Step Back Joseph L. Badaracco, 2020-07-14 How to find clarity amid the turbulence of work and life We all wish we had more time to pause and reflect about small decisions and big goals and everything in between But since we live and work in a vortex of tasks meetings decisions and responsibilities we rarely get the chance to step back In this practical guide bestselling author and Harvard Business School professor Joseph Badaracco argues that you don't need long periods of solitude and tranquility to reflect well In fact reflection can take place in the cracks and crevices of your very busy life and these moments can help you understand your feelings look at problems from different perspectives focus on what really matters and ultimately lead a better life Building on candid interviews with

over a hundred executives and professionals as well as on the classic works of Marcus Aurelius Michel de Montaigne and Ignatius of Loyola Badaracco offers simple customizable principles and ideas for reflection that lend a gentle discipline to an otherwise nebulous process Concise smart and pragmatic Step Back is the guide you need to make reflection a positive force in your work and life **Philosophy and Leadership** Łukasz Sułkowski, Zdzisława Dacko-Pikiewicz, Katarzyna

Szczepańska-Woszczyzna, 2024-05-13 Philosophy and Leadership is an ambitious exploration of leadership's philosophical underpinnings from antiquity to the AI driven future The book journeys through history gleaning insights from eminent philosophers and contextualizing their teachings to leadership The book's foundational premise lies in the symbiosis of philosophy and leadership Philosophy provides the why that drives the practices and decisions in leadership This intricate connection is unfolded from the teachings of Confucius on virtue and ethics to the contemporary dialogues of Judith Butler on leadership identity The book also delves into the evolution of leadership concepts through various eras medieval times highlighting religious and scholastic perspectives the Renaissance juxtaposing Machiavellian pragmatism with More's utopian ideals and the Enlightenment era underscoring the importance of duty skepticism and rationality An exciting aspect of the narrative is the amalgamation of evolution and leadership By drawing parallels between Darwin's natural selection and leadership dynamics or Bergson's vitalism and intuitive leadership the authors present a merger of biological evolution with leadership's ever evolving paradigms Finally the concluding chapters reside in envisioning the future and reflect upon the impending synergy between AI and leadership They emphasize the importance of amalgamating philosophical wisdom with the promises and challenges brought about by AI The book will guide readers from the philosophical epochs of yore to the AI predicted leadership paradigms of the future By intertwining the enduring wisdom of philosophers with the dynamic nature of leadership this book serves as a beacon for anyone aspiring to lead in any era The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license **Resilience** Eric Greitens, 2015 A masterpiece of warrior wisdom how to be resilient how to overcome obstacles not by positive thinking or self esteem but by positive action The bestselling author Navy SEAL and humanitarian Eric Greitens offers a self help book unlike any other

Gerhardt,2019-02-01 Discover hope comfort transformation the gifts given in grief Too often we think of loss like we might a broken bone We leave the bone alone protect it from bumps and wait We think eventually everything will go back to normal the same as it always was But losing a loved one is nothing like a broken arm Loss is amputation and the path to healing doesn t lead back to the same only ahead to the different A Grief Received offers a personal authentic and practical approach to weathering grief with hope Writing with deep insight JL Gerhardt draws on the loss of her younger brother when she was twenty one other personal experiences of grief and her work in ministry alongside her husband a minister and chaplain Through nine practices grieving people can adopt to position themselves to receive the gifts of grief Gerhardt provides touchstones readers will recognize and a path to personal transformation Each chapter includes personal reflection questions and suggested resources Gerhardt assumes the role of friend partner and speaker of sometimes inconvenient but always helpful truths Readers will walk away comforted directed and inspired to seek God and God s shaping in their grief

My Brother's Keeper Nicholas Rosenlicht,2024-10-01 A leading psychiatrist seeks to transform our understanding of mental health care and how it fits into larger social and economic forces and proposes an effective and compassionate new framework for healing Mental health care in America has become nothing short of atrocious Supposed developments in treatment methods and medication remain inaccessible to those who need them most Countless people seeking treatment are routinely funneled into prison or end up homeless while an epidemic of mental illness ravages younger generations It seems obvious that the system is broken but the tragic truth is that it is actually functioning exactly as intended providing reliably enormous profits for the corporate entities who now manage mental health care It is easy to turn a blind eye Most of us are more comfortable ducking our own fears about mental health and placing our faith in the rugged American individual and the free market rather than confronting our own prejudices and misguided beliefs Why did we choose to build such a disastrous system when every other industrialized nation has developed far better models After decades of work in psychiatry Dr Nicholas Rosenlicht reveals how and why we arrived at this abysmal reality and more importantly how we can find our way

out of it Timely and unflinching and written with commanding prose and the deep knowledge of a mental health care veteran who categorically rejects corporate interests Dr Rosenlicht makes plain the disastrous outcomes of the for profit mental health care model Patients are clients and doctors are providers stripping away the human element and emboldening shift ethical and legal practices Perhaps most insidious the business model paints the mentally ill as the other as people who just don t want help rather than as people who can t afford care or even realize they need help as a consequence of their illness But a path forward does exist Mental illness is something that will touch all of us all of us in some way if not directly through those we know and love Those who have already helped care for a loved one know that those who suffer by it have hopes desires and aspirations A healthy solution means a healthier society In the tradition of Andrew Solomon or Bessel van der Kolk s *The Body Keeps the Score* My Brother s Keeper is a paradigm shifting book that can help us find our way to real and lasting solutions

