Empowering Authority The Charisms Of Episcopacy And Primacy In The Church Today

Stephen Okey

Empowering Authority The Charisms Of Episcopacy And Primacy In The Church Today:

Empowering Authority Gary Chamberlain, Patrick J. Howell, 1990-09 Empowering Authority is a collection of dialogues about the central crisis of the Roman Catholic Church in our times the role of authority in the identity of the church and its mission to the world Against the background of the Vatican investigation of Archbishop Raymond Hunthausen of the Archdiocese of Western Washington the conversations presented here attempt to re examine the ways in which authority speaks authoritatively

Readings in Church Authority Richard Gaillardetz, Kenneth Wilson, 2017-03-02 The issues of Authority and Governance in the Roman Catholic Church permeate each and every aspect of the Church's identity teaching influence organisation moral values and pastoral provision They have left their mark in turn upon its diverse theological and philosophical traditions The trends of postmodernity advances in communication the advent of new ecclesial movements and theologies and a perceived policy towards increasing institutional centralisation on the part of the Curial authorities of the Church in Rome have all facilitated a continuous and lively stream of dialogue and disagreement on authority and governance in relation to the place of the Church in our age and the new Millennium This comprehensive Reader uniquely gathers together in one volume key writings and documents from the wealth of published literature that has emerged on the issues of authority and governance in the Roman Catholic Church With guided introductions to each section and to each reading and end of chapter further reading lists this Reader offers a balanced range of perspectives themes international writings ecumenical dimensions and formal church documents and Papal pronouncements on core areas of contemporary study and debate Focusing on the modern post modern period in the Roman Catholic Church but grounded in the historical contexts Readings in Church Authority presents an accessible source book and introduction for all those exploring current debates and studying central themes in church authority

The Eyes of Faith Ormond Rush, 2009 Winner of the 2010 Lynlea Rodger Australia Theological Form ATF Press Theological Book Prize The Eyes of Faith presents a systematic theology of the sense of the faithful *sensus fidelium* and shows the fundamental and necessary interrelationship between *sensus fidelium* tradition Scripture theology and the magisterium Ormond Rush provides fresh perspectives on a number of issues He proposes that tradition and Scripture are the products of the *sensus fidelium* and that the inspiration of Scripture is best understood in terms of the Holy Spirit working through the *sensus fidelium* In addressing the role of the *sensus fidei* in the lives of individual believers the book provides a unique approach to the way Christians make sense of their faith within the diverse contexts of daily life It shows how the imaginative capacity of the *sensus fidei* forms a foundational notion for understanding the diversity of spiritualities inculturations and contextualizations of the Gospel in the history of the church up to the present This ecclesial activity of interpreting the Christ event through the *sensus fidelium* enables the church to proclaim the Gospel in new times and cultures throughout history The Eyes of Faith proposes that for an effective teaching of the faith to contemporary Christians the distinctive roles of the magisterium and of theology must be conceived primarily in

terms of and in relationship to the ecclesial Spirit given capacity of the *sensus fidelium* ABOUT THE AUTHOR Ormond Rush is lecturer of theology and former president of St Paul's Theological College in Banyo Australia and is president of the Australian Catholic Theological Association He is the author of *Still Interpreting Vatican II Some Hermeneutical Principles and The Reception of Doctrine An Appropriation of Hans Robert Jauss Reception Aesthetics and Literary Hermeneutics* PRAISE FOR THE BOOK In addition to its internal argumentation the book's extensive footnotes Scriptural references and Church documents will make it a tremendously valuable tool for advanced researchers in several theological areas including pneumatology ecclesiology Scripture studies and hermeneutics Highly recommended C A Montevecchio *Choice* Some works of scholarship stand out providing a point of reference and showing the way forward Orm Rush's study is in this class and it is not surprising that its first release by CUA Press is a splendid hardback volume This work makes a significant contribution to Catholic Theology Rev John Thornhill SM *The Australasian Catholic Record* Rush provides a theologically perceptive panorama of the *sensus fidelium* at work in the church under the guidance of the Holy Spirit In addition to offering numerous insights usually beneficial and sometimes provocative Rush's study is extraordinarily well researched This volume is an outstandingly creative and comprehensive theological study of the grace of the Holy Spirit acting through the *sensus fidelium* in the reception of revelation in the church John Ford CSC *Theological Studies* Rush has here provided us with a sophisticated study of theological hermeneutics as well as a foundational work in ecclesiology Lawrence S Cunningham *Commonweal* This detailed and well argued book explores the phenomenon of reception in both the Bible and in contemporary Roman Catholic tradition An insightful study for those interested in the newest wave of Roman Catholic dogmatic theology which tends to draw deeply from biblical sources as well as Vatican teaching this book genuinely advances discussions of the doctrine of reception Aaron Klink *Religious Studies Review* [Risking the Church](#) Richard Lennan, 2004-10-14 As a consequence of numerous social and theological movements over the last few decades the Roman Catholic Church finds itself in a situation that some have described as a state of peril This book traces the emergence of that peril develops a systematic ecclesiology that identifies both the mission and resources of the Church in the present day and explores possible responses to some of the specific challenges facing the contemporary Church The book develops an understanding of the Catholic tradition in order to highlight its potential for development **The Gift of the Church** Peter C. Phan, 2016-03-24 As the Church enters its third millennium it must take stock of its identity and mission These essays in *The Gift of the Church* address the fundamental issues confronting the Church in its immediate future Their authors represent the most prominent ecclesiologists of our time Written in honor of Patrick Granfield OSB these essays form a textbook for classes in ecclesiology They also are a useful tool for those engaged in various ministries in the Church to update themselves on the theology of different aspects of the Church The first section of essays discusses ecclesiology in its historical development as well as its methodology the second examines various aspects of the Church and the third part

