Reilly, Keith C. Brown, Brindha Gunasingham, Asjeet Lamba, Dr Frank Elston, 2019-11-19 This first Asia Pacific edition of Reilly Brown's Investment Analysis and Portfolio Management builds on the authors' strong reputations for combining solid theory with practical application and has been developed especially for courses across the Australia New Zealand and Asia Pacific regions. The real world illustrations and hands on activities enhance an already rigorous empirical approach to topics such as investment instruments, capital markets, behavioural finance, hedge funds and international investment. The text also emphasises how investment practice and theory are influenced by globalisation. Portfolio Management in Practice, Volume 2 CFA Institute, 2020-11-11 Discover the latest essential resource on asset allocation for students and investment professionals. Part of the CFA Institute's three volume Portfolio Management in Practice series, Asset Allocation offers a deep comprehensive treatment of the asset allocation process and the underlying theories and markets that support it. As the second volume in the series, Asset Allocation meets the needs of both graduate level students focused on finance and industry professionals looking to become more dynamic investors. Filled with the insights and industry knowledge of the CFA Institute's subject matter experts, Asset Allocation effectively blends theory and practice while helping the reader expand their skillsets in key areas of interest. This volume provides complete coverage on the following topics: Setting capital market expectations to support the asset allocation process; Principles and processes in the asset allocation process including handling ESG integration and client specific constraints; Allocation beyond the traditional asset classes to include allocation to alternative investments; The role of exchange traded funds can play in implementing investment strategies; An integrative case study in portfolio management involving a university endowment. To further enhance your understanding of tools and techniques explored in Asset Allocation, don't forget to pick up the Portfolio Management in Practice Volume 2 Asset Allocation Workbook. The workbook is the perfect companion resource containing learning outcomes, summary overview sections and challenging practice questions that align chapter by chapter with the main text.
