International Migration, Remittances, and Poverty in Developing Countries Richard H. Adams, John Page, 2003

*Blaming Immigrants* Neeraj Kaushal, 2019-01-08 Immigration is shaking up electoral politics around the world Anti immigration and ultranationalistic politics are rising in Europe the United States and countries across Asia and Africa What is causing this nativist fervor Are immigrants the cause or merely a common scapegoat In *Blaming Immigrants* economist Neeraj Kaushal investigates the rising anxiety in host countries and tests common complaints against immigration Do immigrants replace host country workers or create new jobs Are they a net gain or a net drag on host countries She finds that immigration on balance is beneficial to host countries It is neither the volume nor pace of immigration but the willingness of nations to accept absorb and manage new flows of immigration that is fueling this disaffection Kaushal delves into the demographics of immigrants worldwide the economic tides that carry them and the policies that shape where they make their new homes She demystifies common misconceptions about immigration showing that today's global mobility is historically typical that most immigration occurs through legal frameworks that the U S system far from being broken works quite well most of the time and its features are replicated by many countries and that proposed anti immigrant measures are likely to cause suffering without deterring potential migrants Featuring accessible and in depth analysis of the economics of immigration in worldwide perspective *Blaming Immigrants* is an informative and timely introduction to a critical global issue

**The Age of Migration** Hein de Haas, Stephen Castles, Mark J. Miller, 2019-11-21 Long established as the leading textbook on migration and used by students and scholars alike all over the world this fully revised and updated sixth edition continues to offer an authoritative and cutting edge account of migration flows why they occur and their consequences for both origin and destination societies International migration is one of the most emotive issues of our times reforging societies around the world and shaping debates on security national identity and sovereignty in profound ways The expert authors of this book provide a truly global and interdisciplinary introduction to this perennially important topic with chapters covering all of the world's regions and spanning the nineteenth century to the present day Exploring the significance of migration in relation to recent events and emerging trends from the policies of the European Union to the Great Recession this text helps to shed light on the often large gap between the rhetoric and realities of migration For students of migration studies in disciplines as wide ranging as politics sociology geography area studies
