Environmental Policy In The Ussr:

Environmental Policy in the USSR Charles E. Ziegler, 1987 An interesting and very readable overview first published hardcover in 1987 The paperback edition includes a new introduction by the author political science U of Louisville bringing it up to date Annotation copyright Book News Inc Portland Or **The Soviet Environment** John Massey Stewart, 1992-05-07 This book originally published in 1992 describes the Soviet environment at its crisis point in the late 1980s and early 1990s Beolorussia and the Ukraine had as a result of the Chernobyl accident been declared ecological disaster zones and across the country as a whole as many as 20 per cent of the population lived in environmental danger areas and another 35 40 per cent in unsatisfactory conditions According to a Supreme Soviet Environment Committee report of 1989 80% of all illness in the USSR related either directly or indirectly to environmental problems In this book leading specialists from both the West and the Soviet Union present a comprehensive analysis of these problems The contributors examine the aftermath of Chernobyl the catastrophic causes and effects of the Aral Sea s shrinkage the environmental issues and public unrest The depth of analysis in this volume together with the breadth of topics addressed will ensure that it is read by students and specialists of the Soviet Union and environmental issues as well as by all government officials journalists and industrialists with an interest in the Soviet environment Environmental Policy in an International Context Pieter Glasbergen, Andrew Blowers, 1995-10-19 The three volumes of Environmental Policy in an International Context have been developed by the Dutch and UK Open Universities as part of the International Environmental Series They accompany a workbook and six videos The first volume takes a critical and analytical look at contemporary environmental issues built around the key questions what are international and environmental problems and why have they become important politically These questions are examined from a variety of viewpoints science sociology politics law and economics A multi disciplinary approach is emphasised and it shows how both technical and scientific solutions need to be sought alongside

Environmental Management in the Soviet Union and Yugoslavia Barbara Jancar-Webster, 1987 **Environmental Management in the Soviet Union** Philip R. Pryde, 1991-07-26 In this study of Soviet environmental problems and their management the author examines the pervasive nature of biosphere disruption and environmental contaminants in the country He discusses the extent to which they are damaging the Soviet populace and the resource base upon which it depends **Soviet Environmental Policies and Practices** Mildred Turnbull, 1991 This book which was prepared when the author was a member of the staff of the Institute of Soviet and East European Studies University of Glasgow addresses the environmental programme and practices of several key sectors in the Soviet economy It determines the priorities for investment and the extent of resources currently allocated to environmental protection and also estimates the resources required to ensure the future of the Soviet environment The book points out instances where changes in the economic and bureaucratic context of environmental management may take place It also suggests that some of the Soviet programme

involves innovative and low cost environmental management options which are important in the context of limited financial and physical resources Other responses will require further scientific substantiation **Authority, Power and Policy in the USSR** T. H. Rigby,1983-06-18 **Comparing Environmental Policies in 16 Countries** David Howard

Davis,2013-12-13 Based on the author s 39 years of teaching environmental policy working in Washington and traveling Comparing Environmental Policies in 16 Countries offers a complete primer in environmental dilemmas and policies from a comparative perspective The book covers 16 countries according to five themes participation interest groups political parti

European Environmental Policy Josef Füllenbach,2017-01-31 European Environmental Policy East and West focuses on areas of cooperation between Eastern and Western Europe in the field of environmental protection This text explores the various economic and political circumstances in East and West within which the environmental problem arises and which will determine the possibilities of reaching a solution This book also examines results and opportunities still open for East West environmental cooperation This text has 10 chapters and begins with a brief presentation of the problem areas followed by a survey of existing legislative and organizational arrangements The next chapters analyze the forms of environmental cooperation practiced in Comecon countries the influence of the structural characteristics of socialist economic integration on collaboration in the environmental field and the causes of environmental problems that are specific to East and West The limitations and possibilities of cooperation between East and West are then discussed with emphasis on sub regional cooperation between those countries faced with a specific transnational pollution problem namely the countries bordering the Baltic and the river Danube This book will be of interest to planners and decision makers involved in environmental policy and protection especially in Europe *Environmental Policy in an International Context* Andrew Blowers,Pieter

