**Eisenstaedt** Alfred Eisenstaedt, Doris C. O'Neil, 1999 A collection of work by the legendary American photographer presents photographs dating from his life in Germany in the 1930s through his long career with Life magazine The Grove Encyclopedia of American Art Joan M. Marter, 2011 Arranged in alphabetical order these 5 volumes encompass the history of the cultural development of America with over 2300 entries The Kissing Sailor Lawrence Verria, George Galdorisi, 2012-05-15 On August 14 1945 Alfred Eisenstaedt took a picture of a sailor kissing a nurse in Times Square minutes after they heard of Japan's surrender to the United States Two weeks later LIFE magazine published that image It became one of the most famous WWII photographs in history and the most celebrated photograph ever published in the world's dominant photo journal a cherished reminder of what it felt like for the war to finally be over Everyone who saw the picture wanted to know more about the nurse and sailor but Eisenstaedt had no information and a search for the mysterious couple's identity took on a dimension of its own In 1979 Eisenstaedt thought he had found the long lost nurse And as far as almost everyone could determine he had For the next thirty years Edith Shain was known as the woman in the photo of V J Day 1945 Times Square In 1980 LIFE attempted to determine the sailor's identity Many aging warriors stepped forward with claims and experts weighed in to support one candidate over another Chaos ensued For almost two decades Lawrence Verria and George Galdorisi were intrigued by the controversy surrounding the identity of the two principals in Eisenstaedt's most famous photograph and collected evidence that began to shed light on this mystery Unraveling years of misinformation and controversy their findings propelled one claimant's case far ahead of the others and at the same time dethroned the supposed kissed nurse when another candidate's claim proved more credible With this book the authors solve the 67 year old mystery by providing irrefutable proof to identify the couple in Eisenstaedt's photo It is the first time the whole truth behind the celebrated picture has been revealed The authors also bring to light the couple's and the photographer's brushes with death that nearly prevented their famous spontaneous Times Square meeting in the first place The sailor part of Bull Halsey's famous task force survived the deadly typhoon that took the lives of hundreds of other sailors The nurse an Austrian Jew who lost her mother and father in the Holocaust barely managed to escape to the United States Eisenstaedt a World War I German soldier was nearly killed at Flanders Encyclopedia of Twentieth-Century Photography, 3-Volume Set Lynne Warren, 2005-11-15 The Encyclopedia of Twentieth Century Photography explores the vast international scope of twentieth century photography and explains that history with a wide ranging interdisciplinary manner This unique approach covers the aesthetic history of photography as an evolving art and documentary form while also recognizing it as a developing technology and cultural force This Encyclopedia presents the important developments movements photographers photographic institutions and theoretical aspects of the field along with information about equipment techniques and practical applications of photography To bring this history alive for the reader the set is illustrated in black and white

