

Economic Policies In Canada

Jicheng Xie

Economic Policies In Canada:

Economic Policies in Canada Ingrid A. Bryan, 1982 *Capital Transfers and Economic Policy: Canada, 1951-1962* Richard E. Caves, Grant L. Reuber, 1971 Between 1951 and 1962 nearly ten billion dollars in long term capital both direct investment and purchase of securities flowed into Canada This massive amount represented one third of all long term capital moving among industrial nations Its transfer marked the first time since before World War I that the world witnessed such a large scale international movement of capital motivated primarily by a prospect of higher rates of return In *Capital Transfers and Economic Policy* the authors test the theory of the causes and effects of international capital movements against the evidence drawn from Canada's experience They explore Canada's adjustment to capital flows and show how the operation of her economic policy is affected by the sensitivity of capital flows to the country's interest rates and foreign exchange rate Their brilliant analysis is particularly valuable in light of current trends in capital flows among industrial nations and the June 1970 return of the Canadian dollar to a flexible exchange rate which put the economy in a working situation similar to that of the fifties

Canadian Foreign Policy and International Economic Regimes A. Claire Cutler, 2011-11-01 As the world economy is becoming increasingly global in nature the future of Canada's welfare will directly depend on the country's response and reaction to a wide range of economic regimes which govern the international economy This volume is an important and timely analysis of past and current Canadian policies toward both the formal and less formal arrangements which regulate such areas as international trade and financial transactions international service industries fisheries resources and the environment Often influenced by domestic political concerns and its relations with the United States Canada has as the authors point out exhibited a high degree of variation in its responses to these regimes *Canadian Foreign Policy and International Economic Regimes* addresses a broad range of foreign economic policies not generally considered in the foreign policy literature Interdisciplinary in its approach it will be of interest to those in political science and public policy economics and law as well as to those involved in international business

Canadian Economic Policy and the Impact of International Capital Flows Richard E. Caves, Grant L. Reuber, 1969-12-15 The object of this study is to investigate the effects that complete and formal integration of the Canadian with the American capital market would have on the Canadian economy It is based largely on recent trade statistics particularly those of the period when the exchange rate floated In summary the short and long run effects could both be beneficial to Canada This study is a convenient summary of a longer work by the same authors to be published in 1970

Canada in a Wider Economic Community H. Edward English, Bruce W. Wilkinson, H.C. Eastman, 1972-12-15 The Private Planning Association of Canada initiated the Atlantic Economic Studies Program to study the implications for Canada of trade liberalization and closer economic integration among the nations bordering the North Atlantic Over twenty studies by leading economists which point out the significance of international trade for the structure and growth of the Canadian economy have been published in a series of thirteen volumes This is the

last in the series and it summarizes the conclusions expressed in the previous studies in chapters dealing with such topics as the growth of world markets and changing trade patterns free trade alternatives for Canada and the structure of the Canadian economy International Economic Policies William Smith Culbertson,1925 **Interregional Migration and Public Policy in Canada** Kathleen Mary Day,Stanley L. Winer,2012 Given Canada s vast geography and uneven distribution of economic activity almost all Canadians have at one time or another faced the question of whether an interprovincial move would make them better off Using a unique dataset based on income tax records authors Kathleen Day and Stanley Winer examine the factors influencing the decision to migrate within Canada paying special attention to the role of regional variation in the generosity of public policies including unemployment insurance taxation and public expenditure the influence of extraordinary events such as the election of a separatist government in Quebec and the closure of the east coast cod fishery is also considered They look at why we ought to be concerned about public policies that interfere with market based incentives to move provide a wealth of information on interregional differences in public policies and market conditions and examine what other researchers have discovered about fiscally induced migration culminating in a discussion of the likely impact of various policy changes on migration and provincial unemployment rates the authors assessment of the lessons to be learned from their own and past research on policy induced migration in Canada will be of interest to students of migration and policy makers alike *Macro-economic Policy* J. O. N. Perkins,M. D. English,J. P. Nieuwenhuysen,J. W. Rowe,2018-10-24 When it was first published in 1972 this was the first book to analyze the experience of Australia Canada New Zealand and South Africa in the field of macro economic policy The characteristics of this group of countries gives them much in common with both industrialized and emerging economies Their experience of economic policy making has therefore an unusually wide relevance **International Education as Public Policy in Canada** Merli Tamtik,Roopa Desai Trilokekar,Glen A. Jones,2020-10-07 In the early twenty first century international education emerged as an almost ubiquitous concept within discussions of educational curriculum the objectives of schools universities and colleges and government policies for K 12 and higher education Although far from a new phenomenon many jurisdictions now view international education as a highly competitive global industry This book provides a comprehensive analysis of international education policy in Canada tracing the complex history of when how and why it emerged as a policy area of strategic importance Illuminating a uniquely Canadian perspective influenced by regional interests and federal provincial tensions International Education as Public Policy in Canada addresses challenging questions Why was Canada a latecomer in addressing this policy issue What is the relationship between international education and Canadian immigration policy How did international education develop as a major Canadian industry The resulting essays from leading scholars contribute not only to the growing Canadian literature on international education policy but also to a critical global conversation Contemplating where the Canadian story of international education is headed International Education as Public Policy in

