## **Emmaus Eyes:**

**Emmaus Eyes** Lo-Ann Trembley, David Trembley, 1996      **Centering Jesus** Derek Vreeland, 2023-08 ECPA 2024 Book Award Finalist Ministry Resources What happens when Jesus becomes obscured from our point of view With all the hostility boiling just under the surface of our world we need a renewed vision of Jesus as the Lamb of God who can lead us in the peaceable ways of the Kingdom When we fail to keep Jesus at the center of our lives we lean into the desires of our hearts more than the desires God has for us As a result our entire spirituality becomes driven by the self and for the self We need renewed practices of centering Jesus in our hearts and minds In *Centering Jesus* Derek Vreeland invites you to imagine what it looks like to keep Jesus as the Lamb of God at the center of three key areas of our lives our spiritual formation our moral lives and our common life together With the deep divide in American culture and the polarization that continues to grow we need a renewed focus on the Lamb so that we might blaze a path forward into civility and kindness Learn how to identify the problems that occur when Jesus is obscured from our view walk through some of the key biblical descriptions of the Lamb describe a Lamb shaped and Jesus centered approach to the Christian virtues of faith hope and love the foundation of our moral lives and experience the Lamb at the center of common life together specifically worship life participation in acts of justice and political life      *Lord, Open Our Eyes* O J Green, 2007-09 Do you have a plan for living Does it include eternal life Whether you have a plan or haven't given it much thought this book is a necessary read The Master Plan as a series takes a comprehensive look at the Bible God's Plan for man and the creation This first installment *Lord Open Our Eyes* lays a foundation for seeing the Word of God as His Plan from eternity past for creating and testing angels and man Those who pass the test will one day share rulership with Him as priest and kings over an eternal kingdom Author O J Green believes the Bible reveals God's Master Plan and that God gave it to provide His children with Basic Instructions Before Leaving Earth He believes the Bible to be an owner's manual which when properly understood reveals His plan and purposes for humanity and how we should live For while many are searching it seems far too many saints are uncertain of what they believe or why they believe it It is the enlightened and encouraged saint who finds and fulfills His calling on their life For those whose eyes are open the Word of God confirms the reality of our new life in Christ while building our faith hope and love as we wait for His imminent return      **The Lost Reliquary** Lyndsay Ely, 2025-10-21 A ruthless epic and darkly hilarious read Sara Hashem author of *The Jasad Heir* A divinely blessed warrior bound to the last living goddess plots to win her freedom in this propulsive epic fantasy for fans of *Godkiller* and *Gideon the Ninth* The Devoted Lands was once home to many gods Now after centuries of brutal wars only Tempestra Innara the Enduring Flame remains As a divine warrior Lys is outwardly loyal to her goddess If she dreams of deicide that's her business When a routine heretical execution erupts into a near fatal assassination attempt on Tempestra Innara Lys sees a glimmer of hope for her freedom Lys is chosen to hunt down the heretics and find an ancient reliquary with the power to kill a god Annoyingly she's not alone Paired with Nolan a warrior

