visited by the otherworldly essence of her maternal grandmother Milly a woman she had neither liked nor considered in
many years The visitation triggers a journey of research into a life she had not understood and into the ethereal connection of
the women in her bloodline who hail from the Isle of Man While the mystic nature of the Celtic culture and the ancient Manx
language play an important role in Milly s story it is the old battle axe herself who weaves together the fragments of Beth s
research into a tale of adventure hardship love and loss Milly begins her story at the onset of the Great War when she leaves
a life of privilege in search of adventure in war torn France During four harrowing years as an ambulance driver at the
Western Front Milly learns the importance of service the value of friendship and the fragility of life and love She introduces
us to many brave and fascinating women including Emily the lifelong friend who plays an integral role in all aspects of Milly s
life The experiences and the formidable relationships forged during those traumatic years follow Milly into civilian life and
shape her story Although courageous in the face of adversity Milly realizes too late that her actions were most often driven
by fear fear of the mundane fear of being alone and ultimately the fear of being forgotten It is the latter that sends Milly s
spirit in search of Beth