Canada calls for a broader debate on ethical practices in internationalization focusing on inclusion equity compassion and reciprocity

Canadian Economic History William Thomas Easterbrook, Hugh G. J. Aitken, 1988-01-01 Through three centuries of development the history of the Canadian economy reflects the shifting roles of natural resources industrializations and international trade This volume a standard in the field since its initial publication in 1958 presents a comprehensive account of these and other factors in the growth of the Canadian economy from the time of the earliest European expansion into the Americas The authors consider economic organization both on the level of the national economy and on that of the individual business unit Among the subjects examined are the growth of the fur fishing and timber trades the impact of successive wars money and banking the development of railway and canal systems the wheat economy the growth of organized labour and twentieth century patterns of investment and trade The focus throughout is on the role played by business organizations large and small working with government in creating a national economy in Canada

Social Policies in Canada Elissar Sarrouh, 2002 This study deals with social policy making implementation and monitoring in Canada as an example of a successful welfare state its evolution development and transformation in recent years The dominant principles and values that have shaped social policy in Canada and the extent to which they have been affected by neo liberal values and economic policies are also examined Primarily defines social policy as the result of constant attempts of various groups in society to improve or redefine their situation vis vis that of other groups formulated not only by Government but also by various institutions including voluntary organizations business labour groups industry professional groups public interest groups and churches

Canadian Federalism Herman Bakvis, Grace Skogstad, 2025-07-15 In the context of Canada s political landscape Canadian Federalism stands as the leading text on federal institutions and processes analyzing the performance effectiveness and legitimacy of the federation s core components The fifth edition features contributions from twenty experts including six new authors who explore the socio economic foundations institutions and intergovernmental relations that shape Canadian federalism The book is organized into three parts it examines Canada as a case of comparative federalism explores key social economic and environmental policy areas and reimagines the federation by addressing Indigenous multi level governance and the role of municipalities By employing a common evaluative framework this volume ensures consistency and analytical rigour making it accessible to both students and scholars The authors provide diverse assessments of Canadian federal institutions highlighting different models of federalism under the Justin Trudeau government such as collaborative federalism in certain areas and unilateralism in others In a time of political polarization and calls for reform Canadian Federalism is essential reading for understanding the complexities of Canada s governance and the urgent need for institutional improvements

Economic Analysis & Canadian Policy David Stager, 2013-09-24 Economic Analysis its banking systems its fiscal policy public debt and budget deficit and international trade policies patterns and rationale Part III covers consumer demand production costs

supply market competition and market structure Part IV talks about labor market and wages income distribution in Canada and regional income disparity The text is recommended for economists and financial analysts especially those who would like to study about Canada s economy and its policies *Policy Analysis in Canada* Michael Howlett,Laurent

Dobuzinskis,2018-05-23 Policy analysis in Canada brings together original contributions from many of the field s leading scholars Contributors chronicle the evolution of policy analysis in Canada over the past 50 years and reflect on its application in both governmental and non governmental settings As part of the International Library of Policy Analysis series the book enables cross national comparison of public policy analysis concepts and practice within national and sub national governments media NGOs and other institutional settings Informed by the latest scholarship on policy analysis the volume is a valuable resource for academics and students of policy studies public management political science and comparative policy studies

