## **Eisenhower Volume 2 Eisenhower:**

The Papers of Dwight David Eisenhower Dwight David Eisenhower, 1970      **Eisenhower** Carlo D'Este, 2003-05-15  
Casting new light on Dwight David Eisenhower's profound life Eisenhower chronicles the unlikely dramatic rise of the supreme Allied commander 16 page insert 5 maps      *History of American Foreign Policy, Volume 2* Jerald A Combs, 2017-07-28 First Published in 2017 Now thoroughly updated this respected text provides a clear concise and affordable narrative and analytical history of American foreign policy from the revolutionary period to the present This is Volume II and is from 1895 The historiographical essays at the end of each chapter have been revised to reflect the most recent scholarship The History of American Foreign Policy chronicles events and policies with emphasis on the international setting and constraints within which American policy makers had to operate the domestic pressures on those policy makers and the ideologies preferences and personal idiosyncrasies of the leaders themselves      *Eisenhower* Stephen E. Ambrose, 1983 Volume 2 The President A portrait of the man both decent and complex who is increasingly regarded as one of the twentieth century's greatest Presidents Volume two of Ambrose's biography of Dwight D Eisenhower this one covering his years as President of the United States A chronological account of Ike's endeavors successes and many frustrations during the 1950s and 1960s Amazon.com      **The Presidents and the Constitution, Volume Two** Ken Gormley, 2022-09-27 In this sweepingly ambitious volume the nation's foremost experts on the American presidency and the U S Constitution join together to tell the intertwined stories of how each American president has confronted and shaped the Constitution Each occupant of the office the first president to the forty fourth has contributed to the story of the Constitution through the decisions he made and the actions he took as the nation's chief executive By examining presidential history through the lens of constitutional conflicts and challenges The Presidents and the Constitution offers a fresh perspective on how the Constitution has evolved in the hands of individual presidents It delves into key moments in American history from Washington's early battles with Congress to the advent of the national security presidency under George W Bush and Barack Obama to reveal the dramatic historical forces that drove these presidents to action Historians and legal experts including Richard Ellis Gary Hart Stanley Kutler and Kenneth Starr bring the Constitution to life and show how the awesome powers of the American presidency have been shaped by the men who were granted them The book brings to the fore the overarching constitutional themes that span this country's history and ties together presidencies in a way never before accomplished Exhaustively researched and compellingly presented The Presidents and the Constitution shines new light on America's brilliant constitutional and presidential history      **Eisenhower's New-Look National Security Policy, 1953-61** S. Dockrill, 1996-05-21 The New Look sought to formulate a more selective and flexible response to Communist challenges The New Look was not simply a bigger bang for a buck nor merely a device for achieving a balanced budget nor did it amount solely to a strategy of massive retaliation as is commonly assumed Dr Dockrill's incisive revisionist analysis of the subject

