La ciudad de México: una historia Gruzinski, Serge, 2022-03-27 Para ordenar la historia de la gran megalopolis en que se ha convertido la ciudad de México el autor ha elegido el camino inverso al que tradicionalmente adopta el historiador en lugar de partir de los orígenes empieza su recorrido en la moderna ciudad del siglo XX para retroceder en el tiempo hasta llegar a la gran Tenochtitlán y regresar después a la actual metrópoli posmoderna El autor nos descubre la ciudad a través de su arquitectura sus fiestas su música su cine y demás manifestaciones culturales *La ciudad de México* Serge Gruzinski, 2004-01-01 In order to organize the history of the great megalopolis that has become the city of Mexico the author has chosen the opposite approach to that traditionally adopted by the historian instead of beginning with its origins the journey begins in the modern 20th century city and goes back in time to arrive in the great Tenochtitlán and to later return to the present post modern metropolis The author reveals the city for us through its architecture its celebrations its music its cinema and other cultural forms of expression Teatro.- Vol. 2. have reformulated zarzuela combining elements of the Spanish model with local characters music dances and political perspectives The settings Sturman considers include Argentina Mexico Puerto Rico and the American cities of El Paso Miami and New York Sturman also demonstrates how the zarzuela plays a role in defining American urban ethnicity She offers a glimpse into two longstanding theaters in New York Repertorio Espa ol and the Thalia Spanish Theatre that have fostered the tradition of zarzuela mounting innovative productions and cultivating audiences Sturman constructs a profile of the audience that supports modern zarzuela and examines the extensive personal network that sustains it financially Just as the zarzuela afforded an opportunity in the past for Spaniards to assert their individuality in the face of domination by Italian and central European musical standards it continues to stand for a distinctive Hispanic legacy Zarzuela provides a major advance in recognizing the enduring cultural and social significance of this resilient and adaptable genre **60 años de rock**
