to be over ridden by an authoritarian streak that led to the tragic excesses of her work in juvenile migration *British Female Emigration Societies and the New World, 1860-1914* Marie Ruiz, 2017-07-11 This book focuses on the departure of Britain's surplus women to Australia and New Zealand organised by Victorian British female emigration societies Starting with an analysis of the surplus of women question it then explores the philanthropic nature of the organisations the Female Middle Class Emigration Society the Women's Emigration Society the British Women's Emigration Association and the Church Emigration Society The study of the strict selection of distressed gentlewomen emigrants is followed by an analysis of their marketing value and an appraisal of women's imperialism Finally this work shows that the female emigrants under study partook in the consolidation of the colonial middle class **British Settler Emigration in Print, 1832-1877** Jude Piesse, 2016 *British Settler Emigration in Print 1832 1877* examines the literature of Victorian settler emigration in America Australia Canada and New Zealand arguing that popular Victorian periodicals played a key and overlooked role in imagining and moderating this dramatic historical experience *Bridging Boundaries in British Migration History* Marie Ruiz, 2020-09-28 This memorial book honours the legacy of Eric Richards's work in an interplay of academic essays and personal accounts of Eric Richards Following the Eric Richards methodology it combines micro and macro perspectives of British migration history and covers topics such as Scottish and Irish diasporas religious labour and wartime migrations Eric Richards was an international leading historian of British migration history and a pioneer at exploring small and large scale migrations His last public intervention given in Amiens France in September 2018 opens the book It is preceded by a tribute from David Fitzpatrick and Ngaire Naffine's eulogy This book brings together renowned scholars of British migration history The book combines local and global migrations as well as economic and social aspects of nineteenth and twentieth century British migration history *Empire's daughters* Elizabeth Dillenburg, 2024-09-24 *Empire's daughters* traces the interconnected histories of girlhood whiteness and British colonialism in the late nineteenth and early twentieth centuries through the study of the Girls Friendly Society The society functioned as both a youth organisation and emigration society making it especially valuable in examining girls multifaceted participation with the empire The book charts the emergence of the organisation during the late Victorian era through its height in the first decade of the twentieth century to its decline in the interwar years Employing a multi-sited approach and using a range of sources including correspondences newsletters and scrapbooks the book uncovers the ways in which girls participated in the empire as migrants settlers laborers and creators of colonial knowledge and also how they resisted these prescribed roles and challenged systems of colonial power *Fairness and Freedom* David Hackett Fischer, 2012-02-10 From one of America's preeminent historians comes a magisterial study of the development of open societies focusing on the United States and New Zealand *UK Child Migration to Australia, 1945-1970* Gordon Lynch, 2021-04-21 This open access book offers an unprecedented analysis of child welfare schemes situating them in the wider context of post-war policy debates about the care of children Between 1945 and

1970 an estimated 3 500 children were sent from Britain to Australia unaccompanied by their parents through child migration schemes funded by the Australian and British Governments and delivered by churches religious orders and charities Functioning in a wider history of the migration of unaccompanied children to overseas British colonies the post war schemes to Australia have become the focus of public attention through a series of public reports in Britain and Australia that have documented the harm they caused to many child migrants Whilst addressing the wide range of organisations involved the book focuses particularly on knowledge assumptions and decisions within UK Government Departments and asks why these schemes continued to operate in the post war period despite often failing to adhere to standards of child care set out in the influential 1946 Curtis Report Some factors such as the tensions between British policy on child care and assisted migration are unique to these schemes However the book also examines other factors such as complex government systems fragmented lines of departmental responsibility and civil service cultures that may contribute to the failure of vulnerable people across a much wider range of policy contexts

*Women in England 1760-1914* Susie Steinbach, 2013-07-25 A rich and fresh survey of women's lives between George III and the First World War Using diaries letters memoirs as well as social and statistical research this book looks at life expectancy sex marriage and childbirth and work inside and outside the home for all classes of women It charts the poverty and struggles of the working class as well as the leadership roles of middle class and elite women It considers the influence of religion education and politics especially the advent of organised feminism and the suffragette movement It looks too at the huge role played by women in the British Empire how imperialism shaped English women's lives and how women also moulded the Empire

