## **Eisenhower The Anti Communist Crusade:**

**Eisenhower & the Anti-communist Crusade** Jeff Broadwater,1992 Eisenhower and the Anti Communist Crusade

*The UAW and the Heyday of American Liberalism, 1945-1968* Kevin Boyle,1995-11-21 Kevin Boyle has done a masterful job of identifying the unique contribution of the UAW not only to American Liberalism but also to the nation and to all people As contemporary labor and society at large search for new directions this book should be required reading Victor G Reuther

Encyclopedia of U.S. campaigns, elections, and electoral behavior Kenneth F. Warren,2008-04-04 These approximately 450 articles explore all topics relevant to American political campaigns elections and electoral behaviour including some cross cultural comparisons to help place American trends in a global context **The Eisenhower Presidency, 1953-1961**

Richard Damms,2016-09-17 This seminar study examines the Eisenhower presidency The author argues that the presidency marked an important stage in the evolution of modern America but left a decidedly mixed legacy for future presidents Domestically Eisenhower pursued a middle way Imbued with a profound distrust of politics and politicians Eisenhower sought as much as possible to concentrate public policy making in the hands of an enlightened elite of public and private experts Internationally Eisenhower s policies exacerbated the nuclear arms race institutionalised the Cold War and extended the East West struggles to new arenas in the Third World This new account offers an up to date synthesis of this newly emerging literature and reviews Eisenhower s record from the mishandling of the Civil Rights movement to the escalation of the arms race and the intensification of the Cold War The Roots of Modern Conservatism Michael Bowen,2011-09-26 Between 1944 and 1953 a power struggle emerged between New York governor Thomas Dewey and U S senator Robert Taft of Ohio that threatened to split the Republican Party In *The Roots of Modern Conservatism* Michael Bowen reveals how this two man battle for control of the GOP and the Republican presidential nomination escalated into a divide of ideology that ultimately determined the party s political identity Initially Bowen argues the separate Dewey and Taft factions endorsed fairly traditional Republican policies However as their conflict deepened the normally mundane issues of political factions such as patronage and fund raising were overshadowed by the question of what true Republicanism meant Taft emerged as the more conservative of the two leaders while Dewey viewed Taft s policies as outdated Eventually conservatives within the GOP organized against Dewey s leadership and emboldened by the election of Dwight Eisenhower transformed the party into a vehicle for the Right Bowen reveals how this decade long battle led to an outpouring of conservative sentiment that had been building since World War II setting the stage for the ascendancy of Barry Goldwater and the modern conservative movement in the 1960s **For the Soul of Mankind** Melvyn P. Leffler,2008-09-02 A masterful account of the Cold War by a distinguished historian in full stride G John Ikenberry *Foreign Affairs* To the amazement of the public pundits and even the policymakers themselves the ideological and political battles that endangered the world for half a century came to an end in 1990 How did that happen What caused the cold war in the first place and why did it last as long as it did To answer these

questions Melvyn P Leffler homes in on four crucial episodes when American and Soviet leaders considered modulating avoiding or ending their global struggle for the soul of mankind and asks why they failed Stalin and Truman devising new policies after 1945 Malenkov and Eisenhower exploring the chance for peace after Stalin's death in 1953 Kennedy Khrushchev and LBJ trying to reduce tensions after the Cuban Missile Crisis of 1962 and Brezhnev and Carter aiming to sustain détente after the Helsinki Conference of 1975 Leffler then illuminates how Reagan Bush and above all Gorbachev managed to extricate themselves from the policies and mind sets that had imprisoned their predecessors making it possible to reconfigure Soviet American relations after decades of confrontation Praise for *For the Soul of Mankind* A sweeping work Leffler is one of America's most distinguished cold war historians and this enlightening readable study is the product of years of research and reflection Jonathan Rosenberg *The Christian Science Monitor* Leffler has produced possibly the most readable and insightful study of the Cold War yet Publishers Weekly starred review Professor Leffler has the benefit of almost two decades of hindsight as well as access to recently declassified American and Soviet documents The result is a series of fresh and often provocative perspectives on the struggle Booklist