presents the life and work of Patrick Granfield The essays are clearly written and based on solid and extensive scholarship Ecclesiology has been the central theme of theological reflections since Vatican II and may continue to be in the next millennium This textbook fulfills in part Pope John Paul II s Vision for the Jubilee Year when Christians with a profound sense of commitment will likewise express their gratitude for the gift of the Church Essays and authors in Part One Ecclesiology in Historical Context are Theologies of the Church in the New Testament by Frank J Matera The Development of Ecclesiology Early Church to the Reformation by Eric Plumer The Development of Ecclesiology Modernity to the Twentieth Century by Michael J Himes The Significance of Vatican Council II for Ecclesiology by Joseph A Komonchak The Ecclesiology of John Paul II by Avery Dulles Ecumenical Ecclesiology by Michael A Fahey and Theological Method for Ecclesiology by Pedro Rodriguez Essays and authors in Part Two Contemporary Ecclesiology are The Church as Communion by Susan K Wood The Church as Worshipping Community by Gerard Austin The Ecclesial Dimension of Anthropology by Michael J Scanlon The Ecclesial Dimension of Spirituality by George Tavard The Evangelizing Mission of the Church by Francis A Sullivan Salvation Outside the Church by John P Galvin The Social Mission of the Church Its Changing Context by T Howland Sanks Ministries in the Church by John Ford The Papacy by Richard P McBrien The Episcopacy by Hermann J Pottmeyer The Teaching Office of the Church by John P Boyle The Church and the Law by Thomas J Green The Laity by Jon Nilson Women and the Church by Sara Butler and Mary and the Church by Frederick M Jelly Essays and authors in Part Three A North American Ecclesiology The Theological Achievement of Patrick Granfield are Patrick Granfield A Biographical Essay by David Granfield A North American Ecclesiology The Achievement of Patrick Granfield by Peter C Phan and Bibliography of Patrick Granfield compiled by David Granfield The book also includes an introduction by Peter Phan and a list of abbreviations Peter C Phan PhD STD DD is the Warren Blanding Professor of Religion and Culture in the department of religion and religious education at The Catholic University of America He is the author and editor of several books and over a hundred essays on various aspects of Christian theology

Deacons and the Church Owen F. Cummings, 2004 *Deacons and the Church* presents a popular narrative history of the Order of the Diaconate in the Catholic Church from its dawn on the biblical scene in the Acts of the Apostles with Saints Stephen and Philip through the golden age of deacons in the fifth century With the emergence of the cultic priesthood the diaconate as a unique and discrete member of the clergy declined into a transitional role but never disappeared Indeed Dr Cummings points out that the most popular saint after Mary Francis of Assisi was a deacon as were Saints Lawrence and Ephrem all of whom are offered here as models of Deacons for Deacons The Second Vatican Council restored the Order of Deacon to a full and permanent membership in the clergy along with priests and bishops Now thirty thousand deacons serve the Church throughout the world and remain the fastest growing clerical rank within the Latin Church Deacon Cummings reflects on how this surge in the membership of the Order of Deacons will affect the Church in the years to come