War of Time Jan Hanska,2020-07-08 This book examines the meaning and management of time as a facet of the art of war in general but especially operational art While force time place has for a long time been considered to be the essential trinity of warfare the aspect of time remains largely under researched Relying on classic texts on art of war the author engages with some of the top theorists and practitioners of art of war from the age of Sun Tzu to the network centric warfare about the role of time and its management in operational art Relying on Alvin Toffler s theory of the three waves the volume follows research into development of operational art through cycles from the agrarian age to the industrial age and into the information age

The Bonobo and the Atheist: In Search of Humanism Among the Primates Henry Cabot Lodge (Jr.),Frans B. M. Waal,2013-03-25 Moral behavior does not begin and end with religion but is in fact a product of evolution

Paul's Letters and Contemporary Greco-Roman Literature Paul Robertson,2016-05-23 In this volume Paul Robertson re describes the form of the apostle Paul s letters in a manner that facilitates transparent empirical comparison with texts not typically treated by biblical scholars Paul s letters are best described by a set of literary characteristics shared by certain Greco Roman texts particularly those of Epictetus and Philodemus Paul Robertson theorizes a new taxonomy of Greco Roman literature that groups Paul s letters together with certain Greco Roman ethical philosophical texts written at a roughly contemporary time in the ancient Mediterranean This particular grouping termed a socio literary sphere is defined by the shared form content and social purpose of its constituent texts as well as certain general similarities between their texts authors

Nietzschean Psychology and Psychotherapy Uri Wernik,2016-04-04 Friedrich Nietzsche declared himself to be a psychologist who has not his peer Nietzschean Psychology and Psychotherapy The New Doctors of the Soul illustrates why he was correct and indicates that he was also a soul doctor who has not his peer He is usually unknown to psychologists and treated by philosophers as if he was a philosopher who as such wrote about some issues relating to the philosophy of mind This book acquaints psychologists with Nietzsche and introduces him to philosophers in a new light It presents Nietzsche s contributions to psychology wisdom of life and psychotherapy dispersed throughout his writings It hails him the

Overturner demonstrating how he overturned many of our notions about love crime happiness morality language consciousness logic memory emotions happiness and self actualizing He is portrayed as the precursor and champion of action chance and acceptance oriented self help and therapy far from being as is often claimed a proponent of depth dynamic or insight oriented psychotherapy

Leading from Purpose Nick Craig, 2018-06-05 Drawing on ten years of experience working with more than 10 000 executives from companies around the globe Nick Craig takes you on a revelatory journey to understand your purpose find clarity and focus and lead with inspiration When uncovered purpose becomes our most fundamental guiding principle Explaining where true purpose lies and demystifying where it doesn't Craig offers the methods through which anyone can find their purpose He identifies three pathways that will assess where you are with your purpose and where you should be going Illustrated by case studies of leaders from all walks of life and industries Craig shares their unique stories to show how top leaders are energized by their purpose finding in it the confidence they need to properly evaluate high stakes decisions and take the optimal action The best leaders access their purpose especially when facing the unknown drawing on the source of it to energize themselves Purpose also redefines their relationships to stress allowing them to thrive where others just survived and to postpone momentary fleeting rewards in favor of leaving a sustained meaningful impact Accessible methodical and eminently practical *Leading from Purpose* offers the comprehensive toolbox with which everyone whether a c suite executive or behind the scenes office worker can live out their purpose and achieve success on their own terms If you find yourself in an organization that is struggling to live its purpose Craig's insights on how to bring your purpose and the organization's purpose into the same room at the same time is game changing and will redefine your life and career

Winning Wars Before They Emerge Torsti Sirén, Torsti Sirén, 2013-01-01 To avoid preparing to wage battles against our opponents in future wars we should proactively and continuously influence the narrative identity structures of our potential opponents by using Strategic Communications StratCom This book argues that nations and societies of tolerance and pluralism the so called wonderful societies should utilize StratCom to seduce their enemies opponents and potential opponents not only to behave in more tolerant ways but above all to internalize peace tolerance and pluralism as essential values and guiding mental institutions of their identity structures *Winning Wars Before They Emerge* will be of interest to students lecturers and researchers of international relations and world politics peace researchers and information operations practitioners as well as military personnel War and the art of war are issue areas that have been widely dealt with in numerous books and widely taught in various universities and defense colleges universities but not from the perspective offered in this book