throws new light on US ambitious global strategy during the Eisenhower years      Marshall and His Generals Stephen R. Taaffe, 2011-10-18 General George C Marshall chief of staff of the U S Army during World War II faced the daunting task not only of overseeing two theaters of a global conflict but also of selecting the best generals to carry out American grand strategy Marshall and His Generals is the first and only book to focus entirely on that selection process and the performances both stellar and disappointing that followed from it Stephen Taaffe chronicles and critiques the background character achievements and failures of the more than three dozen general officers chosen for top combat group commands from commanders like Dwight Eisenhower and Douglas MacArthur to some nearly forgotten Taaffe explores how and why Marshall selected the Army's commanders Among his chief criteria were character including unselfish and devoted purpose education whether at West Point Fort Leavenworth or the Army War College and striking a balance between experience and relative youth in a war that required both wisdom and great physical stamina As the war unfolded Marshall also factored into his calculations the combat leadership his generals demonstrated and the opinions of his theater commanders Taaffe brings into sharp focus the likes of Eisenhower MacArthur George Patton Omar Bradley Walter Krueger Robert Eichelberger Courtney Hodges Lucian Truscott J Lawton Collins Alexander Sandy Patch Troy Middleton Matthew Ridgeway Mark Clark and twenty five other generals who served in the conflict He describes their leadership and decision making processes and provides miniature biographies and personality sketches of these men drawn from their personal papers official records and reflections of fellow officers Delving deeper than other studies this path breaking work produces a seamless analysis of Marshall's selection process of operational level commanders Taaffe also critiques the performance of these generals during the war and reveals the extent to which their actions served as stepping stones to advancement Ambitious in scope and filled with sharp insights Marshall and His Generals is essential reading for anyone interested in World War II and military leadership more generally      **The A to Z of the Eisenhower Era** Burton I. Kaufman, Diane Kaufman, 2009-10-26 U S Army General Dwight D Eisenhower first entered into the public eye during World War II as the Supreme Commander of the Allied Forces in Europe In 1952 he was elected as the 34th President of the United States and served two terms During those terms he oversaw the cease fire of the Korean War kept up the pressure on the Soviet Union during the Cold War made nuclear weapons a higher defense priority launched the Space Race enlarged the Social Security program and began the Interstate Highway System The A to Z of the Eisenhower Era examines significant individuals organizations and events in American political economic social and cultural history during this era in American history In addition to the hundreds of cross referenced dictionary entries on politics economics diplomacy literature science sports and popular culture a chronology introductory essay and several appendixes are also included in this valuable reference      *Groupthink or Deadlock* Paul A. Kowert, 2012-02-01 The danger of groupthink is now standard fare in leadership training programs and a widely accepted explanation among political scientists for policy making fiascoes Efforts to avoid groupthink however can lead to an even

more serious problem deadlock Groupthink or Deadlock explores these dual problems in the Eisenhower and Reagan administrations and demonstrates how both presidents were capable of learning and consequently changing their policies sometimes dramatically but at the same time doing so in characteristically different ways Kowert points to the need for leaders to organize their staff in a way that fits their learning and leadership style and allows them to negotiate a path between groupthink and deadlock

**The Media Offensive** Alexander G. Lovelace, 2022-05-25 World War II was a media war President Franklin D Roosevelt used the press to a great extent of course but as the war progressed the media also came to influence commanders decisions on the battlefield Rescuing General Douglas MacArthur from the Philippines in deference to public opinion forced the Allies to divide the Pacific War between two competing theaters Omar Bradley s concern over US public opinion convinced General Dwight D Eisenhower to include Americans in the final assault against Axis forces in Tunisia General George S Patton Jr raced across Sicily to gain media attention and British respect General Mark Clark s hunger for publicity and the glory of capturing Rome allowed an entire German army to escape destruction Negative media pressure and the fear of V 1 bombs damaging British morale provided the impetus for the breakout of Normandy and the unsuccessful attempt to liberate the Netherlands in the fall of 1944 British general Bernard Montgomery s remarks to the press during the Battle of the Bulge almost caused him to lose his command and created tremendous ill feelings among the Allies Soon afterward Eisenhower was forced to hold the dangerously exposed city of Strasbourg because of French public opinion By V E Day even Eisenhower was attempting to get more publicity for American as opposed to Allied units The Media Offensive offers a new way to understand military media relations during World War II The press and public opinion shaped not only how the conflict was seen but also how it was fought Alexander Lovelace demonstrates that the US military repeatedly discovered that the best effects resulted from accurate news stories Truthful news reporting defined as news reporting that accurately depicts the events it describes could not be created by the military or even the media but could only emerge through a free press searching for it Lovelace recasts World War II in a new and unique fashion by placing media and public opinion at the center of battlefield decision making Unlike past scholarship on the media during World War II that focused on censorship propaganda or the adventure stories of war correspondents The Media Offensive takes the historiography of war reporting in a new direction In what could be called the new history of war reporting the focus is switched from how the military controlled reporters to how military decisions were shaped by the press

