Healing without Fear Laurel Ann Reinhardt, 2002-11-01 A workbook for recognizing releasing and transforming fear in one's self and in our health care system Over 60 exercises for recognizing releasing and transforming fear to promote healing Includes case studies transcribed dreamwork and the author's personal story of healing When Laurel Ann Reinhardt discovered a lump in her breast she witnessed firsthand how fear holds silent reign over the patient in the Western health care system and hinders the process of healing This fear is systematically perpetuated by doctors and insurance agents and it has become the cultural norm undermining the foundation of all healing and the important work these providers are meant to perform Drawing on the work of Rupert Sheldrake Ken Wilbur and Carl Jung as well as her 20 plus years of experience as a clinical psychologist Laurel Ann Reinhardt provides a thoughtful discussion about the existence creation and impact of this morphogenetic field of fear in the health care system She provides us with the tools we need to recognize and release this fear and its harmful role in the healing process From exercises for expelling the breath of fear and talking back to fear to being heard and seen by physicians and dealing with the fears of our health care providers Healing without Fear utilizes visualizations journaling chakra meditations and dreamwork to teach both health care professionals and laypersons how to transform fear and allow true healing to begin

The Power of Emotion Michael Sky, 2002-11-01 An original model of the nature and workings of emotions Shows how to both unleash and harness the power of emotions to promote physical health

mental clarity creativity and more satisfying relationships Offers easy to follow breathing exercises that allow readers to tap into their reservoirs of vital energy to accomplish their goals By the author of *Breathing Expanding Your Power and Energy* 25 000 sold Emotions are the link between body mind spirit and all our relationships yet as Westerners we have been trained from our earliest years to repress our emotions In our society those who appear the least passionate are seen as strong confident and mature In our desire to attain this goal we often suppress our deepest emotions eventually causing a blockage of energy that leaves us numb and unable to access our authentic feelings Michael Sky explains that emotions are the vital energy source inside each of us that we can harness and direct in a positive way to promote better physical health mental clarity creativity and more satisfying relationships He details four simple but potent tools to aid in the productive channeling of powerful emotional energy active acceptance dynamic relaxation conscious connected breathing and creative choice Taken together these tools create a lifestyle that frees suppressed emotional energies and allows for empowered responses With meditative breathing practices at the end of each chapter and inspirational passages from the teachings of Adi Da readers will learn to positively experience and develop their emotions while enhancing their creativity and productivity to accomplish their goals

Healing Through the Shadow of Loss Deborah Morris Coryell,2004-04-21 In *Healing Through the Shadow of Loss* Deborah Morris Coryell describes grief as the experience of not having anywhere to place our love She reminds us that all losses must be grieved and that paying attention to even the most minute experience of loss can help us to be more in tune with ourselves allowing us to once again join the rhythm of life from which we have become disconnected

Profound Healing Cheryl Canfield,2003-01-28 At the age of 41 Cheryl Canfield was diagnosed with advanced cervical cancer She rejected proposed surgeries that would involve removing her uterus cervix lymph nodes and surrounding nerves Instead she decided to accept death and focused her energy on attempting to die well In the process she cured herself

The Biogenealogy Sourcebook Christian Flèche,2008-06-18 A practical guide to the correspondence between emotion organ systems and disease Identifies what emotional shocks will engender illnesses specific to a certain part of the body Shows how illness is an ally that enables individuals to restore balance to their health Biogenealogy is a comprehensive new vision of health that takes the mind body connection one step further by identifying and consciously addressing the emotional shocks that create physical disorders Each symptom of an illness precisely indicates its emotional origin Thus far from being an enemy the physical symptom is actually a valuable ally that provides the key to the cure of the physical disease as well as resolution of the emotional imbalance that created it Christian Flèche the leading researcher and practitioner in the field of biogenealogy explains that the activation of illness is the body's reaction to unresolved events that are frozen in time These unresolved traumas affect the body on the cellular level and manifest in minor as well as more serious chronic conditions In *The Biogenealogy Sourcebook* Flèche systematically chronicles all the major organs of the body and specifies the types of emotional conflicts that lead to illness in those areas For example he explains that conflicts of separation are evidenced in

diseases of the skin a reduction of self worth or deep anguish will manifest in the lymph nodes He also shows that unresolved emotional issues can also be passed down to future generations if left untreated Intended for therapists researchers and any person who wants to take his or her health in hand this book is an important guide to understanding and decoding the causes and not just the effects of illness
