Howard Hughes lived a life that was the stuff of headlines Donald L Barlett and James B Steele s biography is an extraordinary and brilliantly researched work on Hughes s multiple careers his romances with Katharine Hepburn Ava Gardner Lana Turner and Rita Hayworth and his turn away from the world into addictions and secrecy Book jacket **The**

Bartlett, 2012-11 Whether he was courting public attention in the roles of aviator playboy and entrepreneur or shunning it as a recluse Howard Hughes commanded headlines throughout his career Yet the image of his life his power and his business empire that caught the public imagination was almost completely false Hughes s fortune actually came from his father s tool company and later from the Hughes Aircraft Company yet these flourished simply because Hughes was prevented from interfering in their workings In fact Hughes was a disastrous businessman no company under his control ever built a successful aircraft he nearly destroyed TWA and completely destroyed a major film studio and even his gambling empire in Las Vegas was crippled by corruption His personal life was even more disastrous he feared rightly that he was mad and spent most of his fortune and the last 18 years of his life trying to prevent anyone finding out He spent his time naked eating little addicted to drugs and tranquillisers a physical wreck and died surrounded by men who nurtured his madness for their own ends **Next to Hughes** Robert Maheu, 1993-04 Nobody was closer to the source of Howard Hughes s vast influence than

Robert Maheu and nobody witnessed his catastrophic descent more closely Maheu made all Hughes s business deals and represented him and his holdings to the outside world for 13 years Now he tells the shocking true story behind the life and death of this powerful man Photographs **Howard Hughes, His Other Empire, and His Man** Clint Baxter, Jim
