

# EMPLOYEE ASSISTANCE PROGRAM

Employees assistance programs can help in improving the employee's retention rate and also creating a favorable work environment for them. In addition to that, there are several other benefits of implementing EAP for both organizations and employees such as-

## IMPROVED PRODUCTIVITY

Employees dealing with any type of personal issues might find it difficult to stay productive at work.

## POSITIVE WORK CULTURE

Creating a healthy work environment is essential for the well-being of employees.

## DECREASE TURNOVER RATE

Increased turnover rates might impact organizational revenue and market value. However, by addressing and resolving issues, a company can make employees feel valued and stay motivated at work. Thereby reducing the overall turnover rate.

## PROVIDES ASSISTANCE 24X7

Most of the employee assistance program providers work 24x7 to aid the employees regarding any issues. This allows employers to help employees even outside the office hours for their betterment.

## REDUCE ABSENTEEISM

When employees do not feel physically and mentally fit, they tend to take more leaves to maintain their well-being. However, when they are provided with the proper counselling, their health improves, and they are more likely to come to the office regularly.

Workplace Behavioral Health      **Alcohol Problem Intervention in the Workplace** Paul M. Roman,1990-07-24 Since the  
1950s social scientists have devoted serious attention to the relationship between alcohol and the workplace In recent years  
awareness of the tremendous costs both human and financial associated with alcoholism has led to a dramatic increase in  
both scholarly and practical interest in the field Although researchers working in this area are relatively few they have  
sustained a lively interest in the alcohol work nexus and have attracted others to the field through conferences where ideas  
and research strategies are exchanged The larger part of Alcohol Problem Intervention in the Workplace provides an up to  
date thorough examination of the problem the research and the possible solutions This volume is directed toward both  
practitioners and researchers providing a wide range of new data and new ideas that bear upon coping with alcohol problems  
in the workplace Part I addresses issues regarding the distribution and correlates of alcohol problems and alcohol use among  
employees Part II is centered on issues associated with Employee Assistance Programs And Part III is a general conclusion  
and overview offering suggestions and implications for the practitioner in the workplace Because this collection supplies the

most current thinking and information on controlling alcohol problems in the workplace it will be of particular interest to human resource management and to employee assistance specialists who are now required to pass a certification examination