*The British World* Carl Bridge, Kent Fedorowich, 2004-11-23 This collection of essays is based upon the assumption that the British Empire was held together not merely by ties of trade and defence but by a shared sense of British identity that linked British communities around the globe Focusing on the themes of migration identity and the media this book is an exploration of these and other interconnected themes that help define the British World of the late 19th and 20th centuries

**Perils of Protection** Susan Honeyman, 2018-12-18 Winner of the Children's Literature Association's 2020 Honor Book Award Unrecognized in the United States and resisted in many wealthy industrialized nations children's rights to participation and self determination are easily disregarded in the name of protection In literature the needs of children are often obscured by protectionist narratives which redirect attention to parents by mythologizing the supposed innocence victimization and vulnerability of children rather than potential agency In *Perils of Protection Shipwrecks Orphans and Children's Rights* author Susan Honeyman traces how the best of intentions to protect children can nonetheless hurt them when leaving them unprepared to act on their own behalf Honeyman utilizes literary parallels and discursive analysis to highlight the unchecked protectionism that has left minors increasingly isolated in dwindling social units and vulnerable to multiple injustices made possible by eroded or unrecognized participatory rights Each chapter centers on a perilous pattern in a different context women and children first rescue

hierarchies geographic restriction abandonment censorship and illness Analysis from adventures real and fictionalized will offer the reader high jinx and heroism at sea the rush of risk finding new families resisting censorship through discovering shared political identity and breaking the pretenses of sentimentality      **Hardscrabble** Donna E. Williams, 2013-07-13 How emigrants were lured to Ontario's Muskoka in the 1870s in a vain attempt to farm the Canadian Shield When the Free Grants and Homestead Act was first introduced in 1868 fierce debates erupted in Ontario's Legislature over whether land in the Muskoka region should be opened to settlement or reserved for the Aboriginal population From the beginning many people vented serious doubts about the free grant scheme citing the district's poor agricultural prospects In the end such caution was ignored by overeager boosters The story in Hardscrabble also takes readers to Britain where emigration philanthropists urged their government to send the country's poor to Canada then follows these emigrants as they left the familiar behind to make a new life in the Canadian wilderness The initial romance of living off the land was soon dispelled as these hapless souls faced clearing the land building shelters and sowing crops in desolate remote locations Donna Williams's extensive research leads her to conclude that Muskoka's experience epitomizes the wrongheadedness of placing already poor people on remote land unsuited for farming      Family Life in Britain, 1650-1910 Carol Beardmore, Cara Dobbing, Steven King, 2019-04-03 This book explores the ways that families were formed and re formed and held together and fractured in Britain from the sixteenth to twentieth century The chapters build upon the argument developed in the 1990s and 2000s that the nuclear family form the bedrock of understandings of the structure and function of family and kinship units provides a wholly inadequate lens through which to view the British family Instead the volume's contributors point to families and households with porous boundaries an endless capacity to reconstitute themselves and an essential fluidity to both the form of families and the family and kinship relationships that stood in the background This book offers a re reading and reconsideration of the existing pillars of family history in Britain It examines areas such as Scottish kinship patterns work patterns of kin in Post Office families stepfamily relations the role of family in managing lunatic patients and the fluidity associated with a range of professional families in the nineteenth century Chapter 8 of this book is available open access under a CC BY 4.0 license at [link.springer.com](https://link.springer.com)      **The Golden Bridge** Marjorie Kohli, 2003-10-15 To thousands of young people emigration has been the golden bridge by which they have passed from an apparently hopeless childhood to lives of useful service and assured comfort in this new land Mr G Bogue Smart Inspector of British Immigrant Children and Receiving Homes 1915 Many thousands of Canadians are descended from young immigrants transported to Canada from 1833 to 1939 Author Marjorie Kohli has meticulously documented the incredible story of the removal of thousands of waifs and strays and young men and women primarily from the UK and Ireland They braved the perilous voyage to an unknown future in Canada ultimately being placed throughout the Maritimes Ontario Quebec and westward as far as British Columbia The most comprehensive resource of its kind The Golden Bridge promises to be an indispensable tool for family researchers

with a home child ancestor and of interest to those unfamiliar with this aspect of Canadian history This extensively researched book incorporates background detail on agencies and key organizers such as Maria Rye Annie Macpherson Thomas Barnardo and William Quarrier along with lesser knowns including Ellinor Close and Charles Young Marjorie Kohli is well known for her years of active involvement with juvenile and child migration issues Supported by charts passenger lists and archival visuals The Golden Bridge is a must read for genealogists and history buffs alike

