Economic Policy Management A Japanese Approach:

Economic Policy Management; A Japanese Approach 田口,1990 Economic Policy Management; A Japanese Approach 田口,1990 **The Bank of Japan, the OECD, and Beyond** Kumiharu Shigehara,2024-08-27 This book provides an insider's account of how macroeconomic policies in the United States Japan and major European countries were carried out and how the OECD and the author either as its senior official or a Japanese central banker dealt with international trade issues protectionism globalisation regional integration and other related issues since the 1960s Employing an informal tone the author offers a critical review of the successes and failures of the economic policies followed by these countries in the international setting which prevailed during this period This book will interest economists international businesspersons journalists and historians **Economic Policy, Business, and Management in the Post-Pandemic Perspective** Anna Ujwary-Gil,Anna Florek-Paszkowska,Artur Koziol,2023-01-01 Meeting employee interests depending on the age and form of employment Abstract The aim of this chapter is the identification and assessment of meeting employee interests among the employed in standard and non standard forms based on the age criterion An empirical study was conducted using the CAWI technique covering a sample of 1 000 working Poles Descriptive statistics methods and statistical tests were used to analyze the findings The analysis of employee interests was performed by comparing the assessed interests by the representatives of four separate age groups The statistically significant differences were examined For this purpose the non parametric ANOVA Kruskal Wallis test and the post hoc test statistical significance level p Monetary and Currency Policy Management in Asia Masahiro Kawai,Peter J. Morgan,Shinji Takagi,2012-01-01 Asian economies strengthened their monetary and currency management after the Asian financial crisis of 19971998 and came through the global financial crisis of 20072009 relatively well Nevertheless the recent global crisis has presented new challenges This book develops recommendations for monetary and currency policy in Asian economies aimed at promoting macroeconomic and financial stability in an environment of global economic shocks and volatile capital flows Monetary and Currency Policy Management in Asia draws lessons from crises and makes concrete macroeconomic policy recommendations aimed at minimizing the impacts of an economic and financial downturn and setting the stage for an early return to sustainable growth The focus is on short term measures related to the cycle The three main areas addressed are monetary policy measures both conventional and unconventional to achieve both macroeconomic and financial stability exchange rate policy and foreign exchange reserve management including the potential for regional cooperation to stabilize currency movements and ways to ease the constraints on policy resulting from the so called impossible trinity of fixed exchange rates open capital accounts and independent monetary policy This is one of the first books since the global financial crisis to specifically and comprehensively address the implications of the crisis for monetary and currency policy in emerging market economies especially in Asia Presenting a broad menu of policy options for financial reform and regulation the book will be of great interest to finance experts and policymakers in the

region as well as academics and researchers of financial and Asian economics as well as economic development The Japan That Never Was Dick Beason,Dennis Patterson,2012-02-01 In this book the authors address Japan s economic crisis of the 1990s They argue that most attempts to reconcile Japan s past success with its current problems have been inadequate primarily because scholars fail to fully understand how Japan s political economic system was organized and how it operated in the past Revealing that certain long term political and economic trends suggested in subtle but unambiguous ways that the crisis of the 1990s was long in the making the authors offer an alternative explanation for Japan s postwar political economic trajectory and a better understanding of the challenges that Japan currently faces *The Oxford Handbook of the International Relations of Asia* Saadia M.
