Nathan N. Prefer

Eisenhower And Berlin 1945 The Decision To Halt At The Elbe:

Eisenhower and Berlin, 1945 Stephen E. Ambrose, 2000 Historian Ambrose studies the political and military aspects of Eisenhower's decision to leave Berlin to the Russian army in the waning days of the European War **Book Analysis of Eisenhower and Berlin, 1945 the Decision to Halt at the Elbe** Jeffery R. Merkins, AIR COMMAND AND STAFF COLLEGE MAXWELL AFB AL., 1988 This project looks at General Eisenhower's decision in 1945 to halt the Allies at the Elbe River The analysis describes and analyzes this historical decision to determine if General Eisenhower's approach in making this decision is a good example for today's military leaders The analysis conclusion is General Eisenhower utilizing his leadership traits of self confidence certainty of belief and emphasis on teamwork made an excellent decision to halt at the Elbe River The lesson to be learned from General Eisenhower's decision process is the importance of the teamwork concept to a leader in a Joint environment Dwight Eisenhower and the Holocaust Jason Lantzer, 2023-10-24 Dwight Eisenhower's encounter with the Holocaust altered how he understood the Second World War and shaped how he led the United States and the Western Alliance during the Cold War This book is the first to blend scholarship on Eisenhower World War II and the Holocaust together constructing a narrative that offers new insights into all three all while uncovering the story of how he became among the first to vow that such atrocities would never again be allowed to happen From the moment he stepped foot in the concentration camp Ohrdruf in April 1945 defeating Nazi Germany took on a moral hue for Eisenhower that had largely been absent before It spurred the belief that totalitarianism in all its forms needed to be confronted This conviction shaped his presidency and solidified American engagement in the postwar world Putting these pieces of the story together alters how we view and understand the second half of the twentieth century **Eisenhower's Thorn on the Rhine** Nathan N. Prefer, 2015-10-19 The difficult fighting in the Colmar Pocket is brought to vivid life in this WWII chronicle of the Allied 6th Army Group WWII History By the fall of 1944 the Western Allied forces appeared to be unstoppable The summer's Normandy invasion had driven the Germans out of northern France and most of the Low Countries In September they liberated France's southern coast with little opposition Then Allied divisions began lining up along the Rhine While the Americans met a nasty surprise in the Ardennes the Germans also held on to the province of Alsace maintaining a hard pocket around the city of Colmar On New Year's Eve they launched Operation Northwind a counteroffensive that nearly put Allied forces back on their heels On January 12 1945 Eisenhower could only tell George Marshall that Colmar was a very bad thorn in our side today This is the story of the Sixth Army Group a unit that combined US and French forces and its unexpectedly bloody and protracted battle for the Colmar Pocket Amidst a horrific winter and rough terrain interspersed by demolished towns the Allied Army Group traded blows with the German 19th in a ferocious campaign This book informs us fully of the tremendous and costly struggle waged in an often neglected sector of World War II's European Theater *US Army in WW II: The Last Offensive (Paperback)* , **The Last Offensive** Charles Brown MacDonald, 1973 Ike the Soldier

Merle Miller, 2018-04-24 From the bestselling author of *Plain Speaking* and *Lyndon* comes this vivid and consistently absorbing record of Dwight D Eisenhower's military career Kirkus Reviews Bringing together thousands of hours of interviews with the men and women who were closest to him Merle Miller has constructed a revealing and personal biography of the man who would become the supreme commander From his childhood in Kansas to West Point World War I and Europe where he led the Allied Forces to a hard won victory in World War II Ike the Soldier goes behind the historic battles and into the heart and mind of Ike Eisenhower Miller has crafted the defining biography on the life of the thirty fourth president bringing more depth to the man many thought they knew His strained relationships with his father brothers and son are brought into focus as well as his love affair with his wife Mamie and his relationship with Kay Summersby his driver turned companion and confidante during WWII An informed and balanced tribute to a world class leader whose remarkable character gains greater luster with the passage of time Kirkus Reviews This is a highly enjoyable look at Ike's personal and official relationships with the people most important to him during the first 55 years of his life including family Army and Allied colleagues and heads of state Publishers Weekly *Central Europe* Edward N. Bedessem, 1996 CMH Pub 72 36 Focuses on the U S Army's campaign in Central Europe from March to May 1945 with accompanying suggestions for further reading One of a series of campaign studies commemorating the 50th anniversary of World War II World War II resources collection can be found here <https://bookstore.gpo.gov/catalog/us/military/history/battles/wars/world-war-ii/europe> product collection is available here <https://bookstore.gpo.gov/catalog/international/foreign-affairs/europe> Other products produced by the U S Army Center of Military History CMH can be found here <https://bookstore.gpo.gov/agency/1061>

