Environment of Violence Charles Warren Hunt,1990 Environmental Change Richard Huggett,2003-09-02

Environmental Change explores the nature causes rates and directions of environmental change throughout earth history Huggett introduces the interdependent parts of the natural environment cosmic ecological geological and the dynamic nature of the environmental system Integrating a wealth of examples and illustrations from around the world the book examines evidence and causes of change in life climate air and water soils sediments and landforms and the impacts of human environment interaction Magicians of the Gods Graham Hancock,2015-09-10 Captivating necessary and enlightening

Essential Wonderfully researched This book is as good if not better than Fingerprints of the Gods Read this book Change your perspective Graham Hancock star of Netflix s ANCIENT APOCOLYPSE is author of the global bestseller Fingerprints of the Gods A book which remains an astonishing deeply controversial wide ranging investigation of the mysteries of our past and the evidence for Earth s lost civilization Magicians of the Gods the sequel to his seminal work explores how at the end of the last ice age fragments from a giant comet caused a global cataclysm on a scale unseen since the extinction of the dinosaurs wiping out an advanced civilization from the earth Making us a species with amnesia forced to begin again like children with no memory of what went before This book is filled with completely new evidence new travels to the world s most mysterious archaeological sites new insights based on the latest scientific evidence The impacts from the comet fragments a mile wide approaching at more than 60 000 miles an hour generated huge amounts of heat which instantly liquidized millions of square kilometers of ice destabilizing the Earth s crust and causing the global deluge that is remembered in myths all around the world A second series of impacts equally devastating causing further cataclysmic flooding occurred 11 600 years ago the exact date that Plato gives for the destruction and submergence of Atlantis But there were survivors known to later cultures by names such as the Sages the Magicians the Shining Ones and the Mystery Teachers of Heaven They travelled the world in their great ships doing all in their power to keep the spark of civilization burning Everywhere they went these Magicians of the Gods brought with them the memory of a time when mankind had fallen out of harmony with the universe and paid a heavy price A memory and a warning to the future Astronomers believe that a 20 mile wide dark fragment of the original giant comet remains hidden within its debris stream and threatens the Earth An astronomical message encoded at Gobekli Tepe and in the Sphinx and the pyramids of Egypt warns that the Great Return will occur in our time **Botanists and Zoologists** Dean Miller,2014-01-01 In this volume a breakdown of the life

and work of some of history s pioneers in the study of plants and animals are thoroughly explored It provides excellent biographical sketches for trailblazers in the sciences Articles are devoted to specific scientists covering their contributions to their field specifically addressing how their research discoveries and inventions impacted human understanding and experience This volume covers names from around the world and throughout the centuries with a chapter specifically

devoted to the top scientific contributors of the 21st century
