El Hombre Que Mato A Su Alma:

El Hombre Que Mato a su Alma Jose Garcia Roel, 2001 This book is a detailed critical inspection of a collection of objects that have their feet in two worlds namely Mozart Historical Research and Art Historical Study Leopold Mozart the father of one of the world's most supreme composers died in 1787 At the time of his death his apartment held precious treasures given to his brilliant son and daughter during their lengthy European tour of 1763-1766 Furthermore it is likely that memorabilia and portraits collected in the 21 years following that tour were also in Leopold's apartment There is little historical record about what his collection might have contained at the time of his death or what happened to it In 2003 an American antiques collector traveling in Italy bought what he thought were some interesting pieces from a woman merchant Though he was unaware of what he had stumbled into at that time these pieces now appear to have been a portion of Leopold Mozart's estate The collection's owner engaged the author of this book to examine and comment on the approximately 40 pieces in the acquisition The telling of the story of each of the collection's pieces and how they survived for more than two centuries is rich with Mozart history

La venganza de las almas Bernardo Martorella, 2024-04-16 El crimen no resuelto de una familia sucedido en los años setenta enfrenta a Armando y a su sobrino Julián a un terrible desafío dilucidar quién fue el asesino y dónde están los cuerpos Para ello cuentan con las pistas que los espíritus de esas personas les van dejando ante sus propias narices Ambos saben que descubrir la verdad será la única forma de que esas almas puedan encontrar el paso al infinito Sin embargo lo que comienza como un emblema de esperanza y progreso pronto se ve envuelto en una serie de eventos inquietantes La obra teje una trama donde los secretos del pasado y las alianzas presentes se entrelazan desafiando la moralidad de sus personajes y llevando al lector a cuestionar la delgada línea entre la vida y la muerte