Stephen E. Ambrose The Men of War E-book Box Set Stephen E. Ambrose, 2013-06-11 This ebook box set includes books by Stephen E Ambrose that bring into focus the men and women who fought in World War II *The Victors* A breathtaking work that follows the momentous events of the war from D Day through to the final days centering this epic drama on the citizen soldiers the boys who became men as they fought proving eventually unbeatable A compelling celebration of military genius and heroism and of camaraderie and courage *Citizen Soldiers* A riveting account that follows the individual characters of World War II from the high command down to the ordinary soldier drawing on hundreds of interviews to re create the war experience with startling clarity and immediacy From the hedgerows of Normandy to the overrunning of Germany this is the real story of World War II from the perspective of the men and women who fought it *Wild Blue* Following this exceptional band of brothers the young men who flew the B 24s over Germany in World War II against terrible odds Ambrose recounts their extraordinary brand of heroism skill daring and comradeship with the vivid detail and affection

World War II in Literature for Youth Patricia Hachten Wee, Robert James Wee, 2004-11-10 This comprehensive volume provides a wealth of information with annotated listings of more than 3 500 titles a broad sampling of books on the war years 1939 1945 Includes both fiction and nonfiction works about all aspects of the war Professional resources for educators aligned to the educational

A Companion to American Military History James C. Bradford, 2009-11-03 With more than 60 essays A Companion to American Military History presents a comprehensive analysis of the historiography of United States military history from the colonial era to the present Covers the entire spectrum of US history from the Indian and imperial conflicts of the seventeenth century to the battles in Afghanistan and Iraq Features an unprecedented breadth of coverage from eminent military historians and emerging scholars including little studied topics such as the military and music military ethics care of the dead and sports Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and identifies areas where conflicting interpretations are in need of further study

The Vision of Anglo-America Henry Butterfield Ryan, 2004 This study demonstrates the importance of the decline of British power in the creation of the Cold War

The Axmann Conspiracy Scott Andrew Selby, 2021-07-28 Reads like a thriller As timely as it is chilling and engrossing 1 New York Times bestselling author Dean Koontz The Axmann Conspiracy is the previously untold true story of the Nazi threat that continued in the wake of World War II the espionage that defeated it and two fascinating men whose lives forever altered the course of post war Germany A trusted member of Hitler's inner circle Artur Axmann the head of the Hitler Youth Hitlerjugend witnessed the Führer commit suicide in his Berlin bunker but he would not let the Reich die with its leader He led a group of Nazis including Martin Bormann intent on escaping the encircling Red Army Evading capture during the Battle of Berlin and with access to remnants of the regime's wealth Axmann had enough adult followers to reestablish the Nazi party in the very heart of Allied occupied Germany U S Army Counter Intelligence Corps Officer Jack Hunter was the perfect undercover operative Fluent in German he posed as a black marketeer to root out Nazi sympathizers and saboteurs after the war and along with other CIC agents uncovered the extent of Axmann's conspiracy It threatened to bring the Nazis back into power and the task fell to Hunter and his team to stop it

