Empowering Catechetical Leaders:

Empowering Catechetical Leaders Thomas H. Groome, Michael J. Corso, 1999 *Called by Name* Joe

Paprocki, 2017-05-01 AS A DISCIPLE OF CHRIST called to the vocation of a catechetical leader you are responsible for coordinating your community's effort to form disciples of Christ But before you can focus on what you need to KNOW and what you need to DO to be successful in this role it is essential that you focus on who you need to BE as a leader In this first volume of The Effective Catechetical Leader series you'll discover what it really means to be a disciple of Christ what your role as a catechetical leader entails how leadership in a ministerial context must differ from leadership in a business setting how to avoid burnout by maintaining a healthy balance between your personal and professional lives and so much more The Effective Catechetical Leader series developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country is the only series to encompass all the various aspects of catechetical leadership This series provides the practical skills strategies and approaches that ensure successful parish faith formation in an evangelizing manner which leads directly to a vibrant Church From best practices to new approaches for proclaiming God's word in a rapidly changing world this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of all ages within our diverse Church

Catechetical Leadership Adrián Alberto Herrera, 2017-11-01 The ministry of catechesis is critical to the mission of the Church and the most critical factor in an effective parish catechetical program is the catechetical leader But for these leaders to succeed in their role they must develop specific leadership skills and competencies This second volume of The Effective Catechetical Leader series closely examines what catechetical leadership should look like how it should work and whom it should serve A few of the key topics covered in this book include how to be a servant leader while still exercising legitimate authority how to properly and pastorally handle difficult situations and conflict to build community how to avoid burnout by delegating responsibility and engaging in collaborative ministry and so much more The Effective Catechetical Leader series developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country is the only series to encompass all the various aspects of catechetical leadership This series provides the practical skills strategies and approaches that ensure successful parish faith formation in an evangelizing manner which leads directly to a vibrant Church From best practices to new approaches for proclaiming God's word in a rapidly changing world this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of all ages within our diverse Church Excellence in Ministry Tom Quinlan, 2017-11-01 Catechetical leadership is at its best when it builds on the shoulders of those who have gone before while at the same time creating innovative approaches for an ever changing ministry This fifth volume of The Effective Catechetical Leader will share both time tested and new skills and strategies that will allow catechetical leaders to not only be successful

in the week to week particulars of running a parish catechetical program but also to fulfill the ultimate goal of animating a faith community to grow in authentic discipleship to Jesus Christ A few of the best practices covered in this book include planning the catechetical year selecting catechetical resources promoting the catechetical program to the parish community and beyond how to honestly evaluate your program and so much more The Effective Catechetical Leader series developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country is the only series to encompass all the various aspects of catechetical leadership This series provides the practical skills strategies and approaches that ensure successful parish faith formation in an evangelizing manner which leads directly to a vibrant Church From best practices to new approaches for proclaiming God s word in a rapidly changing world this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of all ages within our diverse Church **Cultivating Your Catechists** Jayne

Ragasa-Mondoy,2017-05-01 EFFECTIVE CATECHISTS don t simply walk into a classroom and instinctively know what to do To be successful they require careful training and development For that reason recruiting high quality candidates to the vocation of catechist providing them with proper formation and training and nurturing their vocation every step of the way is perhaps the highest priority for the successful catechetical leader This fourth volume of The Effective Catechetical Leader series delves into the specific qualities and skills to look for when recruiting catechists how to supervise evaluate support and affirm your catechists how to facilitate spiritual growth and transformation for the catechists in your care and so much more The Effective Catechetical Leaderseries developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country is the only series to encompass all the various aspects of catechetical leadership This series provides the practical skills strategies and approaches that ensure successful parish faith formation in an evangelizing manner which leads directly to a vibrant Church From best practices to new approaches for proclaiming God s word in a rapidly changing world this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of all ages within our diverse Church **Resources**

in Education ,1999-10 *Intergenerational Faith Formation* Mariette Martineau,Joan Weber,Leif Kehrwald,2008 Here the authors convincingly show that intergenerational faith formation when done well can be powerful dramatic even magical Not only is there a place for intergenerational learning in parish faith formation the authors believe there is a necessity for it They show that intergenerational faith formation can help children adolescents and adults effectively identify with and integrate into the faith community because their learning and formation takes place in the context of communityall ages learning together People will be looking for this one *Generations of Faith Resource Manual* John Roberto,Mariette Martineau,2005-07 This invaluable resource offers planning processes and practical tools for fashioning and implementing a lifelong curriculum Includes a CD ROM with PowerPoint presentations for each chapter as well as worksheets and handouts

Religious Leadership Sharon Henderson Callahan, 2013-06-20 This title tackles issues relevant to leadership in the realm of religion. It explores such themes as the contexts in which religious leaders move leadership in communities of faith, leadership as taught in theological education and training, religious leadership impacting social change and social justice, and more. Topics are examined from multiple perspectives, traditions, and faiths.

