Economic Cooperation In The Middle East:

Economic Cooperation in the Middle East Gideon Fishelson, 2019-04-12 This book is an outcome of conference on Economic Cooperation in the Middle East held at Tel Aviv University in 1986 It examines economic integration in the Middle East its implications and possible costs The book analyzes the consequences of peace and economic cooperation in the Middle East

ECONOMIC COOPERATION IN THE MIDDLE EAST. ,2019 *The Political Economy of Regional Cooperation in the Middle East* Ali Carkoglu, Mine Eder, Kemal Kirisci, 2005-07-08 This book explores the current anatomy of regional cooperation and why it has often failed to take hold It offers an alternative view of politics and international relations in the Middle East The findings show that co operation between many of the more open regimes such as Israel Jordan Egypt Palestine and Turkey can pave the way to increased stability in the region The authors argue that focusing on international and regional factors alone is insufficient in explaining the prevailing instability in the region Instead they highlight domestic factors as crucial to understanding conflict and co operation in the Middle East Using many examples and looking particularly at Turkey s experiences this study shows why it is essential to mobilize domestic support for co operation amongst countries and regions of the Middle East Without such support from economic and social groups inter governmental co operation is less likely to last

Towards Closer Economic Cooperation in the Middle East, Financial Aspects Şundūq al-Kuwaytī lil-Tanmiyah al-Iqtisādīyah al-‘Arabīyah, 1975 *Regional Economic Cooperation in the Middle East* Randal Alan Slavens, Carleton University. Dissertation. International Affairs, 1998 *China's Economic and Political Presence in the Middle East and South Asia* Mehran Haghiriān, Luciano Zaccara, 2022-09-21 This book explores a range of key issues connected to China s relations with countries in the Middle East and South Asia It discusses economic and political connections and projects which have arisen as part of China s Belt and Road Initiative It covers both important countries in the Middle East and also Pakistan Bangladesh and Afghanistan It examines current contentious issues including Iranian sanctions and the war in Syria and assesses the roles of other powers such as Russia Turkey and Israel insofar as they affect China s relationships Overall the book presents many new perspectives on the subject with many of the perspectives representing the view from the countries of the Middle East and South Asia

Al-Hamad, 1975 **Middle East and Europe** B. A. Roberson, 2005-06-23 Leading commentators on Europe and the Middle East explore many of the key issues which have informed the relationship between the two regions Ranging from Europe's colonial legacies to an uncertain economic future in the region the book covers the Cold War and after the profound influence of the US the rise of political Islam case studies including Europe and the Iranian revolution France's experiences in Algeria and Turkey's position between the two regions The EU it is argued has more influence over economic strategies than security issues in the Middle East These strategies have in turn promoted stability in the form of free trade zones ensuring vital economic development between the Middle East and Europe Economic Development in the Middle East Rodney Wilson, 2021-09-23 This new edition examines how development in the Middle East is being influenced by global economic change This comparative textbook focuses on the region's strengths and highlights development success especially in the Gulf Turkey and Israel The major structural changes in the economies of the Middle East are analysed and current employment challenges are discussed The impact of demographic changes is considered notably the dramatic decline in birth rates which will have implications for future employment The contribution of banks and capital markets to the region's development is appraised including that of Islamic financial institutions which play a prominent role in the Gulf Cooperation Council GCC countries but are on the margins of the financial systems elsewhere Historically development in the GCC was linked to oil and gas production and prices a key issue being whether these are being decoupled as economies diversify and become more self sustaining The evidence on this from the GCC is encouraging with transparent and accountable financial management and major improvements in economic governance despite the lack of democracy Examining the drivers of economic development in the Middle East in a regional and global context this fully updated textbook is a key resource for students and academics interested in economic development and the political economy of the Middle East *Economic Development in the Middle East, 2nd edition* Rodney Wilson, 2012-11-27 By examining economic development in the Middle East in the aftermath of the Arab Spring this textbook introduces undergraduate and postgraduate students to the most pressing and topical economic issues in the contemporary Middle East With comprehensive coverage of the entire region the author examines the economic prospects for the Gulf and charts the growth of economic power in the region Organised thematically a full range of topics are discussed including the role of banks and capital markets in the region's development the impact of demographic changes such as the dramatic decline in birth rates and the implications for future employment the development of economic advances in oil and gas production the effects of the region's economic development on international and inter regional trade Through discussing the region's problems of the past as well as the present and future

challenges this book provides students with a compact and manageable review of the state of economic development in the Middle East **Routledge Handbook on China-Middle East Relations** Jonathan Fulton,2021-12-27 This handbook brings together a mix of established and emerging international scholars to provide valuable analytical insights into how China's growing Middle East presence affects intra regional development trade security and diplomacy As the largest extra regional economic actor in the Middle East China is the biggest source of foreign direct investment into the region and the largest trading partner for most Middle Eastern states This portends a larger role in political and security affairs as the value of Chinese assets combined with a growing expatriate population in the region demands a more proactive role in contributing to regional order Exploring the effect of these developments the expert contributors also consider the reverberations in great power politics as the United States Russia India Japan and the European Union also have considerable interests in the region The book is divided into four sections Historical and policy context State and regional case studies Trade and development International relations security and diplomacy This volume is an essential reference for scholars and policy makers in the fields of international relations political sociology international political economy and foreign policy analysis Area studies specialists in Middle Eastern Studies China Studies and East Asian Studies will also find it an invaluable resource

Economic and Political Impediments to Middle East Peace L. Drake,1999-11-09 The accords and protocols that underlie the Arab and Israeli peace agreements set into place economic policies and political processes so flawed that they are bound to fail The chapters in this volume look at the diplomatic and historical precedents that have led to this situation and they debate some cynically and some sympathetically the reasons why the institutional structures and trade regimes the process has created are so weak But for whatever reason the structural flaws built into the Middle East peace process are not only biased toward the dominant players but against the people who most want peace Economic Cooperation and Middle East Peace Haim Ben-Shahar,Gideon Fishelson,Seev Hirsch,Meir Merhav,1989 An approach to economic development in the Middle East, economic cooperation in Asia Gordon R.
