Australian Local Government Economics Brian Dollery,Lin Crase,Andrew Johnson,2006 The increasing complexities
of Australian local government place onerous demands on municipal managers and oblige them to continually upgrade their
skills This book examines the economic environment of contemporary local governance **Economics In Practice:
Evidence-based Policymaking In Singapore** Ming Leong Kuan,Chi Hoong Leong,Jamie Poh,Yik Wei Yong,Chun Seng
Yip,Boon Loy Chua,2021-12-10 Singapore is recognised to be one of the most successful economies in the world given its
rapid economic and social transformation Its success is the result of a judicious blend of markets and government high
quality governance and public policies that are coherent consistent and coordinated This book showcases the contribution of
Economics to Singapore s public policymaking To illustrate the diverse areas that economic analysis has contributed to this
book comprises three sections that span the economic and non economic policy domains in Singapore Section I covers
economic policies relating to economic growth trade investments productivity innovation industrial development the
enterprise landscape and manpower Section II highlights socioeconomic and security policies and covers themes such as
income inequality and mobility families healthcare costs and crime In Section III the focus is on infrastructural policies
relating to the environment housing and land transport This book commemorates the 20th anniversary of the Singapore
Government s Economist Service As the premier service for economists in the Singapore public sector the Economist Service
plays an integral role in supporting evidence based policymaking through rigorous economic research and analysis of public
policies *Basic Economics* Thomas Sowell,2014-12-02 The bestselling citizen s guide to economics Basic Economics is a
citizen s guide to economics written for those who want to understand how the economy works but have no interest in jargon
or equations Bestselling economist Thomas Sowell explains the general principles underlying different economic systems
capitalist socialist feudal and so on In readable language he shows how to critique economic policies in terms of the
incentives they create rather than the goals they proclaim With clear explanations of the entire field from rent control and

the rise and fall of businesses to the international balance of payments this is the first book for anyone who wishes to understand how the economy functions This fifth edition includes a new chapter explaining the reasons for large differences of wealth and income between nations Drawing on lively examples from around the world and from centuries of history Sowell explains basic economic principles for the general public in plain English Modern Labor Economics Ronald G.