from a rival cloister who is as pious as he is determined Lys must feign devotion if she hopes to keep her own god killing ambitions within reach But as they pursue the heretics linked to the assassination Lys uncovers a world with more possibility and peril than she ever anticipated *Divine Thrall The Lost Reliquary* Worthy Is the Lamb Thomas J. Nash,2010-07-12 In this exciting book Thomas Nash refutes the common charge that the Mass is unbiblical in a resoundingly biblical fashion From the Garden of Eden to Christ s Ascension the biblical roots of the Mass go much deeper than the Last Supper and Christ s Passion Old Testament sacrifices like Abel s Abraham s and the Passover all prefigure and are fulfilled by Christ s Sacrifice which is made present in the Sacrifice of the Mass What began on the Cross culminated in everlasting glory when Jesus entered once for all into the heavenly holy of holies as the Letter to the Hebrews provides In a time when the Catholic Church is under attack from within and without *Worthy is the Lamb* reminds the faithful that the Mass is as Vatican II affirms the source and summit of the whole Christian life This book will transform your understanding of and participation in the Mass It s high time Catholics discovered the Old Testament roots of our Church s worship and priesthood The New Covenant did not abolish the Old but fulfilled and transformed it Our Lord wants us to experience the reality of the Mass in all its fullness and that s what Tom Nash wants you to know Scott Hahn Ph D Thomas Nash is a Theology Advisor at the Eternal Word Television Network EWTN **A Servant's Heart** Jason Powers,2003-08 *Just Breathe* Chuck Clark,2013-05 Truth is there is never a good time for tragedy to occur A loss is a loss and the time of the year really doesn t matter all that much Bad things happen Really bad things happen They happen to everyone but somehow you hoped tragedy wouldn t happen to you It did The pain is unbearable and you can t seem to get yourself together You feel the life you had is over and nothing will ever be good again Tragedy makes us feel that way but there is hope *Just Breathe* deals with tragedy from a new perspective Whether it s suicide a terrible car wreck or a terminal disease terrible things happen to people we love and we don t know what to do next This book helps you confront tragedy from different angles so you can live the great life God wants for you The true stories in the book are devastating You will sympathize with their pain and identify with their hurt You will wonder if it s possible to live a good life again after tragedy destroys it It is indeed possible Jesus shows us how as this book follows two disciples on the worst day of their lives Has tragedy knocked the wind out of you Do you desperately need to take a deep breath This book is about learning how to take a deep breath after something really bad happens to you It s about turning your tragedy into triumph and enjoying the life God has for you Luke Arthur Just Jr.,Thomas C. Oden,2003-02-19 For the church fathers the Gospels did not serve as resources for individual analysis and academic study They were read and heard and interpreted within the worshiping community Among such sermons on Luke that have survived this ACCS volume includes selections from Origen and Cyril of Alexandria as well as church fathers who addressed exegetical issues in theological treatises pastoral letters and catechetical lectures *Christ the Stranger: The Theology of Rowan Williams* Benjamin Myers,2012-01-26 An introduction to the thought of one of the most fascinating theologians and at the same time

most controversial church leaders of our time      **Christian Philosophical Theology** Stephen T. Davis, 2006-03-16  
Christian Philosophical Theology constitutes a Christian philosopher's look at various crucial topics in Christian theology including belief in God the nature of God the Trinity christology the resurrection of Jesus the general resurrection redemption and theological method The book is tightly argued and amounts to a coherent explanation of and case for the Christian world view Although written from a broadly Reformed Protestant perspective and although the author does not avoid controversial topics the aim is to present a merely Christian world view to adapt slightly C S Lewis's famous term That is Stephen T Davis attempts to write as much as possible from the perspective of the broad centre of Christian understanding

Signs & Symbols in Christian Art George Ferguson, 1959 Examines the use and meaning of Christian symbols found in Renaissance art      **Finding Your Bearings** James A. Harnish, 2021-07-27 If you feel you've lost your bearings you aren't alone Global pandemic Economic crisis Racial tensions Political polarization Climate change The converging crises expose our timeless need for an internal compass to guide us through disruption disorientation and change James Harnish invites you into six crucial moments when Jesus found his bearings by recalling words and stories from the Old Testament By connecting Jesus story with your own you can find your bearings as you walk the way Jesus walked in the way that Jesus walked it It's the way that leads to life Questions for Reflection create an opportunity for you to pause find your place in the story and determine your next step along the way These may also be used for journaling or small group discussion

Taylor, 1899      The Gospel of Luke (Catholic Commentary on Sacred Scripture) Pablo T. Gadenz, 2018-09-18 In this addition to the successful Catholic Commentary on Sacred Scripture series Fr Pablo Gadenz examines the Gospel of Luke from within the living tradition of the Church for pastoral ministers lay readers and students alike Gadenz explains the biblical text clearly and concisely in light of recent scholarship and pays particular attention to the themes theology and Old Testament background of Luke's Gospel Sidebars explain the biblical background and offer theological insights from Church fathers saints and popes and reflection and application sections offer suggestions for daily Christian living      The Quarterly Journal of Prophecy, 1856      *The Naked Preacher* Jason C. Boyd, 2018-03-29 This new volume in the SCM Research series argues that both preaching and Action Research are inherently exposing practices They require a deep level of self consciousness and a willingness to hold oneself up to critique and comment But at their best they are both formed within a deep and supportive critical community Applying a methodology rooted in Action Research as way of Doing Theology ART and drawn from the author's own research within a specific community of practice The Naked Preacher demonstrates for preachers and ministers new ways to be critically and constructively self aware It also offers an important contribution for practical theologians with an interest in action research and critical reflection      **Hell** Bill Wiese, 2012-09-20 Bill Wiese's
