As the chemistry between them escalates, the family is plunged into a violent crucible, each character brought to the precipice of immutable catastrophe. Duroc Digest, 1921 *Thunder of Time* James F. David, 2006-04-04 Ten years ago the prehistoric past collided with the present as time itself underwent a tremendous disruption, transporting huge swaths of the Cretaceous Period into the world of the twentieth century. Entire neighborhoods and cities were replaced by dense primeval jungles, and modern humanity suddenly found itself sharing the earth with fierce dinosaurs. In the end, desperate measures were taken to halt the disruptions, and the crisis appeared to be over. Until now. Slowly at first but with increasing frequency, time begins to unravel once more. What's worse, Nick Paulson, Director of the newly formed Office of Security Science, discovers that the time displacements are being manipulated by unknown parties utilizing a mysterious new technology. Indeed, the very integrity of the space-time continuum appears to be at risk. To preserve both the future and the past, Nick and his allies must uncover the secrets hidden within in a lost temple at the center of a dino-infested jungle and in an enigmatic structure on the surface of the moon. But they are not alone in their quest. A cult of ruthless fanatics is also intent on controlling the time waves, and they will stop at nothing to reshape history to their own design. Experiment Station Record United States. Office of Experiment Stations, 1915 Emmett Sandra Alex, 2025-02-17 A bad boy. A blast from the past. A very unfestive mistake. And a love so unexpected yet so strong it makes Christmas Day look like a regular Sunday right before someone goes off the cliff. Alright, it's a hot mess. I admit it. And right before Christmas too. But I can't take any of it back. I mean, is it possible to have a midlife crisis in your thirties? But despite all the errors in my judgment, Emmett's gaze still comes my way. Something in his eyes tells me that he isn't perfect either. What I soon discover is that it was not he himself that made the mistakes; rather, he was the victim of someone else's errors in judgment. The question is, can he look beyond mine? It doesn't seem to matter how many times I tell myself that in my life there is no room for relationships. Not one with a woman, anyway. The realization for me came at a painful price. That being said, I can't seem to tear myself away from the one woman that I should stay miles away from. Krissie has herself in some very hot water. And while that should be like kryptonite

to me it seems to have more of a magnetizing effect I can't force her to choose I've made my case quite clear But when I witness a damning statement from someone that could change her life forever I have to decide quickly if I'm going to be the one to tell her And how can I do it right before Christmas Will it break her heart or bring her closer to me And just when I think that the answer is right in front of my face it all comes crashing down Crashing down a cliff that is Holiday romance Christmas romance Second chance romance Steamy romance Cinnamon roll hero Cliffhanger ending Bulletin, 1915
