## Ecology With Olc Card:

*Ecology, Sustainable Development and Accounting* Seleshi Sisaye, 2015-08-11 Accounting literature has viewed sustainability in terms of social economic and environmental performances There have been concerns that the relationship between sustainability accounting and organizational performance cannot be explained unless we can deduce patterns of administrative behaviour that chronicle management practices Ecology Sustainable Development and Accounting argues that despite the broader social and economic development dimensions of sustainability and the limitations of its extension to corporate and organizational behaviour an ecological framework is capable of providing the overall societal and community chronologies that describe corporate sustainable operations Drawing examples from international development and federal government organizations this book documents the link between ecology corporate sustainable development and sustainability accounting and reporting It draws together the literature from several disciplines to elaborate the contribution of the ecological approach to sustainable development in the accounting literature This book will be of particular interest to students academics and practitioners in the areas of environmental studies ecological economics sustainable development studies and social and environmental accounting The sociological and anthropological perspectives make this book the first of its kind to apply the population ecology of sociology to both the sustainability and accounting literature The Ecology and Distribution of Hepaticae in Central and Western New York Rudolf Mathias Schuster, 1950 *Freshwater Ecology* Thomas Townley Macan, 1963 *Biology of Amphibians* William E. Duellman, Linda Trueb, 1994-02 Now reissued in paperback with an updated preface by the authors Biology of Amphibians remains the standard work in its field