**God in Eisenhower's Life, Military Career, and Presidency** Jerry Bergman, 2019-03-22 As the Supreme Allied Commander in the fight against the Nazis General Dwight Eisenhower was one of the most important leaders of the last century His position as a five star general was crucial in achieving a positive outcome in World War II Today he is considered one of the most respected US presidents but the critical role that his religious beliefs played in his life and work is widely ignored As one historian wrote Eisenhower was the most religious president in the twentieth century He was critical in influencing the nation's enlarged accommodation to faith specifically the Christian faith The central role Eisenhower's faith played in his life from growing up in Abilene Kansas to becoming the most powerful leader in the world is thoroughly documented for the first time in this book Indeed Eisenhower's belief in God made him who he was and allowed him to achieve the work that made him one of the most respected leaders of the free world This book sets the record straight about common erroneous beliefs concerning President Eisenhower and his family It is necessary to understand the forces that shaped him so we can put his life and many achievements into perspective *Eisenhower's New-Look National Security Policy, 1953-61* S. Dockrill, 1996-05-21 The New Look sought to formulate a more selective and flexible response to Communist challenges The New Look was not simply a bigger bang for a buck nor merely a device for achieving a balanced budget nor did it amount solely to a strategy of massive retaliation as is commonly assumed Dr Dockrill's incisive revisionist analysis of the subject throws new light on US ambitious global strategy during the Eisenhower years

**Grand Expectations** James T. Patterson, 1996-04-18 Beginning in 1945 America rocketed through a quarter century of extraordinary economic growth experiencing an amazing boom that soared to unimaginable heights in the 1960s At one point in the late 1940s American workers produced 57 percent of the planet's steel 62 percent of the oil 80 percent of the automobiles The U S then had three fourths of the world's gold supplies English Prime Minister

Edward Heath later said that the United States in the post War era enjoyed the greatest prosperity the world has ever known. It was a boom that produced a national euphoria, a buoyant time of grand expectations and an unprecedented faith in our government, in our leaders and in the American dream, an optimistic spirit which would be shaken by events in the 60s and 70s and particularly by the Vietnam War. Now in *Grand Expectations*, James T. Patterson has written a highly readable and balanced work that weaves the major political, cultural and economic events of the period into a superb portrait of America from 1945 through Watergate. Here is an era teeming with memorable events: from the bloody campaigns in Korea and the bitterness surrounding McCarthyism to the assassinations of the Kennedys and Martin Luther King to the Vietnam War, Watergate and Nixon's resignation. Patterson excels at portraying the amazing growth after World War II: the great building boom epitomized by Levittown, the largest such development in history; and the baby boom which exploded literally nine months after V J Day, as well as the resultant buoyancy of spirit reflected in everything from streamlined toasters to big flashy cars to the soaring butterfly roof of TWA's airline terminal in New York. And he shows how this upbeat can do mood spurred grander and grander expectations as the era progressed. Of course not all Americans shared in this economic growth and an important thread running through the book is an informed and gripping depiction of the civil rights movement: from the electrifying *Brown v Board of Education* decision to the violent confrontations in Little Rock, Birmingham and Selma to the landmark civil rights acts of 1964 and 1965. Patterson also shows how the Vietnam War, which provoked LBJ's growing credibility gap, vast defense spending that dangerously unsettled the economy and increasingly angry protests, and a growing rights revolution including demands by women, Hispanics, the poor, Native Americans and gays triggered a backlash that widened hidden rifts in our society, rifts that divided along racial, class and generational lines. And by Nixon's resignation we find a national mood in stark contrast to the grand expectations of ten years earlier, one in which faith in our leaders and in the attainability of the American dream was greatly shaken.

