Dante and Derrida Francis J. Ambrosio, 2012-02-01 Reading Dante's *Commedia* alongside Jacques Derrida's later religious writings Francis J. Ambrosio explores what these works reveal about religion as a fundamental dynamic of human existence about freedom and responsibility and about the significance of writing itself Ambrosio argues that both the many telling differences between them and the powerful bonds that unite them across centuries show that Dante and Derrida share an identity as religious writers that arises from the human experiences of faith hope and love in response to the divine mystery of being human For both Dante and Derrida Ambrosio contends scriptural religion reveals that the paradoxical tension of freedom and absolute responsibility must lead to the mystery of forgiveness a secret that these two share and faithfully keep by surrendering to its necessity to die so as always to begin again anew

Clean of Heart Rosemarie Scott, 2006 *Clean of Heart* is written for practicing Catholics who accept all the teachings of the Church yet are still ensnared by pornography and self abuse There is hope Through the Sacraments God provides all the grace one needs to become pure No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice Our Lord can still break the addiction What makes *Clean of Heart* different First it is written from a Catholic point of view While Evangelical Christians have many books and programs for pornography addicts there are few titles on the market for Catholics *Clean of Heart* consists of forty three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints elements lacking in many Evangelical books Second *Clean of Heart* is a surprisingly chaste book It contains no obscenities or explicit testimonies which may be an occasion of sin for some The focus is on attaining a clean heart rather than recalling past sins

My Fortieth Year Bryan McWhorter, 2016-11-07 *My fortieth year* A look at my mistakes my accomplishments my errors my prayers my discipline from God and the eventual return of my joy from God I feel that my fortieth year was very much a defining point of

my reliance on God I was in similar fashion much like the nation of Israel wandering in the wilderness I was unwilling to completely submit all aspects of my life to God Most specifically My Love Life This book is very much a do as I say not as I do guide Well actually it s a do as God says not as I did guide to dating and to relationships with the opposite sex and to the life lessons learned The consequences of not dating God s way are real I am the living example However God is good merciful and full of grace I am also the living example of His love and His promise to work all things for good to them that love Him

Age of Promises David Thackeray,Richard Toye,2021 Age of Promises explores the issue of electoral promises in twentieth century Britain how they were made how they were understood and how they evolved across time through a study of general election manifestos and election addresses The authors argue that a history of the act of making promises which is central to the political process but which has not been sufficiently analysed illuminates the development of political communication and democratic representation The twentieth century saw a broad shift away from politics viewed as a discursive process whereby at elections it was enough to set out broad principles with detailed policymaking to follow once in office following reflection and discussion Over the first part of the century parties increasingly felt required to compile lists of specific policies to offer to voters which they were then considered to have an obligation to carry out come what may From 1945 onwards moreover there was even more focus on detailed costed pledges We live in an age of growing uncertainty over the authority and status of political promises In the wake of the 2016 EU referendum controversy erupted over parliamentary sovereignty Should the will of the people as manifested in the referendum result be supreme or did MPs owe a primary responsibility to their constituents and or to the party manifestos on which they had been elected Age of Promises demonstrates that these debates build on a long history of differing understandings about what status of manifestos and addresses should have in shaping the actions of government God's Prophetic Symbolism in Everyday Life Adam