Glasbergen,1996-05-31 This volume examines the environmental issues currently under debate in the international arena The text approaches the topic at a conceptual level and from an interdisciplinary viewpoint It analyses the roles of key players in environmental policy the nation state non governmental organizations and the business community It continues with an examination of the importance of international relations trade east west north south and goes on to consider the prospects for sustainable development and social changes required for sustainable development to become a reality *Comparative Environmental Regulation in the United States and Russia* Lada V. Kochtcheeva,2008-12-18 As environmental problems continue to pose a threat to the well being of people all over the world achieving pollution control through innovative methods and at a lower cost becomes very attractive However cost effectiveness and technical rationality are often at odds with political goals and policy traditions Lada V Kochtcheeva analyzes the introduction of flexible laws and regulations in both air and water quality policies in the United States and the Russian Federation from the 1960s to the present and highlights the replacement of command and control systems with flexible instruments such as incentive programs tradable permits and pollution charges With its rich comparative institutional analysis the book contributes to the debate on

institutional dynamism policy innovation and new modes of regulation while simultaneously addressing the processes and attributes of good governance

Troubled Lands D. J. Peterson, 2019-03-15 The dramatic revelations of environmental catastrophe in the Soviet Union made during the late 1980s and early 1990s were a driving force behind reform in and later the demise of the communist party state But while the Union no longer exists the independent republics confront the same dilemmas that plagued the Soviet state Will the goal of econ

Gorbachev's Economic Plans, 1987 The Environment And Marxism-leninism Joan Debardeleben, 2019-07-11 In the past two decades environmental pollution and natural resource shortages have evoked increasing concern in the Soviet Union and Eastern Europe The emerging ecological crisis has challenged many common assumptions in the Soviet bloc as in the West This book provides for the first time a detailed and comprehensive analysis of the ecology debate in the USSR and its highly industrialized ally the German Democratic Republic GDR Based on a thorough examination of the Soviet and GDR sources Dr DeBardeleben explores the authorities attempts to explain the problem to their populations She also examines the viewpoints of scientists writers and scholars with special attention to economic dimensions of the ecology debate The study reveals the increasing sophistication of specialists in influencing public policy by adapting official values to support their positions Through comparison of the Soviet and East German cases the study clarifies the impact of natural resource endowment and legitimacy dilemmas on treatment of the ecology issue The book demonstrates that Marxist Leninist values subtly affect Soviet and GDR responses but at the same time the environmental crisis is forcing a reevaluation of some aspects of Marxist Leninist theory and ideology itself

Routledge Library Editions: Environmental Policy Various, 2021-06-23 The 11 volumes in this set originally published between 1982 and 1995 draw together research by leading academics in the area of environmental policy and provides a rigorous examination of related key issues The volumes examine international policy impact assessment and future environmental planning This set will be of particular interest to students of Environmental Studies

The Disintegration of the Soviet Economic System Michael Ellman, Vladimir Kontorovich, 2023-06-14 The Disintegration of the Soviet Economic System 1992 examines in detail the collapse of the Soviet economic system and is set in its political context both international and domestic The collapse is looked at from a macroeconomic point of view both real and financial as well as from a mesoeconomic viewpoint with chapters on such important sectors such as agriculture and the railways Because the USSR is such a large country it is also looked at in a regional perspective with chapters on Central Asia and the allocation of investment between republics and attention is also paid to the welfare of the population their health and the development of their consumption and the environment and technical progress

Environmental Action in Eastern Europe Barbara Jancar-Webster, 2016-09-16 The environmental crisis in Eastern Europe air and water pollution toxic waste dumps and unsafe nuclear facilities has been vividly documented since the revolution of 1989 Not only did the communist states have an abysmal record of environmental destruction but the issue of environmental protection and safety proved to be one of the

most powerful catalysts of unified opposition to these regimes This collection of essays by both Western and East European experts examines the efforts to develop strategies for dealing with the crisis both by governments and at the grassroots level of newly emerging Green movements Among the countries represented here are Poland Hungary Czechoslovakia Lithuania Slovenia and the Commonwealth of Independent States Soviet-American Relations After the Cold War Robert Jervis, Seweryn Bialer, 1991 This important collection of essays explores the terrain of possible Soviet American relations in the next decade Starting from the premise that glasnost and perestroika will not be reversed this expert group of contributors provides a wide ranging and far reaching analysis of Soviet U S relations crucial to any current discussion of the topic Moving beyond the boundaries of traditional studies of international relations the contributors here focus on such topics as public opinion and the relationship of domestic policy to foreign policy Other areas of consideration include the Soviet U S relationship and the Third World and East Asia the role of the United Nations in Soviet and American policy in the 1990s international environmental protection and the Soviet opening to nonprovocative defense A final section concludes with policy choices for the future regarding security strategies and prospects for peace Contributors Seweryn Bialer Robert Dallek Charles Gati Toby Trister Gati Colin S Gray Ole R Holsti Robert Jervis Alexander J Motyl John Mueller Eric A Nordlinger George H Quester Harold H Sanders Glenn E Schweitzer Jack Snyder Donald S Zagoria William Zimmerman
