Hahn, 1997-12-26 Certain to stimulate thinking and debate in academic and professional arenas Emerging Criminal Justice presents a new model for crime control that replaces the war on crime and other failed models The book avoids the use of unnecessarily complex language and phraseology but cuts straight to the heart of what Paul H Hahn refers to as the three pillars for a new proactive criminal justice system that include expanded notions of community policing community corrections and restorative justice The book invites its readers to take a good look at the entire criminal justice system as a whole and consider a new paradigm for understanding and correcting the system and most of its elements *NCJRS Catalog* , Catholic Perspectives on Crime and Criminal Justice Willard M. Oliver, 2008-01-01 Drawing upon Catholic social teaching traditional writings and Sacred Scripture this book presents a Catholic perspective of crime and criminal justice in America Specifically it presents a policy framework for the criminal justice system describing how and why police courts and corrections should adopt the tenets of restorative and community justice In addition it presents how certain crime related issues would be addressed under a Catholic perspective particularly focusing on the death penalty abortion euthanasia and so called victimless crimes Federal Probation , 1998
