Centre de recherches latino-américaines,1994 **La escritora en la sociedad latinoamericana** Luisa Ballesteros Rosas,1997 **Lesbian Voices From Latin America** Elena M. Martínez,2017-10-06 In spite of the attention that Latin American women writers have attracted in recent years a book dedicated exclusively to those writers whose work primarily articulates a lesbian perspective was until now missing The purpose of this book first published in 1996 is to bring attention to and examine the articulation of lesbian themes motifs and issues in the works of these writers It aims to study the problems pertaining to the specific literary representations of lesbianism and to examine the dimensions of a lesbian view in the works By undertaking the study of the works of these women writers this book contributes to the recognition and legitimization of a lesbian literary discourse Spanish grammar Charles Philip Wagner,1910 **Queer Transitions in Contemporary Spanish Culture** Gema Pérez-Sánchez,2012-02-01 Gema P rez S nchez argues that the process of political and cultural transition from dictatorship to democracy in Spain can be read allegorically as a shift from a dictatorship that followed a self loathing homosexual model to a democracy that identified as a pluralized queer body Focusing on the urban cultural phenomenon of la movida she offers a sustained analysis of high queer culture as represented by novels along with an examination of low queer culture as represented by comic books and films P rez S nchez shows that urban queer culture played a defining role in the cultural and political processes that helped to move Spain from a premodern fascist military dictatorship to a late capitalist parliamentary democracy The book highlights the contributions of women writers Ana Mar a Moix and Cristina Peri Rossi as well as comic book artists Ana Juan Victoria Martos Ana Miralles and Asun Balzola Its attention to women s cultural production functions as a counterpoint to its analysis of the works of such male writers as Juan Goytisolo and Eduardo Mendicutti comic book artists Nazario Rub n and Luis P rez Ortiz and filmmaker Pedro Almod var **Historical Dictionary of Latin American Literature and Theater** Richard Young,Odile Cisneros,2010-12-18 The Historical Dictionary of Latin American Literature and Theater provides users with an accessible single volume reference tool covering Portuguese speaking Brazil and the 16 Spanish speaking countries of continental Latin America Argentina Bolivia Chile Colombia Costa Rica Ecuador El Salvador Guatemala Honduras Mexico Nicaragua Panama Paraguay Peru Uruguay and Venezuela Entries for authors ranging from the early colonial period to the present give succinct biographical data and an account of the author s literary production with particular attention to their most prominent works and where they belong in literary history The introduction provides a review of Latin American literature and theater as a whole while separate

dictionary entries for each country offer insight into the history of national literatures. Entries for literary terms, movements, and genres serve to complement these commentaries, and an extensive bibliography points the way for further reading. The comprehensive view and detailed information obtained from all these elements will make this book of use to the general interest reader, Latin American studies students, and the academic specialist.