**Agents of Empire** Lisa Chilton, 2007-05-12 The period between the 1860s and the 1920s saw a wave of female migration from Britain to Canada and Australia much of which was managed by women In Agents of Empire Lisa Chilton explores the work of the women who promoted managed and ultimately transformed single British women s experiences of migration Chilton examines the origins of women run female emigration societies through various aspects of their work and the responses they received from emigrants and settled colonists Working in the face of apathy in the community resistance by other usually male managers of imperial migration and agency exerted by the women they sought to manage the emigrators endeavoured to maintain control over the field until government agencies took it over in the aftermath of the First World War Agents of Empire highlights the aims and methods behind the emigrators work as well as the implications and ramifications of their long term engagement with this imperialistic feminizing project Chilton provides tremendous insight into the struggle for control of female migration and female migrants aiding greatly in the study of gender migration and empire

A Passion for Records C. J. Kitching, 2017-12-12 The biography of an enigmatic Victorian pioneer The first critical appraisal of this sporting legend and antiquary using his own archives and writings Important glimpses of everyday Victorian life Suitable for those with interests in sport local history genealogy and record editing Walter Rye was a London solicitor until he retired to Norwich but it was three spare time passions that earned him his place in the Dictionary of National Biography physical exercise record searching and a devotion to his ancestral county of Norfolk His love of the outdoors was unbounded athlete cyclist sailor and archer keen amateur gardener and naturalist Despite this mortal illness seemed to stalk him and yet he lived well into his eighties In A Passion for Records Rye s prolific writings as author columnist and correspondent replete with witty put downs offer many laugh out loud moments His antiquarian writings invite more serious attention after cautionary tales about his editorial techniques

**Gender and Empire** Philippa Levine, 2007-03-29 Focusing the perspectives of gender scholarship on the study of empire this is an original volume full of fascinating insights about the conduct of men as well as women Bringing together disparate fields politics medicine sexuality childhood religion migration and many more topics this collection of essays demonstrates the richness of studying empire through the lens of gender This is a more inclusive look at empire which asks not only why the empire was dominated by men but how that domination affected the conduct of imperial politics The fresh new interpretations of the British Empire offered here will interest readers

across a wide range demonstrating the vitality of this innovative approach and the new historical questions it raises

**Home Children Bundle** Mary Pettit, Gail H. Corbett, Marjorie Kohli, Kenneth Bagnell, 2013-12-26 In the early years after Confederation in Canada the rising nation needed workers that could take advantage of the abundant resources Until the time of the Depression 100 000 impoverished children from the British Isles were sent overseas by well meaning philanthropists to solve the colony's farm labour shortage They were known as the home children and they were lonely and frightened youngsters to whom a new life in Canada meant only hardship and abuse This bundle of titles tells the entire story from many angles and in its many facets from historical recounting to genealogical information to the personal story one such child Mary Janeway Includes The Golden Bridge The Little Immigrants Mary Janeway Nation Builders Whatever Happened to Mary Janeway

**J. Anthony Froude** Julia Markus, 2007-11-01 Acclaimed biographer Julia Markus has written an unprecedented and illuminating portrait of the brilliant tortured and controversial James Anthony Froude the quintessential Victorian father of modern biography historian diplomat and prodigal son J Anthony Froude expertly captures the roiling cultural history of a century through one man's dynamic life From his birth in 1818 to his death in 1894 J Anthony Froude embodied the issues and complexities of his time Through the story of his life Markus elucidates the major ideological issues of the nineteenth century sexuality colonialism and the widespread challenges to religion's long held cultural primacy In beautifully crafted prose Markus reveals the compelling life of one of the most important thinkers of the Victorian age the brutality of his early education his troubled relationship with his father his expulsion from Oxford his dramatic and dazzling literary career his delicious political incorrectness his two marriages his relationships with his children his friendships with such disparate luminaries as Ralph Waldo Emerson and Cardinal Newman his diplomatic work for Prime Minister Disraeli and his complex relationship with Thomas Carlyle his spiritual father and the subject of his most famous biography A L Rowse historian and author called Froude the last great Victorian awaiting revival No life of the period is more poignant no destiny more fascinating than that of this man whom in his books and his actions reflected the triumphs and the errors of his society
