Emotional Selling Using Emotional Intelligence To Get Sales Paperback:

Emotional Selling David Yule, 2005 It has been estimated that 80% of all buying decisions are based on emotion The key to successful sales is making the right connection with the customer and extracting the right emotional response Emotional Selling sets out a tried and tested technique *Sales EQ* Jeb Blount, 2017-03-02 The New Psychology of Selling The sales profession is in the midst of a perfect storm Buyers have more power more information more at stake and more control over the sales process than any time in history Technology is bringing disruptive change at an ever increasing pace creating fear and uncertainty that leaves buyers clinging to the status quo Deteriorating attention spans have made it difficult to get buyers to sit still long enough to challenge teach help give insight or sell value And a relentless onslaught of me too competitors have made differentiating on the attributes of products services or even price more difficult than ever Legions of salespeople and their leaders are coming face to face with a cold hard truth what once gave salespeople a competitive edge controlling the sales process command of product knowledge an arsenal of technology and a great pitch are no longer guarantees of success Yet this is where the vast majority of the roughly 20 billion spent each year on sales training goes It is no wonder many companies are seeing 50 percent or more of their salespeople miss quota Yet in this new paradigm an elite group of top 1 percent sales professionals are crushing it In our age of technology where information is ubiquitous and buyer attention spans are fleeting these superstars have learned how to leverage a new psychology of selling *Sales EQ* to keep prospects engaged create true competitive differentiation as well as shape and influence buying decisions These top earners are acutely aware that the experience of buying from them is far more important than products prices features and solutions In *Sales EQ* Jeb Blount takes you on an unprecedented journey into the behaviors techniques and secrets of the highest earning salespeople in every industry and field You will learn How to answer the 5 Most Important Questions in Sales to make it virtually impossible for prospects to say no How to master 7 People Principles that will give you the power to influence anyone to do almost anything How to shape and align the 3 Processes of Sales to lock out competitors and shorten the sales cycle How to Flip the Buyer Script to gain complete control of the sales conversation How to Disrupt Expectations to pull buyers towards you direct their attention and keep them engaged How to leverage Non Complementary Behavior to eliminate resistance conflict and objections How to employ the Bridge Technique to gain the micro commitments and next steps you need to keep your deals from stalling How to tame Irrational Buyers shake them out of their comfort zone and shape the decision making process How to measure and increase your own *Sales EQ* using the 15 Sales Specific Emotional Intelligence Markers And so much more *Sales EQ* begins where The Challenger Sale Strategic Selling and Spin Selling leave off It addresses the human relationship gap in the modern sales process at a time when sales organizations are failing because many salespeople have never been taught the human skills required to effectively engage buyers at the emotional level Jeb Blount makes a compelling case that sales specific emotional intelligence *Sales EQ* is more essential to success than

education experience industry awareness product knowledge skills or raw IQ and sales professionals who invest in developing and improving Sales EQ gain a decisive competitive advantage in the hyper competitive global marketplace Sales EQ arms salespeople and sales leaders with the tool

Emotional Intelligence for Sales Success Colleen Stanley, 2012-11-01 Even skilled salespeople buckle in tough selling situations getting defensive with prospects who challenge them on price or too quickly caving to discount pressure These fight or flight responses are something salespeople learn to avoid when building their emotional intelligence Sales trainer and expert Colleen Stanley cites studies that show how emotional intelligence EI is a strong indicator of sales success and offers tips on how you can sharpen your skills and expand your emotional toolkit Increasing your emotional intelligence is a sure way to overcome tough selling encounters In **Emotional Intelligence for Sales Success** you ll learn how to increase impulse control for better questioning and listening which EI skills are related to likability and trust how empathy leads to bigger sales conversations and more effective solutions how emotional intelligence can improve prospecting efforts which EI skills are most common among top sales producers and much more Customers can get product information and price comparisons online The true differentiator between you and a bot is your ability to deftly solve problems and build relationships Emotional intelligence plays a vital role at every stage of the sales process From business development to closing the deal emotional intelligence will drive your performance and your success

Emotional Intelligence for Sales Leadership Colleen Stanley, 2020-06-16 The best way to get ahead in sales is by developing the critical soft skills that will enable you not just survive but thrive Chronic complainers no accountability finger pointers or learning resistant laggards these culture killers costs sales organizations more in productivity than being weak in the so called hard skills of selling Sales leadership expert Colleen Stanley shows how emotional intelligence and the development of these critical soft skills improve sales leadership effectiveness and outperforms doubling down on more sales technology tools and fads In **Emotional Intelligence for Sales Leadership** Colleen provides sales secrets that Shows sales leaders why real world empathy and emotion management are the key to building strong relationships with their sales team Offers simple steps on how sales leaders create sales cultures that embrace feedback and change through the development of critical emotional intelligence skills Provides guidance on how to identify key emotional intelligence skills needed in your hiring process to build resilient sales teams Walks readers through the process of training sales teams on soft skills that ensure the consistent execution of the right selling behaviors The missing link is in hiring for and developing emotional intelligence skills in sellers and sales leaders **Emotional Intelligence for Sales Leadership** will connect with anyone charged with growing sales in business to business or business to consumer sales