Conscience and Calling Anne E. Patrick, 2013-08-15 This volume probes the meaning and ethical implications of the powerful symbol of vocation in a transformed social context Patrick analyzes the complex responses of Catholic women to injustice and describes a post Vatican II shift in understandings of virtue with particular attention to the experiences of U S sisters and laywomen Intended as a follow up to *Liberating Conscience* Feminist Explorations in Catholic Moral Theology P 4 of cover

Women, Wisdom, and Witness Rosemary P. Carbine, Kathleen Dolphin, 2012-10-01 The New Voices Seminar is a lively intergenerational and diverse group of women scholars who take an interdisciplinary approach to the study of Christianity Under the leadership of Kathleen Dolphin the seminar gathers annually at Saint Mary s College Notre Dame for collegial and collaborative conversation about women in the church and in the world With *Women Wisdom and Witness* readers are invited to join their conversation This collection of essays by seminar members addresses significant contexts of contemporary women s experience suffering and resistance education and the crossroads of religion and public life Theology is brought to bear on some pressing issues in our time poverty sexual norms trauma and slavery health care immigration and the roles of women in academia and in the church Readers will discover the rich socio political interdisciplinary and dialogical implications of Catholic women s intellectual and social praxis in contemporary theology and ethics

Re-imagining Life Together in America Catherine T. Nerney, Hal Taussig, 2002 Well written and highly accessible this book interweaves a thorough review of developments in Christian community from the first century to the present with powerful new discoveries in scriptural theological and historical research that has uncovered deep communal strands in the foundational literature and notions of Christianity The result is a profound call for the renewal of Christian community and churches as crucial models and inspirations for the new search for wholeness in America

A Theology of Conversation Stephen Okey, 2018 Sometimes described as a theologian s theologian David Tracy s scholarship has impacted countless thinkers around the globe The complexity of his thought however has often made engaging his work into a daunting challenge Combining analysis of the most influential features of Tracy s theology theological method the religious classic public theology with a retrieval of his more overlooked interests Christology God Stephen Okey presents the essential themes of Tracy s career in accessible and insightful prose

Great Risks Had to be Taken Fr. Patrick J. Howell, 2019-02-19 The renovation of the Jesuits after the Second Vatican Council has been a sign of hope and a cause for consternation Especially during the turbulence right after the Council the Jesuits were in the eye of the storm In this historical memoir Patrick Howell gives personal insight into how the Council impacted the Society of Jesus and precipitated a radical rethinking of the mission of the Jesuits today The Council mandated a return of religious orders to the vision of their founders The Jesuits fortunately had a strong charismatic founder in St Ignatius of Loyola with a rich religious and intellectual tradition By rediscovering their spiritual heritage and restructuring their mission around the signs of the times and the needs of the world the Jesuits were able to move adroitly into the twenty first century as a continuing dynamic force for the Church and for the world Fr Howell

brings a unique personal perspective to the nature and style of the Church prior to the Council and an insider's view throughout his fifty seven years as a Jesuit in which he has met many of the personages witnessed all the changes and been a direct participant in many of them Catholic Moral Theology and Social Ethics Christina Astorga,2013-12-01 Proposing a new method for moral theology Christina Astorga seeks to recast our understanding of the discipline by drawing from the faith vision of the entire theological enterprise including scripture dogmatic theology social ethics and spirituality

