Economic Reform Policies And The Labour Market In Nigeria:

Economic Reform Policies and the Labour Market in Nigeria Tayo Fashoyin, 1994 Based partially on a survey of 508 enterprises from the public and private sectors and covers the 1980s Reforms and Nigerian Labour and Employment Relations Otobo, Dafe, 2016-07-25 This collections of papers from twenty seven chapters is on aspects of reforms and labour and employment relations in Nigeria over the past three decades *The Nigerian Journal of Economic and Social Studies* ,1999 *Manufacturing Transformation* Carol Newman, John Page, John Rand, Abebe Shimeles, Måns Söderbom, Finn Tarp, 2016 This book addresses three questions Why is there so little industry in Africa Does it matter And what can be done about it It gives some of the results of a four year research programme by national and international researchers into what makes firms in low income countries more competitive and what makes countries more attractive to competitive firms The book fills an important gap in development economics and African studies There is no other book on the market devoted to such a comprehensive comparative cross country analysis of Africa s industrialization experience Both the policy conclusions drawn from the comparative analysis and the case studies in their own right will be of substantial interest to readers Policy makers in governments and international development agencies in particular will find the book useful and provocative This is an open access title available under the terms of a CC BY NC SA 3.0 IGO licence It is free to read at Oxford Scholarship Online and offered as a free PDF download from OUP and selected open access locations **The Nigerian Journal of Economics and Social Studies** ,2004 BEYOND OUR IMAGINATIONS Simi Afonja, 2022-06-17 Beyond our Imaginations African Women s Realities is the product of dialogues on Gender and Feminism in the region of Africa It is the first in the series Feminism Visions of Society The book provides a balanced review of Western and West African theories and of participatory methodologies paying particular attention to the exclusion of grassroots feminism from the growing body of knowledge and action It builds on existing essentialist theorizing without disregarding the overlaps with feminism in other cultures Cultural knowledge is extended in discussions of grassroots women s loss of power and voice through changing gender images the declining culture of the Deification of Motherhood Women s Leadership in Modern Markets Female Traditional Rulership and Women s Influence in Community Development and Peace Building This book helps to understand why too often there are gaps between theory and the policies designed to improve African Women s lives There is also a repertoire of qualitative data about feminist practices and strategies at the household level in the workplace and the political domains as part of the patriarchal bargain in African cultures While the collection celebrates the importance of the imagination in building feminist knowledge it takes a more cautionary stand calls for methodological flexibility and sophistication as African scholars expand feminist knowledge Benefits and Costs of Economic Reforms in Nigeria Nigerian Economic Society. Conference, 2006 *Economic Growth and Employment in Vietnam* David Lim, 2014-03-21 Vietnam has enjoyed significant economic success since the implementation of its doi moi reforms including rapid growth in

GDP exports and foreign and domestic investment and a shedding of poorly performing state owned enterprises Despite this however the economic situation for many ordinary people in Vietnam is fragile with income only just above the poverty line and high unemployment especially among the young In addition inflation is high and the state owned sector is still large much of it still performing badly This book provides a comprehensive overview of the current economic situation in Vietnam It outlines the state of the economy paying special attention to employment discusses government policies including on trade and integration with the global economy and concludes by assessing the key challenges facing Vietnam s economy going forward

Trade Unions and Sustainable Democracy in Africa Gerard Kester, Ousmane Oumarou Sidibe, 2019-05-23 First published in 1997 this volume sets out to open a dialogue with the trade union movement and its social partners including civil society political leaders and the scientific community The authors all of whom work closely with APADEP have drawn on their personal experience and have been guided by a simple yet flexible theme trends in the last few decades in their countries with the emphasis on transition over the last five years Part I consists of an overview of sub Saharan Africa based on selected documentation Part II is given over to an analysis of the specific situations obtaining in ten African countries in different geographical and language areas Each case study provides its own democratisation scenario

Structural Revolution in International Business Architecture, Volume 1 Victoria Miroshnik, Dipak Basu, 2016-04-29 Most of the established theories of economics particularly of international trade became obsolete in the new world trade and production architecture How in these new circumstances will host nations organize their economic resources This book analyzes some prominent countries in the world to examine the issue

Encountering the Nigerian State W. Adebani, E. Obadare, 2010-07-05 This volume advances extant reflections on the state constituted as the Ur Power in society particularly in Africa It analyzes how various agents within the Nigerian society encounter the state ranging from the most routine form of contact to the spectacular While many recent collections have reheated the old paradigms of the perils of federalism corruption ethnicity etc our focus here is on encounter that is the nuance and complexity of how the state shapes society and vice versa Through this we depart from the standard state versus society approach that proves so limiting in explaining the African political landscape

Macroeconomic Policy Formation in Africa - Country Cases Karl Wohlmuth, Achim Gutowski, Magda Kandil, Tobias Knedlik, Osmund O. Uzor, 2014 This Volume 17 of the African Development Perspectives Yearbook considers the following major issues the macroeconomic policies in post conflict countries especially reviews of growth social progress and public finance strategies in medium term frameworks with Sudan and South Sudan as the country cases and macroeconomic policy formation in West Africa with case studies presented on Senegal and Nigeria in

the West African Monetary Zone and the CFA Zone In addition the book presents book reviews and book notes Series African Development Perspectives Yearbook Vol 17 Subject African Studies Economics Study of the Impact of Economic Reforms on Growth and Development in Nigeria ,2006 **Trade Unions and Collective Bargaining in Nigeria** Augustus N. Gbosi,1998 **International Labour Documentation** International Labour Organization. Central Library and Documentation Bureau,1996 **Accelerated Economic Growth in West Africa** Diery Seck,2015-07-07 The book provides a detailed analysis of the causes of West Africa s current economic high growth episode and proposes ways to extend it sustainably It examines the potential role of regional integration through the establishment of a common currency union and of other policy options that can enhance economic growth The authors suggest appropriate methods of coordination between macroeconomic policy and industrialization to achieve higher economic growth and also examine why pro poor strategies have not been successful The book underscores the challenges and opportunities that will arise from the structural change to the region s economies resulting from the necessary investment in manufacturing exports ICT and infrastructure which are key vehicles for extended growth Readers will learn how the region can better reach its developmental goals by securing and perpetuating political liberty and transactional freedom for all its citizens **Putting Nigeria to Work** Volker Treichel,2010-06-17 Public debate in Nigeria on the country s progress since its return to democracy in 1999 has been dominated by two seemingly opposite themes The first theme is the strong growth performance of the non oil economy This success has been marked by sharp increases in agriculture trade and construction and by the emergence of new industries in the financial telecommunications and entertainment sectors supported by sound macroeconomic policies and structural reforms The second opposing theme is the seeming failure of Nigeria s much improved economic performance to reduce unemployment especially among the young Rising levels of unemployment have increased militancy among the young and impacted negatively on public order Putting Nigeria to Work A Strategy for Employment and Growth looks at the ways in which Nigeria s improved economic performance has impacted the labor market A number of relevant factors are carefully examined and analyzed including industrial policy and the investment environment the effects of restrictive trade policies on growth and the ability of the technical and vocational education system to address the country s skills gap The book proposes a strategy that will allow Nigeria to increase the availability of quality jobs reduce rising youth unemployment and sustain and further accelerate the country s economic performance and growth At the core of this strategy are targeted interventions aimed at removing binding constraints to growth in sectors of the economy that are already growing fast but have the potential to grow faster and have significant employment creating potential *Index of Conference Proceedings* ,1995