*The General and the Politician* John W. Malsberger, 2014-03-27 As historian and author John W Malsberger writes in *The General and the Politician* Dwight Eisenhower Richard Nixon and American Politics no two political figures could have taken more different routes to the Presidency than did America s 34th and 37th Commanders in Chief Thrown together largely for political convenience by a Republican party struggling to reinvent itself through years of post Depression Democratic dominance Dwight Eisenhower and Richard Nixon came to embody two radically different styles of leadership simultaneously defining

for the American electorate where American politics had been and where they were headed While debate has raged amongst historians over the level of hostility the two men were rumored to harbor for one another there is as Malsberger points out a more accurate reading of their relationship available to us if we examine all the facts Taken in a broader context their relationship was much less a momentary collision of dissident styles and values than a genuine watershed moment in American politics from which our current political spectrum and electorate can trace their roots The General and the Politician thoroughly and accessibly details the intersection of two of 20th Century America s most powerful figures and examines their tenuous but transformative relationship to reveal the origins of political discussions and debates that we re still having today

**Eisenhower for Our Time** Steven Wagner,2024-04-15 Eisenhower for Our Time provides an introduction to the Eisenhower presidency extracting lessons for today s world Steven Wagner proposes that the need to maintain balance defines Eisenhower s presidency Wagner examines a series of defining moments that were among Eisenhower s greatest challenges some of which resulted in his greatest accomplishments the decision to run for president his political philosophy of the Middle Way the creation of a national security policy the French Indochina War Senator Joseph McCarthy the Little Rock Desegregation Crisis the Race for Space and the famous Farewell Address Wagner looks at Eisenhower s executive ability leadership decision making and willingness to compromise as well as the qualities of duty integrity and good character The moments detailed in Eisenhower for Our Time show Eisenhower as a president intimately engaged in the decisions that defined America in his time and that apply to ours today The President s actions place him among the most successful presidents and provide many lessons to guide us in our time and in the future

**Presidential Speechwriting** Kurt Ritter,2004 Annotation The chapters in this book two by former White House speechwriters give insight into the process of presidential speechwriting from Franklin D Roosevelt s administration to Ronald Reagan s

*Patton's War* Kevin M. Hymel,2021-11-01 George S Patton Jr lived an exciting life in war and peace but he is best remembered for his World War II battlefield exploits Patton s War An American General s Combat Leadership November 1942 July 1944 the first of three volumes follows the general from the beaches of Morocco to the fields of France right before the birth of Third Army on the continent In highly engaging fashion Kevin Hymel uncovers new facts and challenges long held beliefs about the mercurial Patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led Using new sources unavailable to previous historians and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton s WWII story

**A Companion to Dwight D. Eisenhower** Chester J. Pach,2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted

Presents a complete picture of Eisenhower's many roles in historical context: the individual, general, president, politician, and citizen. This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history, political science, and policy studies. Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political, international, social, and cultural history.

**Dwight Eisenhower and American Foreign Policy during the 1960s** Richard M. Filipink Jr., 2014-12-24 Dwight Eisenhower had a measurable impact on the foreign policy decisions of his Democratic successors during the 1960s due to his reputation as a military and foreign policy expert as well as his continued popularity when and after he left office. Eisenhower sought to influence his successors' policies for a number of reasons, including his underrated partisanship, his desire to protect the reputation of his administration, and his real concerns about the ability of his successors to successfully counter the communist challenge to American interests. Despite his steadily declining health, Eisenhower played both a public and behind-the-scenes role in shaping American foreign policy during the 1960s that had long-term consequences for the country. This book traces the interactions between Eisenhower and his two successors from the pre-inaugural meetings with John F. Kennedy, their direct contacts on Cuba, the use of intermediaries such as John McCone and General Andrew Goodpastor, and the constant contact initiated by Lyndon B. Johnson. Through these direct and indirect contacts, Eisenhower constrained the choices available to Kennedy and Johnson and shaped the politics and policies of the United States until the final months of his life.