Troubled Waters Gary Chamberlain,2008 Troubled Waters provides readers with an appreciation of the central role of religious meanings and ritual practices surrounding water arriving at creative new ways to approach the growing water crisis worldwide *Is the Reformation Finished?* Tim Rumsey,2017-12 Is the Protestant Reformation finished Was it simply a passing family feud within Christianity an insignificant historical footnote with little relevance to modern life This book masterfully explains the history of the Protestant Reformation and shows that the primary issue behind the Reformation the question of spiritual authority matters more today than it did 500 years ago When Martin Luther nailed his Ninety Five Theses to the door of that Roman Catholic church in 1517 his goal was to reform not splinter Christianity The nails that sunk into that door however quickly fractured a religious and political system that had dominated Europe for a millennium Five hundred years later the aftershocks of the contest between papal power and the authority of the Bible continue even as many claim that the Reformation is now finished In today's world where all churches and all religions are called to unite under the banner of visible unity we must not forget why the Reformers chose to separate and why they were willing to die for this choice The final battle still lies ahead The Reformation is not finished it has only just begun **Church Teaching Authority** John P. Boyle,1995 Boyle presents here the first book length study that traces the historical and theological developments that produced official statements by the church about its own teaching authority and the assent owed to it especially in the nineteenth and twentieth centuries **Religious Education from a Critical Realist Perspective** Johnny C. Go,2018-12-14 This book examines the possibility and necessity of critical thinking in religious education through the lenses of critical realism and the Christian doctrine of *sensus fidei* sense of faith Drawing on Bhaskar's original critical realism and data from a survey of over a thousand teachers in the Philippines the author argues for a view of critical thinking based on components of disposition and competence As such critical thinking becomes the expression of a commitment to judgemental rationality and in a Christian religious education is guided by the individual's *sensus fidei* A philosophical and theological discussion of the process of coming to know in the religious domain Religious Education from a Critical Realist Perspective also offers concrete recommendations on how to promote the practice of religious critical thinking in confessional religious education classrooms As such it will appeal to scholars of philosophy theology and pedagogy with interests in religious education and curriculum development **The Church and the Culture War** Joyce A. Little,1995 Theologian Joyce Little examines the current conflict between American secular culture and the Catholic faith with a view to enabling Catholics to

understand why it is that such a conflict necessarily exists and what is at stake for both Catholics in particular and all Americans in general The book focuses most specifically on the feminist movement because feminism exemplifies in so many ways that relativism subjectivism and individualism which characterizes the thinking of so many Americans today Little argues that the secularism of our times is fundamentally anarchic and nihilistic and as such constitutes a frontal assault on the Catholic faith Many Americans do not recognize the nihilistic character of the popular secular culture Because secularism so often clothes itself in a host of catchwords which Americans find so appealing the destructive character of secularism is not immediately obvious to them Little shows why those who employ such language are wedded to a view of reality that is fundamentally chaotic and meaningless The book emphasizes the importance of the dogma of the Trinity and explains the trinitarian character of reality and the implications which flow from the fact that God is triune both in himself and as Creator Little explains that the key conflict today is between the secular exaltation of human power and the Christian witness to a divine authority which transcends all things and demands our allegiance to it

Feminism and Christianity Lynn Japenga, 1999 Some have raised the question Is it possible at the same time to be a Christian and a feminist Japenga asks the question a bit differently Is it possible not to be Like the other titles in the Essential Guides series the purpose of this book is simple to introduce college and seminary students to the basic questions and issues that arise from a feminist interpretation of Christianity The author explores the central ideas of Christian feminism including its critique of patriarchy in Christianity and its recovery of the presence actions and ideas of women What has been troublesome in Christianity for feminists and why How have Christian feminists dealt with these issues What resources are there in Christianity for the empowering and encouragement of women Beginning with an examination of women and the Bible the book explores biblical texts which define women negatively as well as those which emphasize women's strengths and ability and then outlines the various feminist approaches to the interpretation of Scripture It then moves to an overview of women in the history of Christianity and specifically of religion in America presenting both prevailing attitudes about women and the usually unheard stories of women After surveying the main questions a feminist method brings to the study of theology Japenga then explores certain theological questions How do we speak of God Who is Christ What does it mean to be human Written from a moderate feminist perspective this book provides a broad overview of feminist approaches to theological disciplines It emphasizes consensual scholarship rather than points of controversy It acquaints students with feminist analysis by way of the central themes common to feminist approaches to several disciplines and introduces readers to this material in ways that lessen the possibility that they will be threatened intimidated or angered by it While the book offers professors an affordable and accessible textbook choice it is also accessible for lay study groups in congregations

Sexuality, Religion, and Magic
Michael A. Kőszegi, 1994 **The Catholic Periodical and Literature Index**, 1994

Enjoying the Song of Term: An Mental Symphony within **Empowering Authority The Charisms Of Episcopacy And Primacy In The Church Today**

In some sort of taken by displays and the ceaseless chatter of instant connection, the melodic splendor and psychological symphony created by the prepared word usually fade in to the background, eclipsed by the relentless noise and distractions that permeate our lives. Nevertheless, set within the pages of **Empowering Authority The Charisms Of Episcopacy And Primacy In The Church Today** a marvelous fictional treasure brimming with raw emotions, lies an immersive symphony waiting to be embraced. Constructed by a wonderful musician of language, that captivating masterpiece conducts visitors on an emotional journey, well unraveling the hidden songs and profound influence resonating within each carefully constructed phrase. Within the depths of the emotional review, we can investigate the book is main harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
