## **Emily And The Intergalactic Lemonade Stand:**

*Emily and the Intergalactic Lemonade Stand* Ian Smith, 2004 To raise money for a pony Emily has set up a stand selling lemonade squeezed by her robot Juicer She wants to make a profit get rid of robot struck Jace and avoid bratty Daisy But when Earth is about to be invaded by aliens could Emily and Juicer really be the only ones who can stop them Equipping Space Cadets Emily Midkiff, 2022-04-19 Winner of the 2023 Science Fiction Research Association SFRA Book Award 2022 Longlist Nominee for the Best Non Fiction Award from the British Science Fiction Association *Equipping Space Cadets* Primary Science Fiction for Young Children argues for the benefits and potential of primary science fiction or science fiction for children under twelve years old Science fiction for children is often disregarded due to common misconceptions of childhood When children are culturally portrayed as natural and simple they seem like a poor audience for the complex scientific questions brought up by the best science fiction The books and the children who read them tell another story Using three empirical studies and over 350 children's books including *If I Had a Robot Dog* *Bugs in Space* and *Commander Toad in Space* *Equipping Space Cadets* presents interdisciplinary evidence that science fiction and children are compatible after all Primary science fiction literature includes many high quality books that cleverly utilize the features of children's literature formats in order to fit large science fiction questions into small packages In the best of these books authors make science fiction questions accessible and relevant to children of various reading levels and from diverse backgrounds and identities *Equipping Space Cadets* does not stop with literary analysis but also presents the voices of real children and practitioners The book features three studies a survey of teachers and librarians quantitative analysis of lending records from school libraries across the United States and coded read aloud sessions with elementary school students The results reveal how children are interested in and capable of reading science fiction but it is the adults including the most well intentioned librarians and teachers who hinder children's engagement with the genre due to their own preconceptions about the genre and children A Lot of Love Geoff Watson, Ken Knudtsen, 2002 *A Lot of Love* is about a man named Jack Peoples He has what many people would think of as a normal life a high profile well paying job and a beautiful girlfriend He owns his own home and car But Jack is hiding what he truly wants Although he can barely admit it to himself Jack is attracted to extremely obese women Deciding he can't live without one Jack decides to risk everything to explore his obsession and try to make his dream come true *Book Review Index Cumulation* Dana Ferguson, 2005-09 *Book Review Index* provides quick access to reviews of books periodicals books on tape and electronic media representing a wide range of popular academic and professional interests The up to date coverage wide scope and inclusion of citations for both newly published and older materials make *Book Review Index* an exceptionally useful reference tool More than 600 publications are indexed including journals and national general interest publications and newspapers *Book Review Index* is available in a three issue subscription covering the current year or as an annual cumulation covering the past year *Children's Books in Print, 2007*
