Maybe This Time Joan Kilby, 2013-03-05 Just when they thought they were through What are the chances of running into your ex wife on a singles cruise Apparently very high as Darcy Lewis discovers With their messy past surely he and Emma can stay on opposite sides of the ship and leave each other alone They can't Instead they spend a sinfully hot night together Too bad the morning after proves they separated for good reason Even when Emma tells him she's pregnant they decide they're better apart Or are they Because somehow they keep turning to each other for support And it's clear the attraction is still there Maybe this is their second chance a new baby a new chance to make this work

Sasha (Mixed Drinks #1) Rae Matthews,2014-09-03 When it comes to relationships I have really bad luck Each time I meet a guy I cross my fingers and hope he is at least halfway normal I m so tired of dealing with crybabies and freak shows that I could just scream At this point I m so close to just joining a convent taking the vow of chastity and calling it quits with men entirely Well I probably don t need to go to that extreme I mean who am I kidding There s no way I could be a nun But becoming an old crotchety lady with 20 cats lurking around Now THAT is a definite possibility That is until I see him my brown eyed stallion man swooping in to save me from an unforeseen wrinkly old balls attack and then he is gone Well not gone completely because I can t stop fantasizing about him I fantasize about him so much that when I finally do see him again I make a complete and total ass of myself Several times in fact How I do not drop dead of embarrassment right then and there is beyond me So remember I said I have really bad luck Well sit back grab a glass of wine or your favorite mixed drink and let me tell you how it all started and how it all ends
