Mastering Emotions Salome,2020-04-06 A BOOK THAT OFFERS A UNIQUE PERSPECTIVE ABOUT EMOTIONS Putting happiness aside for a moment did you ever wonder where those painful emotions and feelings come from the ones that suddenly rise to the surface out of nowhere leaving one feeling uncomfortable hurting debilitated or depressed Many form beliefs opinions and judgments about self based on feelings either self imposed or reflected by others that may leave one feeling deep emotional hurt or cause one to re experience uncomfortable memories some traumatic events from the past It may only take words an action of another or simply a reflected reminder to set the process in motion As a result it may cause a repetitive reactive hidden memory pattern to surface one that may have stored imprints of emotional hurt experienced from another time Experiencing inner hurt from childhood the author discovered a way to explore and observe these patterns while re experiencing them coming to recognize them as opportunities of healing and release Ultimately inner truths were discovered of what had been hidden behind the fa ade that fear hurt and pain covered up and came to experience more glimpses into the beauty and strength hidden beneath it all where true happiness exists Shared is a very personal journal written in free form expressions of what insights were discovered over a 45 year period of exploring and writing about what emotional hurt had to reveal not only learning how to release hurtful moments but coming to realize pain was but a messenger to get one s attention and that it did It became a journey that sometimes took courage and willingness to be as honest and truthful with self as possible but ultimately formed a deeper trust that this was a healing process not a self punishing one Emotional exploration became moments of opportunity not only to realize why the hurt existed but ways to release and heal putting them to rest Behind the facade were reflective insights lessons and pearls of wisdom hidden within emotion previously ignored either not understood or perhaps due to fear or lack of perceiving what hurt carried repeated until having a willingness to step through the fear of what might be discovered They often proved to be unexpressed emotions either ignored or swallowed carrying unresolved issues seeking a solution that could not be found at the moment of the experience or a simple acknowledgment all as wisdom developing experiences This is a journal of expressions of what those revelations had to teach The ultimate rewards were

increasing moments of a peaceful mind inner wisdom and guidance and freedom in coming to know the true self beneath it all The greatest gift was a heart opening more to love and compassion for self and others and also reveals writings of happier moments that began to emerge along the way **IMPORTANT NOTE** This book is not meant to be a template for someone experiencing deep inner hurt and pain and is strongly advised to first seek professional assistance and guidance It also is not a full on reading book What is shared may offer some potential deeper insights or broader perspectives to similar feelings perhaps assisting in releasing some of what is being carried **From Hurt To Healing** Sullivan Kieran Adam,2024-03-26
