Find the Force Be the Light Mary Pompeo,2017-08-21 If there has ever been a time in your life when things got very confusing and maybe even more than a little overwhelming or you were just looking for some guidance and advice on how to navigate the pitfalls of everyday living then having this book to refer to would have been a literal Godsend Even if you are just in need of something to lift your spirits while helping you to get back on your feet again this is a book that you just have to read Whenever life presents you with situations that seem to have no easy answers or you simply feel indecisive while in need of some comforting words of wisdom let the wonderful insights and heartfelt prayers of Mary Pompeo guide you Within an atmosphere of trust and compassion you will come across many subjects that she has helped very many of her clients deal with over the span of her lifetime counselling career This is because Mary has such a wonderful gift for understanding people and how to give them meaningful guidance which then allows them to empower their lives with the confidence and clarity of foresight much of which comes through prayer Prayers as you will see from reading this book are not limited to the province of organised religion There is much more to it than that and you don t have to be at all religious to make good use of them As you will discover your words are always heard by an intelligence which is way beyond the capacity of the human mind to understand Answers are always received but they can often be difficult to appreciate in respect to the gifts which they bring with them In Mary s own words The main reason that I set out to write something of this nature was because I believe

wholeheartedly in the power of prayer In this respect I can confidently assure you of something It s this There is nothing whatsoever that is going on in your life right now which is seemingly so terrible that prayer cannot make it better Life can oftentimes seem harsh and grossly unfair where the challenges which come from being this way can on occasions feel completely overwhelming The act of praying takes on those challenges and infuses them with Divine Creative Energy the very same energy that made our Universe and which continues to power our sun so as to bring the vibrancy of life and brightness to everything Although we have never actually met I can confidently tell you that you are stronger more resourceful and much more powerful than you give yourself credit for There is a light within you which burns brightly even though you have done such a great job of hiding it so well You just need someone to help you find it so that you are able to reconnect with the Universal Force which constantly seeks to guide you back onto the path of enduring happiness and inner peace Prayer is a truly wonderful way to achieve this and so along with my advice I have chosen to share with you my own special way of reaching out to a higher power One that will strive to lift your spirits if only you have the will to manifest this My aim if you allow me to is to show you how to regain control of your life as well as fixing the seemingly unfixable There is nothing that you cannot achieve if you just set your mind to it Find that Force Be that Light Use this book to rise above your challenges dramas and your apparent limitations Be happy and feel loved You absolutely do deserve it The Divine Creative Force wants nothing else other than for you its precious and cherished creation to be this way **Search-light** ,1905
