Emily Sticky Notes:

Emily the Strange Stick it Notes Cosmic Debris Etc Inc, 2003-10-31 Emily's Best Birthday Party Ever! Mary J. Nestor, 2014-03-10 Emily's birthday has finally arrived and she's so excited. She's having a party with all her friends complete with a special magic castle cake and a sparkly welcome walkway to greet her friends. She's even having a famous children's TV show magician to entertain her friends. At least that's what was planned. But a morning rainstorm soon washes away the hopes of the best birthday party ever, leaving Emily to fear it is going to be the worst. Emily's mom helps her through the disappointment by sharing all the fun things she did at her birthday parties when she was a little girl. Through resourcefulness, a few found objects, and a little creative thinking from their Imagination Inspiration hats, Emily's mom helps Emily see that even though things don't work out the way you planned, you can have a lot of fun and excitement by trying new things and experiences. Skeptical at first, Emily is drawn into the excitement and fun of some old-fashioned children's games and a homemade birthday cake. Her dad, her little brother, and even their dog Barky get swept into the growing excitement, and her friends agree that her party was the best birthday party ever. *Emily's Best Birthday Party Ever* is a delightful story about children and parents who love and support each other through life's ups and downs. It deals with the fact that things don't always work out as planned, but with a little resourcefulness, creative thinking, and trust, there is a solution to any problem. It's a story about parents letting children go through the painful process of disappointment and helping them work through it to find creative solutions. It shows how sharing family traditions like the mom's birthday party games are important to preserving culture and the simple pleasures of years gone by. It's a story of how a family supports each other by working together. The book includes instructions for all of Emily's party games, the Imagination Inspiration hats, and her special three-layer birthday cake, so you can have a party just like hers and share in the fun. The games are fun for kids of all ages. Even grown-ups can have fun playing the games they enjoyed as children. As for Auntie Anna, you'll have to supply your own fun-loving relative or family friend who can add a special type of excitement to any party. **Unwrapping Her Italian Doc** Carol Marinelli, 2014-11-01 The ultimate Christmas present. Louise Carter is a midwife on a mission to have the best Christmas ever. It's been a difficult year, but stealing a kiss under the mistletoe from gorgeous Italian obstetrician Anton Rossi will make sure it ends on a high. Anton is all about control, but around Louise, he feels totally powerless. All he wants to do is kiss her smart mouth senseless with chemistry. This hot who needs mistletoe anyway? And he certainly won't be stopping with just one kiss. **The Strength Switch** Lea Waters, 2017-07-11 Unlock your children's potential by helping them build their strengths. This game-changing book shows us the extraordinary results of focusing on our children's strengths rather than always trying to correct their weaknesses. Most parents struggle with this shift because they suffer from a negativity bias thanks to evolutionary development giving them strengths blindness. By showing us how to throw the strengths switch, Lea Waters demonstrates how we can not only help our children build resilience, optimism, and achievement, but we can also help