*The Oxford History of the United States*

*The Oxford History of the United States* is the most respected multi-volume history of our nation. The series includes three Pulitzer Prize winners, a New York Times bestseller and winners of the Bancroft and Parkman Prizes. *The Atlantic Monthly* has praised it as the most distinguished series in American historical scholarship, a series that synthesizes a generation's worth of historical inquiry and knowledge into one literally state-of-the-art book. Conceived under the general editorship of C. Vann Woodward and Richard Hofstadter and now under the editorship of David M. Kennedy, this renowned series blends social, political, economic, cultural, diplomatic and military history into coherent and vividly written narrative.

*Strait Rituals* Pang Yang Huei, 2019-03-01

The two Taiwan Strait crises took place during a particularly tense period of the Cold War. Although each incident was relatively brief, their consequences loom large. Based on analyses of newly available documents from Beijing, Taipei and Washington, Pang Yang Huei challenges conventional wisdom that claims Sino-US misperceptions of each other's strategic concerns were critical in the 1950s. He underscores the fact that Washington, Taipei and Beijing were actually aware of one another's

strategic intentions during the crises He also demonstrates conclusively that both crises can be understood as a transformation from tacit communication to tacit accommodation An important contribution of this study is a better understanding of the role of ritual symbols and gestures in international relations While it is true that these two crises resulted in a stalemate the fact that all parties were able to cultivate talks and negotiations brought relations especially between the US and China to a new and more stable level Simply averting the threat of war was a major achievement Strait Rituals is an important micro history of a significant moment during the Cold War and a rich interpretation of the theoretical use of multiple points of view in writing history It sets a new standard for understanding China's place in the world Strait Rituals is a solidly detailed and thoroughly footnoted excursion into a critical stage of Cold War history Dr Pang's exhaustive archival work sets a real standard in the amalgamation of different sources to reevaluate the Taiwan Strait crises in the 1950s the repercussions of which can still be felt today Hsiao ting Lin Hoover Institution Stanford University An excellent book for those interested in the Taiwan Strait crises in the context of the overall history of international affairs in the Asia Pacific region The book will prove to be of great value to those interested in the history of the region that is bound to increase in importance in the years to come Akira Iriye Harvard University Dispassionate balanced rigorous in the presentation of facts much drawn from Chinese archival sources Pang Yang Huei's work will be indispensable for anyone seeking to understand the issues surrounding this Cold War hangover that continues to trouble contemporary politics across the Taiwan Strait Geoffrey C Gunn Journal of Contemporary Asia

**A Time of Paradox** Glen Jeansonne, David Luhrssen, 2006-03-02 In this lively and provocative synthesis historian Glen Jeansonne explores the people events that shaped America in the 20th century Comprehensive in scope A Time of Paradox analyzes the political diplomatic social and cultural developments of the last century while focusing on the diverse and sometimes contradictory human experiences that characterized this dynamic period in American history

**Age of Iron** Colin Dueck, 2020 In his latest book Age of Iron Colin Dueck explores the past present and future of Republican foreign policy nationalism He argues that American conservatives and Republican presidents from Theodore Roosevelt onward have always struck balances between nationalist and internationalist impulses Dueck offers an assessment of the Trump administration's foreign policy including analysis of populist conservative political trends Finally he offers recommendations for current US national security policy based upon the recognition that the post Cold War Wilsonian moment is over

**American Political Leaders, Third Edition** Richard Wilson, 2021-10-01 Praise for previous editions accessible this book is an excellent addition to collections serving general readers high schools and undergraduates American Reference Books Annual This readable volume is recommended for high school public and undergraduate libraries Booklist an outstanding reference tool Biographical dictionaries abound in political science as in other fields but Wilson's work is more accessible benefitting from his straightforward approach and simpler organization Highly recommended Choice Recommended Library Media Connection an authoritative and readable guide

