Daemon Voices Philip Pullman,2019-09-10 From the internationally best selling author of the His Dark Materials trilogy a spellbinding journey into the secrets of his art the narratives that have shaped his vision his experience of writing and the keys to mastering the art of storytelling One of the most highly acclaimed and best selling authors of our time now gives us a book that charts the history of his own enchantment with story from his own books to those of Blake Milton Dickens and the Brothers Grimm among others and delves into the role of story in education religion and science At once personal and wide ranging *Daemon Voices* is both a revelation of the writing mind and the methods of a great contemporary master and a fascinating exploration of storytelling itself *Hitler and the Nazi Cult of Film and Fame* Michael Munn,2013-05-09 In Nazi Germany the cult of celebrity was the embodiment of Hitler s style of cultural governance Hitler s rise to power owed much to the creation of his own celebrity and the country s greatest stars whether they were actors writers or musicians could be one of only two things If they were compliant they were lauded and awarded status symbols for the regime but if they resisted or were simply Jewish they were traitors to be interned and murdered This fascinating analysis offers a shocking portrait of a Hitler shaped by aspirations to Hollywood style fame of the correlation between art and ambition of films used as weapons and of sexual predilections The Führer believed he was an artist not a politician and in his Germany politics and culture became one His celebrity was cultivated and nurtured by Joseph Goebbels Germany s supreme head of culture Hitler and Goebbels enjoyed the company of beautiful female film stars and Goebbels had his own casting couch In Germany s

version of Hollywood there were scandals starlets secret agents premieres and party politics The Third Reich would launch filmmaker and actress Leni Riefenstahl to prominence by making her its own glorifying documentarian most famously in The Triumph of the Will the innovative propaganda film starring Hitler and widely considered to be one of the greatest movies ever made It is no coincidence that Eva Braun Hitler's longtime partner and wife for the two days leading up to their joint suicide was a photographer and in fact shot most of the surviving photographs and film footage of her lover This book reveals previously unpublished information about the Hitler film which Goebbels envisaged as the greatest story ever told although it was ultimately trumped by the dictator's own real life Wagnerian finale The Politics of Literature in Nazi Germany

Jan-Pieter Barbian,2013-08-29 This is the most comprehensive account to date of literary politics in Nazi Germany and of the institutions organizations and people who controlled German literature during the Third Reich Barbian details a media dictatorship involving the persecution and control of writers publishers and libraries but also voluntary assimilation and preemptive self censorship that began almost immediately under the National Socialists leading to authors forced declarations of loyalty literary propaganda censorship and book burnings Special attention is given to Nazi regulation of the publishing industry and command over all forms of publication and dissemination from the most prestigious publishing houses to the smallest municipal and school libraries Barbian also shows that although the Nazis censored books not in line with Party aims many publishers and writers took advantage of loopholes in their system of control Supporting his work with exhaustive research of original sources Barbian describes a society in which everybody who was not openly opposed to it participated in the system whether as a writer an editor or even as an ordinary visitor to a library Emil and the Detectives Erich
