Modi and the Reinvention of Indian Foreign Policy Ian Hall,2019-09-25 Narendra Modi s energetic personal diplomacy and promise to make India a leading power surprised many analysts Most had predicted that his government would concentrate on domestic issues on the growth and development demanded by Indian voters and that he lacked necessary experience in international relations Instead Modi s first term saw a concerted attempt to reinvent Indian foreign policy by replacing inherited understandings of its place in the world with one drawn largely from Hindu nationalist ideology Following Modi s re election in 2019 this book explores the drivers of this reinvention arguing it arose from a combination of elite conviction and electoral calculation and the impact it has had on India s international relations

Religious Fundamentalism in Developing Countries Santosh C. Saha,Thomas K. Carr,2001-03-30 Using a variety of methodological approaches this timely book offers a thorough examination of the impact and implications of religious fundamentalism in developing nations The authors explore why and how adherence to fundamentalist principles affects the social political and religious development of such countries as Israel India Pakistan Bangladesh Egypt and the Philippines One of the most significant contributions of this volume is that it challenges the assumption that fundamentalism in developing countries is based solely on religious motivations The authors maintain that fundamentalism of this sort is motivated by both religious and political convictions This combination of

religious and political motivations allows fundamentalism to exert a tremendous influence on the public policies of these developing nations As the social fabric of such countries continues to be developed it is clear that fundamentalism will continue to play a significant and potentially dangerous role