The SAGE Encyclopedia of War: Social Science Perspectives Paul Joseph, 2016-06-15 Traditional explorations of war look through the lens of history and military science focusing on big events big battles and big generals By contrast The SAGE Encyclopedia of War Social Science Perspective views war through the lens of the social sciences looking at the causes processes and effects of war and drawing from a vast group of fields such as communication and mass media economics political science and law psychology and sociology Key features include More than 650 entries organized in an A to Z format authored and signed by key academics in the field Entries conclude with cross references and further readings aiding the researcher further in their research journeys An alternative Reader's Guide table of contents groups articles by disciplinary areas and by broad themes A helpful Resource Guide directing researchers to classic books journals and electronic resources for more in depth study This important and distinctive work will be a key reference for all researchers in the fields of political science international relations and

sociology General George S. Patton and the Art of Leadership William Nester, 2025-03-30 For General George S Patton Leadership is the thing that wins battles I have it but I ll be damned if I can define it Probably it consists in knowing what you want to do and then doing it and getting mad if anyone steps in the way Self confidence and leadership are twin brothers Indeed Patton excelled at virtually every dimension of leadership most vitally as a war commander His record as a general is clear The larger more armored and better supplied his armies and the freer he was to decide what to do with them the more rapid and further they advanced to inflict more defeats on the enemy In that no other American army commander matched him during World War II That ranks Patton among the Valhalla of America s greatest generals with him most resembling Thomas Stonewall Jackson and Nathan Bedford Forrest as a fast moving hard hitting commander who repeatedly outflanked and devastated enemy forces Patton led from the front and tried to inspire his troops by being a model officer who exemplified bravery problem solving tactical brilliance and decisiveness He was in near constant motion from his headquarters to rear echelon and front line troops everywhere exhorting them to greater efforts and overcoming challenges at times enduring shell fire strafing mines snipers and other dangers His greatest attribute was his drive to be the best at whatever he chose or was ordered to do He recognized that developing a successful military career depended not just on will and chance but on incessant training and study Yet he believed that instincts were just as vital as skills in being a successful leader I have a sixth sense in war and can put myself in the enemies head and I am also willing to take chances Patton harbored plenty of flaws He was a narcissist who constantly strove to be center stage and outshine his rivals He contrived an idealized version of himself as the epitome of the brilliant general and fearless soldier immaculately dressed and spent his life playing that role He was a braggart who regaled listeners with at times exaggerated tales of his past deeds and those yet to come His boasting did have one positive element He sought to surpass his past glories with greater future victories Patton seesawed between elation and despair rage and compassion He could chew out a subordinate for some mistake in the morning and comfort him for a similar mistake in the afternoon His quick temper and provocative views often overpowered his self control Twice that cost him an army command During Germany s occupation in August 1945 he casually quipped to several reporters that being a Nazi in Germany was no different from being a Republican or Democrat in the United States For that Eisenhower relieved him from Third Army s command Most notoriously during the Sicily campaign he slapped two soldiers suffering combat fatigue that he accused of malingering General George S Patton and the Art of Leadership is his most psychologically penetrating biography that captures the paradoxical character behind his brilliant military feats and often dismaying failures Throughout Patton explains his values and deeds through hundreds of quotes along with scores of insights from those who knew him comrades and critics alike U.S. Army Intelligence in Germany, 1944-1949 Thomas Boghardt, 2023-11-06 The American military occupation of Germany lasted five years During this time Germany made great strides along the road from fascism to democracy Europe became the fulcrum of the Cold War and the United States

