En La Ocho Y La Doce:

En la Ocho Y la Doce Roberto G. Fernández, 2001 An excellent addition to intermediate or advanced level Spanish language or literature courses En la Ocho y la Doce is a collection of microfictions and longer stories that present diverse perspectives on the experience of Cuban emigration to the United States Unlike many intermediate level readers which anthologize standard works this volume presents outstanding authentic literature and themes that are highly relevant to heritage speakers in this country

Cuentos hispanos de los Estados Unidos Julián Olivares, 1998-01-01 The first comprehensive collection of short stories written in Spanish by Hispanic authors of the U S including the full range of cultural expressions from Cuban American Mexican American Puerto Rican and other Hispanic authors

Cuban-American Literature and Art Isabel Alvarez Borland, Lynette M. F. Bosch, 2009-01-26 This groundbreaking collection offers an understanding of why Cuban American literature and visual art have emerged in the United States and how they are so essentially linked to both Cuban and American cultures The contributors explore crucial issues pertinent not only to Cuban American cultural production but also to other immigrant groups hybrid identities biculturation bilingualism immigration adaptation and exile The complex ways in which Cuban Americans have been able to keep a living memory of Cuba while developing and thriving in America are both intriguing and instructive These essays written from a variety of perspectives range from useful overviews of fictional and visual works of art to close readings of individual texts

One Island, Many Voices Eduardo R. del Rio, 2022-04-12 Cuban American writers have been studied primarily within the context of Latino literature as a whole Seeing a need to distinguish and define this unique literary perspective Eduardo del Rio selected twelve important well known authors and conducted interviews He chose writers who were born in Cuba but have lived in the United States for a significant amount of time and whose works include themes he considers elemental to Cuban American literature identity duality memory and exile But rather than a cohesive homogeneous group these conversations unveiled a kaleidoscope of individuality style and motive The authors bonds to Cuba inform their creative work in vastly different ways and attempts to categorize their similarities only highlight the range of character and experience within this assemblage of talented writers From playwright Dolores Prida to author and literary critic Gustavo P rez Firmat these voices run the gamut of both genre and personality In addition to the essential facts of literary accomplishment the interviews include a wealth of insight into each writer s history motivations concerns and relationship to language These personal details serve to humanize and illuminate the unique circumstances and realities that have shaped both the authors and their work What del Rio has ultimately brought together is a series of intimate sketches that will not only serve as an important reference for any discussion of the literature but will also help readers to develop for themselves a sense of what Cuban American writing is and what it is not
