## **Employee And Union Member Guide To Labor Law:**

*Employee and Union Member Guide to Labor Law*, 1981      The Union Member's Complete Guide Michael Mauer, 2001  
An easy to read thorough explanation of what unions are how they work and the rights and responsibilities of membership

**Employee and Union Member Guide to Labor Law**, 1981      *Labor Guide to Labor Law* Bruce S. Feldacker, Michael J. Hayes, 2014-08-12  
*Labor Guide to Labor Law* is a comprehensive survey of labor law in the private sector written from the labor perspective for labor relations students and for unions and their members This thoroughly revised and updated fifth edition covers new statutes current issues and the latest developments in labor and employment law The text emphasizes issues of greatest importance to unions and employees Where the law permits a union to make certain tactical choices those choices are pointed out Material is included on internal union matters that tend to be ignored in management texts Bruce S Feldacker and Michael J Hayes cover applicable labor law principles from a union s initial organizing campaign to the mature bargaining relationship including such subjects as the employee right to engage in protected concerted activity the duty to bargain labor arbitration the use of strikes picketing and other economic weapons in resolving a labor dispute the duty of fair representation internal union regulation and employment discrimination This book is also a useful reference and review for full time union officers and representatives who have a working knowledge of labor law but wish to brush up on certain points as needed in their work Both authors have extensive experience in the construction field and they have been careful to include material on those aspects of labor law that are unique to that field *Labor Guide to Labor Law* is structured to present an unbiased and comprehensive explanation of labor law principles for anyone interested in the field Thus labor relations educators as well as practitioners in the field representing labor management or individual employees should also find the text suitable for their use Each chapter includes a summary review questions and answers a restatement of Basic Legal principles with citations to key cases and a bibliography for additional research

Concepts and Procedures in Whistleblower Law Stephen Kohn, 2000-10-30  
Litigator teacher and scholar Stephen Kohn presents a comprehensive unified examination of the 35 federal laws that protect whistleblowers and their rights plus the common law protections available in each of the 50 states For the first time in one easily accessed volume readers will find the basic principles upon which all whistleblower law is premised Mr Kohn lays out the basic legal principles applicable to almost every whistleblower case such as the scope of protected activity and who qualifies for protection He shows what constitutes discriminatory conduct what type of evidence demonstrates that improper retaliation occurred the burdens of proof on both the employee and employer how to calculate damages and attorney fees common settlement and fundamental procedural issues and much more all in meticulously documented detail and a readable engaging style Built upon Mr Kohn s extensive practical experience and his scholarly research and teaching not only is the book an essential resource for study and analysis of whistleblowing issues but it is also a step by step guide for conceptualizing and litigating them Attorneys with specialties in a wide range of fields

involving whistleblower law and related policy issues will find a thoughtful comprehensive examination and an immediately applicable courtroom aid It will also be important for human resource executives labor union officers and attorneys government contractors and recipients of government grants university and government libraries federal agency executives and specialists public interest and good government organizations and many others who have become fascinated by this relatively new but long time coming branch of the law how it developed and how it is being applied today *Protecting Employees and Retirees in Business Bankruptcies Act of 2007* United States. Congress. House. Committee on the Judiciary. Subcommittee on Commercial and Administrative Law,2009
