latine ,2008 **Latin America** Mauricio Tenorio-Trillo,2020-02-06 Latin America is a concept firmly entrenched in its  
philosophical moral and historical meanings And yet Mauricio Tenorio Trillo argues in this landmark book it is an obsolescent  
racial cultural idea that ought to have vanished long ago with the banishment of racial theory Latin America The Allure and  
Power of an Idea makes this case persuasively Tenorio Trillo builds the book on three interlocking steps first an intellectual  
history of the concept of Latin America in its natural historical habitat mid nineteenth century redefinitions of empire and the  
cultural political and economic intellectualism second a serious and uncompromising critique of the current Latin  
Americanism which circulates in United States based humanities and social sciences and third accepting that we might  
actually be stuck with Latin America Tenorio Trillo charts a path forward for the writing and teaching of Latin American  
history Accessible and forceful rich in historical research and specificity the book offers a distinctive conceptual history of