throughout and each volume contains a color plate section A useful glossary of terms is also included **Photo-Essays about Asian American Women in Life Magazine 1936 to 1965** Karen L. Ching Carter, 2021-10-12 The editors of Life Magazine a mass produced picture magazine composed picture narratives that entertained informed and influenced mid twentieth century American society Photo Essays about Asian American Women in Life Magazine 1936 to 1965 Hidden Narratives and Breaking Stereotypes is a rhetorical analysis of how Life Magazine s photo essays represented and shaped white American middle class attitudes toward Asian American women In the time period studied 1936 to 1965 most white Americans were exposed to Asian woman primarily through film or in illustrated drawings Hollywood in particular created caricatures depicting Asian women as evil dragon ladies or sex slaves both of which implied prostitution which affected their legal and social standing in early and mid twentieth century America The book illustrates the ways in which the Life editors utilized the photo essay as a narrative art form to counter stereotypical and racist Hollywood depictions of Asian women as prostitutes and to envision them as part of the American middle class thereby promoting a sense of national identity that included Asians as Americans This book will be of interest to scholars in the fields of women s studies cultural studies visual culture Asian American studies and history **Wartime Kiss** Alexander Nemerov, 2013 A deeply personal meditation on the haunting power of American photos and films of the 1940s Wartime Kiss is a personal meditation on the haunting power of American photographs and films from World War II and the later 1940s Starting with a stunning reinterpretation of one of the most famous photos of all time Alfred Eisenstaedt s image of a sailor kissing a nurse in Times Square on V J Day Alexander Nemerov goes on to examine an array of mostly forgotten images and movie episodes from a photo of Jimmy Stewart and Olivia de Havilland lying on a picnic blanket in the Santa Barbara hills to scenes from such films as Twelve O Clock High and Hold Back the Dawn Erotically charged and bearing traces of trauma even when they seem far removed from the war these photos and scenes seem to hold out the promise of a palpable and emotional connection to those years Through a series of fascinating stories Nemerov reveals the surprising background of these bits of film and discovers unexpected connections between the war and Hollywood from an obsession with aviation to Anne Frank s love of the movies Beautifully written and illustrated Wartime Kiss vividly evokes a world in which Margaret Bourke White could follow a heroic assignment photographing a B 17 bombing mission over Tunis with a job in Hollywood documenting the filming of a war movie Ultimately this is a book about history as a sensuous experience a work as mysterious indescribable and affecting as a novel by W G Sebald **The Focal Encyclopedia of Photography** Michael R. Peres, 2013-05-29 This volume is a complete revision of the 1996 third edition shares the ever changing breadth of photographic topics with a special emphasis on digital imaging and contemporary issues Produced by an international team of photographic and imaging experts with collaboration from the George Eastman House the world s oldest photography museum this fourth edition contains essays and photographic reproductions sharing information where photography and imaging serve a primary role ranging from the

atomic to the cosmic

**The Encyclopedia of New York City** Kenneth T. Jackson, Lisa Keller, Nancy Flood, 2010-12-01

Covering an exhaustive range of information about the five boroughs the first edition of The Encyclopedia of New York City was a success by every measure earning worldwide acclaim and several awards for reference excellence and selling out its first printing before it was officially published But much has changed since the volume first appeared in 1995 the World Trade Center no longer dominates the skyline a billionaire businessman has become an unlikely three term mayor and urban regeneration Chelsea Piers the High Line DUMBO Williamsburg the South Bronx the Lower East Side has become commonplace To reflect such innovation and change this definitive one volume resource on the city has been completely revised and expanded The revised edition includes 800 new entries that help complete the story of New York from Air Train to E ZPass from September 11 to public order The new material includes broader coverage of subject areas previously underserved as well as new maps and illustrations Virtually all existing entries spanning architecture politics business sports the arts and more have been updated to reflect the impact of the past two decades The more than 5 000 alphabetical entries and 700 illustrations of the second edition of The Encyclopedia of New York City convey the richness and diversity of its subject in great breadth and detail and will continue to serve as an indispensable tool for everyone who has even a passing interest in the American metropolis

**The Devil's Playground** James Traub, 2007-12-18

As Times Square turns 100 New York Times Magazine contributing writer James Traub tells the story of how this mercurial district became one of the most famous and exciting places in the world The Devil's Playground is classic and colorful American history from the first years of the twentieth century through the Runyonesque heyday of nightclubs and theaters in the 1920s and 30s to the district's decline in the 1960s and its glittering corporate revival in the 1990s First Traub gives us the great impresarios wits tunesmiths newspaper columnists and nocturnal creatures who shaped Times Square over the century since the place first got its name Oscar Hammerstein Florenz Ziegfeld George S Kaufman Damon Runyon Walter Winchell and the Queen of the Nightclubs Texas Guinan bards like A J Liebling Joe Mitchell and the Beats who celebrated the drug dealers and pimps of 42nd Street He describes Times Square's notorious collapse into pathology and the fierce debates over how best to restore it to life Traub then goes on to scrutinize today's Times Square as no author has yet done He writes about the new 42nd Street the giant Toys R Us store with its flashing Ferris wheel the new world of corporate theater and the sex shops trying to leave their history behind More than sixty years ago Liebling called Times Square the heart of the world not just the center of the world though this crossroads in Midtown Manhattan was indeed that but its heart From the dawn of the twentieth century through the 1950s Times Square was the whirling dynamo of American popular culture and increasingly an urban sanctuary for the eccentric and the untamed The name itself became emblematic of the tremendous life force of cities everywhere Today Times Square is once again an awe inspiring place but the dark and strange corners

