Economies of the Middle East and North Africa Robert Springborg,2020-03-16 Despite its oil wealth the Middle East and North Africa is economically stagnating Growth rates are comparatively unfavorable and insufficient to substantially improve citizens lives Whether this economic inertia can be overcome or will continue into the indefinite future is a vital question that confronts both the region and the world In this book leading Middle East scholar Robert Springborg discusses the economic future of this region by examining the national and regional political causes of its contemporary underperformance Overgrown weak MENA states he explains have been unable to escape their unfavorable historical legacies Limited access orders and the deep states based in the means of coercion that underpin them undermine state capacities and constrain beneficial autonomous political and economic activity Increasingly challenged by their populations MENA states face the daunting and so far unmet challenge of diversifying non sustainable rentier political economies away from direct or indirect dependence on oil and gas revenues Stagnation of those revenues and failure to generate alternative income sources combined with rapid population growth presents the region with an economic challenge that can only be overcome by profound political change

The Economics of Defense Industry Thomas-Durell Young,2023-10-17 This book on the economics of defence industry assesses a series of historical and contemporary case studies that consistently demonstrate the need for governments to recognise and thereafter factor the financial needs of a narrow industrial sector that is capital intensive technologically advanced and that requires a highly skilled labour force Since the end of the cold war Western governments have systematically reduced financial support to their domestic defence industry and have seemingly ignored planning and funding industrial mobilisation In all cases government policy has been to encourage industries to consolidate capacity to become financially viable in a sector that has seen diminished demand The 2022 Russian invasion of Ukraine has caused Western governments to reassess their previous assumptions Efforts to increase industrial capacity have been met with the iron laws of economics whereby businesses need to show return on investments The chapters in this volume posit that efforts to rationalise industrial capacity and innovation to meet short term financial efficiencies inevitably results in limited expensive and long delays in increased production in times of international crisis This book serves as an essential guide for academics researchers and students interested in defence economics industrial economics international relations and industrial policy The chapters in this book were originally published in various issues of Defense Security Analysis

The GCC Economies Mohamed A. Ramady,2012-04-23 The Arab Spring of 2011 has affected the countries of the region to varying degrees including the Gulf Cooperation Council GCC members comprising Saudi Arabia Kuwait Qatar the United Arab Emirates Oman and Bahrain The GCC has become a significant regional bloc playing a vital economic and political role far beyond its shores given its geopolitical strategic location a preponderance of global energy reserves and a major

international player through the use of accumulated financial reserves A new Gulf is rising one that is more self assertive looking to expand its membership to other Arab countries such as Jordan and Morocco while at the same time strengthening the bloc s relationship with current and emerging trading and strategic partners in Europe USA and Asia Regional and international realities especially the uncertainties unleashed by the Arab Spring are forcing Gulf leadership to initiate new policies involving closer cooperation amongst GCC countries to address emerging challenges This volume brings together thirty renowned academics and specialists to examine a range of multifaceted social political and economic issues facing the GCC in key areas such as Diversification from a high dependency on a narrow hydrocarbon base Social transformation youth employment and effective gender participation Outward and inward foreign direct investment flows Prospects for education reforms and e learning Sustainable security in oil renewable energy including nuclear and food Corporate governance transparency and enhancing the private sector s operating environment The role and governance of Gulf Sovereign Wealth Funds in investing their surpluses The volume also offers insights for challenges facing the GCC in monetary union expanding the regional debt market and Sukuk issuance GCC intellectual property rights application detailed assessments of individual GCC country risk analysis as well as the sustainability of long term government fiscal stimulus programs at the expense of private sector involvement

Downloading Economist Pocket Middle East And North Africa The Economists provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Economist Pocket Middle East And North Africa The Economists has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Economist Pocket Middle East And North Africa The Economists. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Economist Pocket Middle East And North Africa The Economists. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Economist Pocket Middle East And North Africa The Economists, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To

protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Economist Pocket Middle East And North Africa The Economists has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
