Einstürzende Neubauten:

Einstürzende Neubauten's Kollaps Melle Jan Kromhout, Jan Nieuwenhuis, 2024-08-22 Perhaps the best musical encapsulation of the Cold War as experienced in the walled city of West Berlin Kollaps is a product of its time while remaining as vital exhilarating and surprising as the day it was released The book explores the contexts themes and influences that shaped Kollaps It describes the early days of Einstürzende Neubauten in West Berlin their infamous live performances and guerilla style recording tactics and the scrap metal banging piercing guitar noise and evocative lyricism that went on to inspire generations of fans Most significantly it explores the desire and deep sense of belonging that is expressed by what Nick Cave called the incredibly mournful haunting nature of this music The beginning of a 40 year career this first burst of energy remains their purest statement

fiction film Reddell assembles a staggering array of movies from sixty years of film history including classics blockbusters B movies and documentaries from the United States Britain France Germany Japan and the Soviet Union all in service to his powerful conception of sound making as a speculative activity in its own right Reddell recasts debates about noise and music while arguing that sound in the science fiction film provides a medium for alien unknown and posthuman sound objects that transform what and how we hear Avoiding genre criticism's tendency to obsess over utopias *The Sound of Things to Come* draws on film theory sound studies and philosophies of technology to advance conversations about the avant garde while also opening up opportunities to examine cinematic sounds beyond the screen *The Parables in Q* Dieter Roth, 2018-05-17 Few New Testament topics have been discussed as often and as intensely as Q the hypothesized second major source alongside the gospel of Mark for the gospels of Matthew and Luke and the parables And yet no monograph to date has been devoted to considering the parables in Q In addition to filling this gap in New Testament scholarship Dieter T Roth addresses the need to move scholarship on both Q and the parables forward along methodological and interpretive lines Roth considers Q not as a text behind Matthew and Luke that needs to be reconstructed but rather as an intertext between Matthew and Luke that offered plots characters and images in parables that were taken up by Matthew and Luke and utilized in their own respective texts In addition Roth draws on recent parables research in his examination of the 27 parables in Q two spoken by John the Baptist one by the Centurion and 24 by Jesus in order to consider their purpose and function in this early Christian text

Neue Deutsche Welle Claudia Lonkin, 2024-04-04 Neue Deutsche Welle NDW or German New Wave was made extraordinarily popular in the 1970s and 1980s by the likes of Nena's 99 Luftballons and Trio's Da Da Da and then left as quickly as it came Conventional wisdom among artists dictates that it's better to burn out than fade away but this doesn't tell the full story of NDW the reason for its rapid rise and fall the historical context that necessitated the genre and where the energy of the NDW movement went after its end The genre has international influences but still demonstrates a uniquely German desire to build a new sanitized identity in the aftermath of World War II Originally quite subversive and underground NDW became exponentially more mainstream until it could no longer sustain itself creatively And rather than disappearing it helped give rise to the post Cold War rave craze and is still an important touchstone in music history *Lonely Planet Berlin* Andrea Schulte-Peevers, 2022-07 Lonely Planet's Berlin is your passport to the most relevant up to date advice on what to see and skip and what hidden discoveries await you Get up close to the Brandenburger Tor visit the Berlin Wall and explore the museums of Museumsinsel all with your trusted travel companion Get to the heart of Berlin and begin your journey now Inside Lonely Planet's Berlin Travel Guide Up to date information all businesses were rechecked before publication to ensure they are still open after 2020's COVID 19 outbreak NEW pull out passport size Just Landed card with wi fi ATM and transport info all you need for a smooth journey from airport to hotel Planning tools for family travellers where to go how to save money plus fun stuff just for kids What's New feature taps into cultural trends and helps you find fresh ideas and cool new