Emotional Intelligence for Sales Success Colleen Stanley, 2013 Why do salespeople frequently fail to execute even when they know what they should do

Sales EQ Jeb Blount, 2017-03-20 The New Psychology of Selling The sales profession is in the midst of a perfect storm Buyers have more power more information more at stake and more control over

the sales process than any time in history Technology is bringing disruptive change at an ever increasing pace creating fear and uncertainty that leaves buyers clinging to the status quo Deteriorating attention spans have made it difficult to get buyers to sit still long enough to challenge teach help give insight or sell value And a relentless onslaught of me too competitors have made differentiating on the attributes of products services or even price more difficult than ever Legions of salespeople and their leaders are coming face to face with a cold hard truth what once gave salespeople a competitive edge controlling the sales process command of product knowledge an arsenal of technology and a great pitch are no longer guarantees of success Yet this is where the vast majority of the roughly 20 billion spent each year on sales training goes It is no wonder many companies are seeing 50 percent or more of their salespeople miss quota Yet in this new paradigm an elite group of top 1 percent sales professionals are crushing it In our age of technology where information is ubiquitous and buyer attention spans are fleeting these superstars have learned how to leverage a new psychology of selling Sales EQ to keep prospects engaged create true competitive differentiation as well as shape and influence buying decisions These top earners are acutely aware that the experience of buying from them is far more important than products prices features and solutions In Sales EQ Jeb Blount takes you on an unprecedented journey into the behaviors techniques and secrets of the highest earning salespeople in every industry and field You will learn How to answer the 5 Most Important Questions in Sales to make it virtually impossible for prospects to say no How to master 7 People Principles that will give you the power to influence anyone to do almost anything How to shape and align the 3 Processes of Sales to lock out competitors and shorten the sales cycle How to Flip the Buyer Script to gain complete control of the sales conversation How to Disrupt Expectations to pull buyers towards you direct their attention and keep them engaged How to leverage Non Complementary Behavior to eliminate resistance conflict and objections How to employ the Bridge Technique to gain the micro commitments and next steps you need to keep your deals from stalling How to tame Irrational Buyers shake them out of their comfort zone and shape the decision making process How to measure and increase your own Sales EQ using the 15 Sales Specific Emotional Intelligence Markers And so much more Sales EQ begins where The Challenger Sale Strategic Selling and Spin Selling leave off It addresses the human relationship gap in the modern sales process at a time when sales organizations are failing because many salespeople have never been taught the human skills required to effectively engage buyers at the emotional level Jeb Blount makes a compelling case that sales specific emotional intelligence Sales EQ is more essential to success than education experience industry awareness product knowledge skills or raw IQ and sales professionals who invest in developing and improving Sales EQ gain a decisive competitive advantage in the hyper competitive global marketplace Sales EQ arms salespeople and sales leaders with the tools to identify their most important sales specific emotional intelligence developmental needs along with strategies techniques and frameworks for reaching ultra high performance and earnings regardless of sales process industry deal complexity role inside or outside product or service B2B or B2C Social Smarts

Strategies That Earn Free Book Publicity Anne Hart, 2006-03 Empathy and social smarts help you earn free book publicity by connecting you with key people media schools and the publications of nonprofit agencies As a writer you can promote your own book and earn free book publicity by connecting key people media and nonprofits newsletters with schools Social intelligence used in book promotion is like a three ring circus Use empathy that is people smarts as a catalyst to bring together schools nonprofit agencies and authors Observe simplify and offer commitment as charisma Query editors of nonprofit publications These nonprofit agencies often publish high circulation newsletters and sometimes also publish sizable glossy magazines Some produce videos or documentaries To connect with the nonprofit agencies editors use your social intelligence skills to make connections in the nonprofit agencies public relations and communications departments Join public relations societies national associations and help out the nonprofit agencies or organizations of your choice focusing on what gets published in their magazines or newsletters If you want to earn free publicity for your book supply these editors with facts findings and trends Bring the nonprofits in contact with schools When you talk to school assemblies or classrooms relate your book topic to any specific work or project done by a nonprofit association for whom you could write an article for that association s newsletter or glossy magazine Use social intelligence to connect to people What you need to earn free publicity is self awareness and an understanding of how the main topic of your book influences your own behavior and how others perceive your behavior

How to Sell Steve Radford, 2025-11-24 Selling is changing As AI becomes ever more pervasive your ability to have conversations that customers find enjoyable insightful and productive becomes ever more important How to Sell focuses on conversational rather than consultative selling recognizing a customer s foundational values and emotional wants as well as their more pragmatic needs It will help you build genuine human connection deliver more positive buying experiences and have more effective sales conversations that deliver greater sales results Discover How you need to think six fundamental sales mindsets What you need to know five essential areas of sales knowledge What you need to do seven steps for greater sales conversations This is the essential handbook for frontline salespeople who want to improve and the sales managers and leaders who want to help them Because if you don t know how to sell the benefits of your product service or idea through a short and simple conversation then you don t know how to sell at all
