Emerging Culture Curriculum Kit:

Emerging Culture Participant's Guide Jimmy Long, 2010-05-28 Our culture is in transition Some say it is moving from a modern to a postmodern paradigm And this emerging culture won't just blow over In order to be effective witnesses and leaders we need to understand this cultural paradigm shift and proactively plan how we will respond This guide is designed by Jimmy Long to help you to explore analyze and define what is occurring all around us But more than that it will help you shape your ministry for the rest of the twenty first century The participant's guide includes an introduction to the Emerging Culture curriculum Scripture passages with study helps interactive exercises questions to enhance discussion guidance for responding to postmodern people Here is everything you need for you to understand our new cultural environment and to move ahead powerfully in ministry

The Leadership Jump Jimmy Long, 2010-02-04 Leadership is changing Not only are established leaders passing the baton to up and coming leaders the very nature of leadership is being transformed Veteran leader and cultural observer Jimmy Long has discerned how leadership positions and roles have changed in light of societal shifts Authority is no longer derived from positional status but is earned from relational credibility Leaders focus not only on tasks but on community And leadership is less about directing followers to a particular destination and more about empowering others on a shared journey Existing leaders cannot write off emerging leaders because they work differently Nor can younger leaders dismiss the contributions of those who have gone before Here is a book that offers a positive vision for intergenerational partnership and leadership transference rather than competition The practical tools outlined here will help existing and emerging leaders understand each others leadership styles and collaborate fruitfully for the sake of the kingdom

I Once Was Lost Don Everts, Doug Schaupp, 2009-08-20 Don Everts and Doug Schaupp tell the stories of postmodern people who have come to follow Jesus They describe the factors that influence how people shift in their perspectives and become open to the Gospel They provide practical tools to help people enter the kingdom as well as guidelines for how new believers can live out their Christian faith

Heart. Soul. Mind. Strength. Andrew T. Le Peau, Linda Doll, 2022-08-02 In this behind the scenes narrative of InterVarsity Press Andrew Le Peau and Linda Doll offer a glimpse into the stories people and events that made IVP what it is today Recording good times and bad celebrations and challenges they place IVP in its historical context and demonstrate its contribution to the academy church and world

Romance Languages Annual, 1996 Handbook of Research on Cross-Cultural Online Learning in Higher Education Keengwe, Jared, Kungu, Kenneth, 2019-04-01

Online learning has been touted as one way of reducing the cost of higher education while simultaneously addressing the increasing demand for educational opportunity and providing access to hitherto left-out populations. Many universities are defying tradition by offering completely online degrees for global participants. As such, research is needed to improve the design of online and virtual learning environments to ensure that they are inclusive and culturally adaptive for the global education marketplace. The Handbook of Research on Cross Cultural Online Learning in Higher Education shares paradigms, perspectives, insights, challenges, and best practices for the instructional design and delivery of cross-cultural adult web-based learning experiences and examines adult learner characteristics and competencies critical for the design of these applications. The content within this publication covers trending topics including virtual learning, culturally adaptive environments, and online education and is intended for instructional designers, faculty, administrators, students, and researchers.

Standards-based Mathematics Assessment in Middle School Thomas A. Romberg, 2004

This volume takes an in-depth look at the problems and practices involved in conducting formative assessments in middle school mathematics classrooms. In these chapters, researchers and teachers identify the challenges teachers faced as they attempted to implement new assessment procedures, moving from more traditional methods to an emphasis in the quality of student work. This authoritative book documents the shift from traditional ways of judging student performance tests to measure what students know to reform notions of mathematical literacy, documenting students' growth in understanding specific content domains. Discusses four key steps in the change process that helped teachers to accomplish the necessary shift in assessment practices. Includes two chapters written by teachers that describe their personal experiences with implementing these new practices in the classroom and outlines a professional development program that evolved as a consequence of the work done by the teachers and students discussed in this book.