Encyclopedia of Social Welfare History in North America John M. Herrick,Paul H. Stuart,2004-12-15 The Encyclopedia of Social Welfare History in North America is a unique reference work that provides readers with basic information about the history of social welfare in Canada Mexico and the United States The intent of the encyclopedia is to provide readers with information about how these three nations have dealt with social welfare issues some similar across borders others unique as well as to describe important events developments and the lives and work of some key contributors to social welfare developments In choosing a continental focus editors John M Herrick and Paul H Stuart encourage readers to explore cross national and comparative work in the development of social welfare history The Encyclopedia defines social welfare broadly to include education informal mutual assistance the development of the social work profession and voluntary charitable activities as well as state supported public welfare activities The coverage is therefore broad and interdisciplinary including the fields of anthropology health sciences history political science social work and sociology Editors include specialists in the social welfare history of each nation and they have collaborated with scholars from a variety of academic disciplines to prepare entries of varying length addressing these issues Associate editors for Canada and Mexico both authorities in the history of social welfare in those countries were responsible for recruiting expert contributors in their fields No other reference work takes this unique continental approach and as such this will be a much needed acquisition for any academic or large public library with a social science collection Beginning students as well as established scholars will find this an invaluable starting point for investigations into new areas of inquiry Topics Covered Canada Charity Child welfare Economic conditions and social welfare Economics tax policy Health Mental Health Policy Landmark social welfare legislation Mexico Poverty Race and Social Inequality Social Problems Social Security and Income Maintenance Social Welfare Reform Social Welfare Reformers Social Work United States Women and social welfare Associate Editors John Graham University of Calgary Enrique Ochoa California State University Los Angeles Ruth Britton University of Southern California Editorial Assistants Russell Bennett and Benson Chisanga University of Alabama

Natural Resources In

U.S.-Canadian Relations, Volume 1 Carl E. Beigie, 2019-03-08 The combined efforts of the World Peace Foundation the C D Howe Research Institute and the Centre Qu b cois de Relations Internationales have culminated in a comprehensive three volume study of critical U S Canadian resource issues Motivated initially by the tensions of the mid 1970s and by U S concern about the actions of its major non energy resource supplier Canada the study grew to examine bilateral resource issues from a long term perspective The first volume traces the background of the U S Canadian resource connection analyzes the evolution of resource policies and processes in the two countries and introduces the domestic and bilateral policy issues that have emerged regarding natural resource development and trade Contributors examine the possibility that Canada might seek to exploit its resource position by taking actions detrimental to U S interests Volume II Patterns and Trends in Resource Supplies and Policies presents detailed case studies of nine specific resources of interest to both countries Volume III Perspectives Prospects and Policy Options examines the resource sector from the perspectives of corporate investors workers and environmentalists and concludes with a review of policy options and prospects for the bilateral relationship

Uneasy Partnership Geoffrey Hale, 2018-01-25 In this new edition of *Uneasy Partnership* Geoffrey Hale examines the interdependent relationship between Canadian governments and businesses considering governments multiple roles in the economy and their implications for the business environment Hale provides an overview of the historical dimensions of Canada s political economy and relations between government and business Readers are invited to consider topics such as corporate power the implications of Canada s economic structure regional economic differences the cross cutting effects of globalization and the role of interest groups in political and policy processes In a thoughtful and well researched style Hale lays out how the partnership between business and government in Canada is an uneasy one and one whose capacity to adapt to ongoing change is essential in an uncertain world

APAIS 1991: Australian public affairs information service ,
American National Security and Economic Relations with Canada, 1945-1954 Lawrence R. Aronsen, 1997-08-30 Aronsen draws on recently declassified documents in Ottawa and Washington to provide a reassessment of Canada s special relationship with the U S Toward this end detailed new information is provided about Canada s contribution to the creation of the postwar economic order from the Bretton Woods Agreement to GATT Canada s cooperation was rewarded by special economic concessions including the extension of the Hyde Park agreement in 1945 the inclusion of the off shore purchases clause to the Marshall Plan and Article II of the NATO Treaty After the outbreak of the Korean War Canada s resources

played a crucial role in the production of weapons systems for the new air atomic strategic doctrine. Several policies were adopted to facilitate the expansion of Canadian defense production, notably the relaxation of regulations on technology transfer, the encouragement of private sector investment, and the negotiation of long-term contracts at above-market prices. In the midst of these unprecedented peacetime developments, Time Magazine observed that Canada had become America's Indispensable Ally.
