a variety of disciplines in Europe Asia the Middle East and the United States Their contributions address many of the vital issues of global business including value added chains cross border networks knowledge management technology transfer transnational lines of production distribution marketing and financial flows and the strategic partnerships between government and corporations The book is illustrated with more than 65 tables and figures and articles are organized into three sections Globalization Building Firm Sustainability Entrepreneurship and Public Policy Economic Competitiveness and Knowledge Creation Knowledge

Management Knowledge Transfer and Cluster Formation The Global Enterprise examines the global transfer of capital strategic partnerships between governments and multinational firms the prospects for economic progress in developing countries the impact of small and medium sized enterprises SME the role of export regulations in national security and in safeguarding foreign policy the evolution of the Hard Rock Caf cultural ontology global virtual teams GVT how to implement a knowledge management project a framework for discussing entrepreneurship from an environmental perspective and much more The Global Enterprise is an essential resource for academics researchers and professionals in the field of international business and for economic development experts and government policymakers

Emerging Paradigms in International Entrepreneurship Marian Jones, Pavlos Dimitratos, 2004-01-01 *Emerging Paradigms in International Entrepreneurship* consists of 15 articles organised into six broad themes of interest to scholars which are likely to remain of interest for some time Ben Oviatt *Journal of International Business Studies* International entrepreneurship as a field of study is not necessarily confined to the internationalisation phenomenon and recently advanced definitions suggest significant scope for the development and establishment of as yet undetermined parameters *Emerging Paradigms in International Entrepreneurship* identifies key themes that collectively demonstrate the convergence of thinking at the interface between the disciplines of international business and entrepreneurship These are development of the field and the effects of international entrepreneurship on a new economy conceptual and paradigmatic developments international entrepreneurship and the internet as a developing research agenda contacts links and networks as process driven internationalisation cross sectoral cross national and cross cultural comparisons of entrepreneurship the experiential emphasis in entrepreneurial internationalisation Explaining the complexities of enterprise in an international and sometimes global environment this book is distinguished by the cross disciplinary nature of its contributors and their efforts to develop new paradigmatic approaches in an area characterised by theoretical diversity and convergence Appealing to researchers academics and policymakers working in international business particularly the international growth and development of small firms and for entrepreneurship and small firm scholars this book is a must have Lecturers and students on post graduate programmes would also be interested in the book as a reader

Handbook of Research on International Entrepreneurship Leo Paul Dana, 2004 Dana's Handbook is an essential read for international entrepreneurship scholars as well as policymakers and practitioners concerned with the dynamics associated with the international entrepreneurship process Succinct reviews of the literature and useful summary tables relating to key themes and studies are presented by a number of contributors Paul Westhead *International Small Business Journal* This is a formidable and weighty tome More important than sheer quantity is consideration of the quality and here the broad spread yet eclectic choice of the research papers is most enlightening The contributing authors have collectively condensed much of the knowledge garnered from the past five years of this global field into one handy sourcebook The end result is indeed a fresh recognition if recognition still needs to be made of the major

importance of this new global growth phenomenon of international entrepreneurship Mark Haydon International Journal of Entrepreneurship and Innovation The Handbook is a nearly comprehensive reference work to the field that will be useful to scholars new to the area as well as those already engaged in it I was impressed by the diversity of the authors The Handbook is an excellent broad reference to the field Ben Oviatt Journal of International Business Studies Over the last few years there has been an increased interest in research on the internationalization of new ventures and the global challenges facing growing young businesses The Handbook of Research on International Entrepreneurship has collected and synthesized the contributions of leading researchers in an effort to define and categorize the unique contributions and state of the art of this emerging field It provides a comprehensive multi disciplinary treatment that advances the frontiers of knowledge regarding the fundamental concepts methods and theories of international entrepreneurship The Handbook should serve as both an authoritative and comprehensive reference work for researchers and a state of the art compilation of new insights for educational leaders Ari Ginsberg New York University Stern School of Business US Entrepreneurship and international business have remained separate subjects for far too long The study of international entrepreneurship thrives on the cross fertilisation of ideas between these fields It is one of the most dynamic research areas in economics and management The contributors to this Handbook are the pioneers in the field and this volume provides a definitive survey of their work Mark Casson University of Reading UK These notable researchers share a common dedication to rigorous methodologies and vigorous research Together in this volume the researchers have assembled and presented a cross section of tested methods and innovative approaches These contributions are an inspiration to younger researchers and this bids fair to set the tone and level of intellectual rigour and vigour for future research in the emerging field of international entrepreneurship From the preface by Bob Kirk University of Canterbury New Zealand This unique reference book provides an array of diverse perspectives on international entrepreneurship a new and emerging field of research that blends concepts and methodologies from more traditional social sciences The Handbook includes chapters written by top researchers of economics and sociology as well as academic leaders in the fields of entrepreneurship and international business State of the art contributions provide up to date literature reviews making this book essential for the researcher of entrepreneurship and the internationalisation of entrepreneurs [How to Get Published in the Best Entrepreneurship Journals](#) Alain Fayolle, Mike Wright, 2014-01-31 Competition to publish in the top journals is fierce This book provides entrepreneurship researchers with relevant material and insights to support them in their efforts to publish their research in the most prestigious entrepreneurship outlets a
