Emma A Recipe For Life:

Emma Emma Ciccotosto, Michal Bosworth, 1999-06-01 My name is Emma my story is true and I am telling it because I want my children and my children s children to know what sort of life I have had for many things have happened to me I have seen alot of changes I have moved from one country to another from Italy to Australia from life on a farm to life in a town from labour on a farm to work in a factory On the way I married and had children I discovered early in my life that you have to be a fighter to survive and this is the record of some of my battles Recipe for Life Mary Berry, 2013-09-12 As well as starring on The Great British Bake Off Mary Berry is returning to our TVs with her brand new series Britain s Best Home Cook so indulge and discover her autobiography From the moment she came into the world two weeks early throwing her parents lives into disarray Mary has gracefully but firmly done things her own way Born in 1935 in the city of Bath Mary s childhood was a curious mix of idyllic picnics and ramblings and alarming air raids of a spirited and outdoorsy home life and a dreaded school existence All nearly cut horribly short by an almost fatal bout of polio when she was thirteen which isolated Mary in hospital away from beloved family and friends for months Recovery saw her turn to her one true passion cookery And so began a love affair that has spanned six remarkable decades from demonstrating ovens in the early 1950s to producing glossy food magazines in the 60s and 70s gradually becoming the country s most prolific and many would say best loved cookery writer Until her emergence in the 21st century as a TV sensation and style icon on the Great British Bake Off In this touching evocative and fascinating memoir we accompany Mary on her journey of nearly eighty years a life lived to the full with a wicked sense of fun and an eye for the absurd it is the life of a delightfully traditional but thoroughly modern woman

Memory and History Joan Tumblety, 2013-07-15 How does the historian approach memory and how do historians use different sources to analyze how history and memory interact and impact on each other Memory and History explores the different aspects of the study of this field Taking examples from Europe Australia the USA and Japan and treating periods beyond living memory as well as the recent past the volume highlights the contours of the current vogue for memory among historians while demonstrating the diversity and imagination of the field Each chapter looks at a set of key historical and historiographical questions through research based case studies How does engaging with memory as either source or subject help to illuminate the past What are the theoretical ethical and or methodological challenges that are encountered by historians engaging with memory in this way and how might they be managed How can the reading of a particular set of sources illuminate both of these questions The chapters cover a diverse range of approaches and subjects including oral history memorialization and commemoration visual cultures and photography autobiographical fiction material culture ethnic relations the individual and collective memories of war veterans The chapters collectively address a wide range of primary source material beyond oral testimony photography monuments memoir and autobiographical writing fiction art and woodcuttings everyday and exotic cultural artefacts journalism political polemic the law and witness testimony This book will