serves as a helpful resource for high school college and public libraries Christian Library Journal American Political Leaders Third Edition contains 286 biographical profiles of men and women in the United States who have demonstrated their political leadership primarily by being elected nominated or appointed to significant political offices in the United States or by having attained some special prominence associated with political leadership This reference work provides students and general readers with a concise readable guide to present and past leaders in U S politics Included in this book are presidents vice presidents major party candidates for president significant third party candidates important Supreme Court justices Speakers of the U S House of Representatives senators representatives cabinet officers significant agency heads and diplomats Since much of U S political leadership involves the representation of successive waves of new groups within the U S political system special care has been taken to include the contributions of women Native Americans African Americans Hispanic Americans Asian Americans and Americans who represented earlier waves of immigrants to the United States Profiles include John Adams president vice president diplomat Revolutionary leader author Amy Coney Barrett justice of the Supreme Court Pete Buttigieg secretary of transportation candidate for president Andrew Cuomo governor of New York Jefferson Davis secretary of war senator representative president of the Confederate States of America Kamala Harris senator vice president John Lewis civil rights activist representative Gavin Newsom governor of California Barack Obama senator president Sonia Sotomayor associate justice of the Supreme Court Elizabeth Warren senator candidate for president

**Culture Wars** Roger Chapman, 2015-03-17 The term culture wars refers to the political and sociological polarisation that has characterised American society the past several decades This new edition provides an enlightening and comprehensive A to Z ready reference now with supporting primary documents on major topics of contemporary importance for students teachers and the general reader It aims to promote understanding and clarification on pertinent topics that too often are not adequately explained or discussed in a balanced context With approximately 640 entries plus more than 120 primary documents supporting both sides of key issues this is a unique and defining work indispensable to informed discussions of the most timely and critical issues facing America today

**Hard Line** Colin Dueck, 2010-09-05 Conservatives and liberals alike are currently debating the probable future of the Republican Party What direction will conservatives and republicans take on foreign policy in the age of Obama This book tackles this question

Times of Heroism, Times of Terror Martin Thornton, 2005-05-30 Understanding foreign policy has become more essential than ever in today's integrated world How the United States acts as a nation has far reaching consequences especially in times of war To better understand America's stance on foreign policy today it is helpful to analyze how U S presidents and leaders have acted in the past particularly throughout the 20th century Thornton argues that descriptions or the classification of presidents have been misleading since presidents are often reacting to unique foreign policy crises and at times may have through good diplomacy forestalled serious crises from developing Basing his insights on numerous first hand sources such as handwritten notes and memos

taken during meetings of heads of state he portrays the presidents as very human individuals struggling with difficult questions and the responsibilities only men of their position have to deal with Topics examined in the book include but are not limited to Events leading up to the Cold War 1946 1952 Truman and Containment 1953 1960 Eisenhower and Military Challenge 1961 1963 JFK and Foreign Policy Leadership 1963 1968 Johnson and War Home and Abroad 1969 1974 Nixon Kissinger and the Search for Peace 1974 1976 Gerald R Ford 1977 1980 Jimmy Carter 1981 1988 Ronald Reagan 1989 1991 George H Bush and the End of the War This text stands out due to its readability and its comprehensiveness The average reader will have no problem getting a clear grasp of the topic at hand The college professor of U S or international history political science international studies or even ethicist who wishes to engage students in their reading assignments would do well to pick up this text     Executing the Rosenbergs Lori Clune,2016 An original study based on never before seen State Department documents this book examines reactions around the world to the execution of Ethel and Julius Rosenberg