**Eisenhower vs. Warren: The Battle for Civil Rights and Liberties** James F. Simon, 2018-04-10 The epic 1950s battle that would shape the legal future of the civil rights movement is chronicled here for the first time. The bitter feud between President Dwight D. Eisenhower and Chief Justice Earl Warren framed the tumultuous future of the modern civil rights movement. Eisenhower was a gradualist who wanted to coax white Americans in the South into eventually accepting integration, while Warren, author of the Supreme Court's historic unanimous opinion in *Brown v. Board of Education*, demanded immediate action to dismantle the segregation of the public school system. In *Eisenhower vs. Warren*, two-time New York Times Notable Book author James F. Simon examines the years of strife between them that led Eisenhower to say that his biggest mistake as president was appointing that "dumb son of a bitch" Earl Warren. This momentous, poisonous relationship is presented here at last in one volume. Compellingly written, *Eisenhower vs. Warren* brings to vivid life the clash that continues to reverberate in political and constitutional debates today.

**The China Threat** Nancy Bernkopf Tucker, 2014-03-04 Nancy Bernkopf Tucker confronts the coldest period of the cold war, the moment in which personality, American political culture, public opinion, and high politics came together to define the Eisenhower Administration's policy toward China. A sophisticated, multidimensional account based on prodigious, cutting-edge research, this volume convincingly portrays Eisenhower's private belief that close relations between the United States and the People's Republic of China were inevitable and that careful consideration of the PRC should constitute a critical part of American

diplomacy Tucker provocatively argues that the Eisenhower Administration's hostile rhetoric and tough actions toward China obscure the president's actual views Behind the scenes Eisenhower and his Secretary of State John Foster Dulles pursued a more nuanced approach one better suited to China's specific challenges and the stabilization of the global community Tucker deftly explores the contradictions between Eisenhower and his advisors public and private positions Her most powerful chapter centers on Eisenhower's recognition that rigid trade prohibitions would undermine the global postwar economic recovery and push China into a closer relationship with the Soviet Union Ultimately Tucker finds Eisenhower's strategic thinking on Europe and his fear of toxic anticommunist domestic politics constrained his leadership making a fundamental shift in U S policy toward China difficult if not impossible Consequently the president was unable to engage congress and the public effectively on China ultimately failing to realize his own high standards as a leader **George Humphrey, Charles**

**Wilson and Eisenhower's War on Spending** James Worthen,2019-08-30 The first Republican president since the Great Depression Dwight Eisenhower was the victorious supreme allied commander of World War II's European theater but a political novice when he moved into the White House in 1953 To help make domestic policy he recruited two of the country's richest businessmen Cleveland industrialist George Humphrey and General Motors president Charles Wilson with the goals of ensuring American postwar prosperity and developing a defense posture against the nuclear threat of the Soviet Union This book provides the first detailed examination of how Humphrey and Wilson helped shape Eisenhower's policies and priorities Persuasive and charming Treasury Secretary Humphrey was obsessed with cutting spending Defense Secretary Wilson whose departmental funding comprised most of the federal budget bore the brunt of Humphrey's anti spending campaign while struggling to master his brief and control the restive military bureaucracy The frugality of the Humphrey Wilson years manifested in an unambitious domestic agenda and a military that seemed to lag behind the Soviets in key areas leading to disastrous Republican losses in the elections of 1958 and 1960 *Second Front* Marc Milner,2025-05-13 A revelatory new account of the Second World War and how bitter competition between the Allies would shape the postwar world In June 1944 an Allied army of British American and Canadian troops sought to open up a Second Front in Normandy But they were not only fighting to bring the Second World War to an end After decades of Anglo American struggle for dominance they were also contending with one another to determine who would ascend to global hegemony once Hitler's armies fell Marc Milner traces this bitter rivalry as it emerged after the First World War and evolved during the fragile peace which led to the Second American media and domestic politics dominated the Allied powers military strategy overshadowing the contributions of Britain and the remarkably critical role played by Canada in establishing this Second Front Culminating in the decisive Normandy campaign Milner shows how the struggle for supremacy between Churchill and Roosevelt changed the course of the Second World War and how their rivalry shaped our understanding of the Normandy campaign and the war itself

## Decoding **Eisenhower Volume 2 Eisenhower**: Revealing the Captivating Potential of Verbal Expression

In a time characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its power to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Eisenhower Volume 2 Eisenhower**," a mesmerizing literary creation penned by a celebrated wordsmith, readers set about an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book is central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.