have been filled with blazing light The most famous street character on Broadway the Naked Cowboy has his own website and Toys R Us calls its flagship store in Times Square the toy center of the universe For the giant entertainment corporations that have moved to this safe clean and self consciously gaudy spot Times Square is still very much the center of the world But is it still the heart Truth Needs No Ally Howard Chapnick,1994 7 Developing Your Portfolio **Fictions of Art History**

Mark Ledbury,2013-10-28 DIV Fictions of Art History the most recent addition to the Clark Studies in the Visual Arts series addresses art history s complex relationships with fiction poetry and creative writing Inspired by a 2010 conference the volume examines art historians viewing practices and modes of writing How the contributors ask are we to unravel the supposed facts of history from the fictions constructed in works of art How do art historians employ or resist devices of fiction and what are the effects of those choices on the reader In styles by turns witty elliptical and plain speaking the essays in Fictions of Art History are fascinating and provocative critical interventions in art history div **The Spitting Image**

Jerry Lembcke,2000-05 How the startling image of an anti war protester spitting on a uniformed veteran misrepresented the narrative of Vietnam War political debate One of the most resilient images of the Vietnam era is that of the anti war protester often a woman spitting on the uniformed veteran just off the plane The lingering potency of this icon was evident during the Gulf War when war supporters invoked it to discredit their opposition In this startling book Jerry Lembcke demonstrates that not a single incident of this sort has been convincingly documented Rather the anti war Left saw in veterans a natural ally and the relationship between anti war forces and most veterans was defined by mutual support Indeed one soldier wrote angrily to Vice President Spiro Agnew that the only Americans who seemed concerned about the soldier s welfare were the anti war activists While the veterans were sometimes made to feel uncomfortable about their service this sense of unease was Lembcke argues more often rooted in the political practices of the Right Tracing a range of conflicts in the twentieth century the book illustrates how regimes engaged in unpopular conflicts often vilify their domestic opponents for stabbing the boys in the back Concluding with an account of the powerful role played by Hollywood in cementing the myth of the betrayed veteran through such films as Coming Home Taxi Driver and Rambo Jerry Lembcke s book stands as one of the most important original and controversial works of cultural history in recent years **Art Books** Wolfgang M.

Freitag,2013-10-28 First published in 1997 For this second edition of Art Books A Basic Bibliography of Monographs on Artists the vast number of new books published since 1985 was surveyed and evaluated This has resulted in the selection of 3 395 additional titles These selections reflective of the increase in the monographic literature on artists during the last ten years are evidence of the activities of a larger number of art historians in more countries worldwide of the increasingly diverse and ambitious exhibition programs of museums whose number has also increased dramatically and also of a lively international art market and the attendant gallery activities The selections of the first edition have been reviewed errors have been corrected and important new editions and reprints have been noted The second edition contains 278 names of artists

## **Eisenstaedt Remembrances Introduction**

In today's digital age, the availability of Eisenstaedt Remembrances books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Eisenstaedt Remembrances books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Eisenstaedt Remembrances books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of

them for educational or professional purposes. By accessing Eisenstaedt Remembrances versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Eisenstaedt Remembrances books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Eisenstaedt Remembrances books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Eisenstaedt Remembrances books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Eisenstaedt Remembrances books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Eisenstaedt Remembrances books and manuals for download and embark on your journey of knowledge?