*Presidential Lightning Rods* Richard J. Ellis,2021-10-08 H R Haldeman President Nixon s former chief of staff is said to have boasted Every president needs a son of a bitch and I m Nixon s I m his buffer and I m his bastard I get done what he wants done and I take the heat instead of him Richard Ellis explores the widely discussed but poorly understood phenomenon of presidential lightning rods cabinet officials who take the heat instead of their bosses Whether by intent or circumstance these officials divert criticism and blame away from their presidents The phenomenon is so common that it s assumed to be an essential item in every president s managerial toolbox But Ellis argues such assumptions can oversimplify our understanding of this tool Ellis advises against indiscriminate use of the lightning rod metaphor Such labeling can hide as much as it reveals about presidential administration and policymaking at the cabinet level The metaphor often misleads by suggesting strategic intent on the president s part while obscuring the calculations and objectives of presidential adversaries and the lightning rods themselves Ellis also illuminates the opportunities and difficulties that various presidential posts especially secretaries of state chiefs of staff and vice presidents have offered for deflecting blame from our presidents His study offers numerous detailed and instructive examples from the administrations of Truman Dean Acheson Eisenhower Richard Nixon John Foster Dulles Herbert Brownell and Ezra Taft Benson LBJ Hubert Humphrey Ford Henry Kissinger and Reagan James Watt These examples Ellis suggests should guide our understanding of the relationship between lightning rods and presidential leadership policymaking and ratings Blame avoidance he warns does have its limitations and may even backfire at times Nevertheless President Clinton and his successors may need to rely on such tools The presidency Ellis points out finds itself the object of increasingly intense partisan debate and microscopic scrutiny by a wary press Lightning rods can deflect such heat and help the president test policies gauge public opinion and protect his political power and public image Ellis s book is an essential primer for helping us understand this process     **A Companion to Dwight D.**

**Eisenhower** Chester J. Pach,2017-04-07 A Companion to Dwight D Eisenhower brings new depth to the historiography of

this significant and complex figure providing a comprehensive and up to date depiction of both the man and era Thoughtfully incorporates new and significant literature on Dwight D Eisenhower Thoroughly examines both the Eisenhower era and the man himself broadening the historical scope by which Eisenhower is understood and interpreted Presents a complete picture of Eisenhower s many roles in historical context the individual general president politician and citizen This Companion is the ideal starting point for anyone researching America during the Eisenhower years and an invaluable guide for graduate students and advanced undergraduates in history political science and policy studies Meticulously edited by a leading authority on the Eisenhower presidency with chapters by international experts on political international social and cultural history

**Selling the American Way** Laura A. Belmonte, 2013-03-01 In 1955 the United States Information Agency published a lavishly illustrated booklet called *My America Assembled* ostensibly to document the basic elements of a free dynamic society the booklet emphasized cultural diversity political freedom and social mobility and made no mention of McCarthyism or the Cold War Though hyperbolic *My America* was as Laura A Belmonte shows merely one of hundreds of pamphlets from this era written and distributed in an organized attempt to forge a collective defense of the American way of life *Selling the American Way* examines the context content and reception of U S propaganda during the early Cold War Determined to protect democratic capitalism and undercut communism U S information experts defined the national interest not only in geopolitical economic and military terms Through radio shows films and publications they also propagated a carefully constructed cultural narrative of freedom progress and abundance as a means of protecting national security Not simply a one way look at propaganda as it is produced the book is a subtle investigation of how U S propaganda was received abroad and at home and how criticism of it by Congress and successive presidential administrations contributed to its modification

## **Eisenhower The Anti Communist Crusade** Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be much more evident than ever. They have the capacity to inspire, provoke, and ignite change. Such may be the essence of the book **Eisenhower The Anti Communist Crusade**, a literary masterpiece that delves deep to the significance of words and their impact on our lives. ## Eisenhower The Anti Communist Crusade Introduction

In the digital age, access to information has become easier than ever before. The ability to download Eisenhower The Anti Communist Crusade has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Eisenhower The Anti Communist Crusade has opened up a world of possibilities. Downloading Eisenhower The Anti Communist Crusade provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Eisenhower The Anti Communist Crusade has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Eisenhower The Anti Communist Crusade. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Eisenhower The Anti Communist Crusade. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Eisenhower The Anti Communist Crusade, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites

they are downloading from. In conclusion, the ability to download Eisenhower The Anti Communist Crusade has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

### **FAQs About Eisenhower The Anti Communist Crusade Books**

1. Where can I buy Eisenhower The Anti Communist Crusade books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Eisenhower The Anti Communist Crusade book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Eisenhower The Anti Communist Crusade books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Eisenhower The Anti Communist Crusade audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.

8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media or recommend them to friends.
9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Eisenhower The Anti Communist Crusade books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
