**Revivals)** Jan Winiecki,2013-04-03 First published in 1997 this collection of articles and essays analyses the political economy of reform and change in Eastern Europe during the years of Gorbachev s perestroika and the years immediately following the fall of the Berlin wall and the collapse of the Soviet Union Written by Polish economist Jan Winiecki between 1984 and 1996 this work explores the issue of the feasibility of reform and change during the period of decline and collapse of communist economic order and later the emergence of the capitalist economic order in the post communist Eastern Europe Split into three parts the work considers firstly the failures of Gorbachev s political economy of reform secondly the determining factors in the collapse of the Soviet system and finally the feasibility of the systematic change which began in the wake of its collapse Economic Reforms in Eastern Europe Radoslav Selucky,1974 **Economic Reform and**

**Political Change in Eastern Europe** Judy Batt,1988-06-21 Economic reform the introduction of elements of the market into a planned economy has been the central political problem for socialist states for at least three decades This book seeks to elucidate the nature of the problem through a reconsideration of the general theoretical issues and through a comparative analysis of the practice of economic reform in two countries Czechoslovakia and Hungary **Democracy and the Market**

Adam Przeworski,1991-07-26 The quest for freedom from hunger and repression has triggered in recent years a dramatic worldwide reform of political and economic systems Never have so many people enjoyed or at least experimented with democratic institutions However many strategies for economic development in Eastern Europe and Latin America have failed with the result that entire economic systems on both continents are being transformed This major book analyzes recent transitions to democracy and market oriented economic reforms in Eastern Europe and Latin America Drawing in a quite distinctive way on models derived from political philosophy economics and game theory Professor Przeworski also considers specific data on individual countries Among the questions raised by the book are What should we expect from these experiments in democracy and market economy What new economic systems will emerge Will these transitions result in new democracies or old dictatorships **Economics and Politics of Economic Reforms in Eastern Europe** ,1969

Economic Reforms In Eastern Europe And The Soviet Union Hubert Gabrisch,2019-05-20 The author discusses the traditional system of management of the economy as it existed in the early 1950s in the USSR and goes on to deal with the reforms of the 1960s and of the 1980s country by country He shows that the focus of the reforms is on finding a proper combination of planning and the market mechanism and their success will be judged *Reform and Transformation in*

**Remaking Eastern Europe — On the Political Economy of Transition** J.M. Van Brabant, 2012-12-06 This compact volume is meant as a modest contribution to the ongoing debate on how to transform in particular the radically reforming Eastern European economies into more productive sociopolitical organizations Although my main focus here is on the economics of reform and east west assistance I have tried to embed the multiple technical aspects of restructuring such a resource allocation into the context of remaking Eastern Europe That the volume coincides with the seminal transformations of the communist countries of Eastern Europe is of course not fortuitous But I shall have much less to say about the political transitions from communism to parliamentary democracy except the ways in which the latter may bolster or hinder the hoped for economic mutations In taking stock of where I stand on the issue of radical reform of planned economics in general and the CMEA in particular both still moving targets I have benefited greatly from participation in formal and informal conferences on economic reform The product has also profited from many informal discussions and exchanges of views among friends and colleagues including those entrusted with and purely interested in efforts on the overall topic of the study launched from within the broad context of the United Nations my at times reluctant employer