emerged as a global superpower This book corrects numerous misunderstandings and fills many gaps in our knowledge about the occupation The Awesome Power Richard F. Haynes, 1999-03-01 Since World War II the importance of the military command function of the American presidency has increased dramatically U S chief executives have emerged virtually unchecked as wielders of enormous military power The Awesome Power the first comprehensive study of Harry S Truman as commander in chief is an important and highly relevant book especially in view of the growing concern over the president s ability to wage war without the consent of either the Congress or the American people A selective chronicle of the events in which Truman s decisions were of historic significance the book analyzes his decision making process in terms of the information available to him the existing pressures and the relationship of his decisions to his own well defined concepts of how a commander in chief should function The author gives a detailed account of the events and circumstances leading up to Truman s most significant decision to use the atomic bomb against Japan He also examines Truman s decisions on postwar civilian control of atomic energy his intervention in Korea his leadership in the Cold War and his conflict with General Douglas MacArthur whose opposition to the president s limited war policies endangered the very basis of the civil military relationship Based in part on research in classified documents previously untapped by nongovernmental researchers The Awesome Power is a thorough treatment of a subject of great contemporary significance with one of the most fascinating characters in American political history as its central figure **Franklin D. Roosevelt and the Art of Leadership** William Nester, 2024-06-30 Scholar William Nester explores Franklin D Roosevelt s character personality and presidential power After their independence and civil wars Americans never faced a greater threat than the sixteen years of global depression followed by global war from 1929 to 1945 Franklin Delano Roosevelt was the president for the last dozen of those years during which he led the nation first to alleviate the Great Depression then led an international alliance that vanquished the fascist powers during the Second World War Along the way he established the modern presidency with centralized powers to make and implement domestic and foreign policies He was naturally a master politician who eventually through daunting trials and errors became an accomplished statesman For all that historians regularly rank Roosevelt among the top three presidents Yet most historians and countless others criticize Roosevelt for an array of things that he did or failed to do Conservatives lambast him for creating a welfare state and trying to pack federal courts with liberal judges while liberals condemn him for interning 120 000 Japanese Americans during the war and doing little to advance civil rights for African Americans Critics blister war commander Roosevelt for caving into strategies demanded by powerful leaders that squandered countless lives and treasure in literal and figurative dead ends These include Prime Minister Churchill s push to invade the Italian peninsula and General MacArthur s determination to recapture the Philippines At times his policies violated his principles Like President Wilson during the Second World War Roosevelt championed self determination but not for every nation He badgered Churchill to break up Britain s empire while bowing to Stalin s brutal communist conquest of

eastern Europe And those are just the opening barrages against Roosevelt Although he won four presidential elections with overwhelming majorities nearly as many people reviled him as they adored him Franklin D Roosevelt and the Art of Leadership explores the dynamic among Roosevelt s character personality and presidential power with which he asserted policies that overcame first the Great Depression and then the Axis powers during the Second World War Along the way the book raises and answers key questions What were Roosevelt s leadership skills and how did he develop them over time Which New Deal policies succeeded which failed and what explains those results Which war strategies succeeded which failed and what explains those results What policies rooted in Roosevelt s instincts proved to be superior to alternatives grounded in thick official reports advocated by his advisors Finally how does Roosevelt rank as an American and global leader From Roosevelt to Truman Wilson D. Miscamble,2007 On April 12 1945 Franklin Roosevelt died and Harry Truman took his place in the White House Historians have been arguing ever since about the implications of this transition for American foreign policy in general and relations with the Soviet Union in particular Was there essential continuity in policy or did Truman s arrival in the Oval Office prompt a sharp reversal away from the approach of his illustrious predecessor This study explores this controversial issue and in the process casts important light on the outbreak of the Cold War From Roosevelt to Truman investigates Truman s foreign policy background and examines the legacy that FDR bequeathed to him After Potsdam and the American use of the atomic bomb both of which occurred under Truman s presidency the US floundered between collaboration and confrontation with the Soviets which represents a turning point in the transformation of American foreign policy This work reveals that the real departure in American policy came only after the Truman administration had exhausted the legitimate possibilities of the Rooseveltian approach of collaboration with the Soviet Union **The Era of World War II** Roy Barnard,1977

Immerse yourself in the artistry of words with Crafted by is expressive creation, Discover the Artistry of **Eisenhower And Berlin 1945 The Decision To Halt At The Elbe** . This ebook, presented in a PDF format (*), is a masterpiece that goes beyond conventional storytelling. Indulge your senses in prose, poetry, and knowledge.