All God's People Donna Toliver Grimes, 2017-12-01 Disciples of Christ come in all ages and colors but they also come from different backgrounds and bring with them diverse gifts, needs, opportunities, and challenges. As a result, catechesis must never take the form of one size fits all. While the Gospel message is eternal, our messaging, how we share that timeless message, needs to adapt to an ever-changing reality or we risk being perceived as irrelevant. This sixth volume of *The Effective Catechetical Leader* takes a close look at the many groups of people to be catechized, from school-age children to young adults, from parents to the catechists themselves, and offers strategies and tips to effectively engage all of them in life-giving Gospel-centered faith formation. The *Effective Catechetical Leader* series, developed in conjunction with the National Conference for Catechetical Leadership and written by some of the top catechetical leaders in the country, is the only series to encompass all the various aspects of catechetical leadership. This series provides the practical skills, strategies, and approaches that ensure successful parish faith formation in an evangelizing manner, which leads directly to a vibrant Church. From best practices to new approaches for proclaiming God's word in a rapidly changing world, this groundbreaking series will empower catechetical leaders to excel at everything from administrative duties to effectively catechizing people of all ages within our diverse Church.

Communicating Faith John Sullivan, 2011 This book enriches appreciation of the many ways that Christian faith is communicated. It casts light on the sensitivities, skills, and qualities necessary for the effective communication of faith where justice is done, both to the seed to be sown and to the soil being cultivated.

Forming Ministerial Relationships Loyes Spayd, 2010-06

International Handbook of the Religious, Moral and Spiritual Dimensions in Education Marian de Souza, Gloria Durka, Kathleen Engebretson, Robert Jackson, Andrew McGrady, 2007-06-04 Traditionally, spirituality has resided and been contained within religious frameworks, but while the links between the two areas are still acknowledged by many in the contemporary world, spirituality is perceived by some as an aspect of human life that is distinct from religion. Consequently, many are searching for meaning within and without religious traditions today and seeking answers to ethical and moral questions that have been generated by the knowledge and technological explosion. One outcome is the renewed interest in the religious, spiritual, and moral dimensions of education throughout the life cycle. This *International Handbook* presents the research and professional practice of scholars who are daily engaged in the consideration of these dimensions in education. The result is a collection of essays which reflects the discipline in all of its internationality as it is today. Embedded within the chapters is also an agenda for the future where the religious, moral, and spiritual dimensions in education are proposed as an exciting and challenging way forward for educators at all levels in society. As well, it offers a vision for the

emergence of a peaceful and just world

The Laity as Participants in the Mission of the Church Humphrey C.

Anameje, 2017-06-05 The church is made up of both the clergy and the laity And for it to properly fulfill the mission for which it was instituted by Christ all its members each according to his or her God given gift must contribute both to the upbuilding of the church and to its mission On the part of the laity their active participation in the general mission of the church ad intra and ad extra has been a great challenge in the life and practice of the church throughout its history The Second Vatican Council in its spirit of aggiornamento makes some positive difference This work critically examines the conciliar documents some relevant postconciliar documents and theological reflection of some theologians And finally it proffers solutions that will enhance the active participation of the laity in the mission of the church in general and the church in Southeast Nigeria in particular

Michel Foucault and Theology

James Bernauer, 2017-03-02 Whilst Foucault's work has become a major strand of postmodern theology the wider relevance of his work for theology still remains largely unexamined Foucault both engages the Christian tradition and critically challenges its disciplinary regime Michel Foucault and Theology brings together a selection of essays by leading Foucault scholars on a variety of themes within the history thought and practice of theology Revealing the diverse ways that the work of Michel Foucault 1926-1984 has been employed to rethink theology in terms of power discourse sexuality and the politics of knowledge the authors examine power and sexuality in the church in late antiquity Castelli Clark Schuld raise questions about the relationship between theology and politics Bernauer Leezenberg Caputo consider new challenges to the nature of theological knowledge in terms of Foucault's critical project Flynn Cutrofello Beadoin Pinto and rethink theology in terms of Foucault's work on the history of sexuality Carrette Jordan Mahon This book demonstrates for the first time the influence and growing importance of Foucault's work for contemporary theology

Mutuality Matters

Herbert Anderson, Edward Foley, 2004 Previous principles of hierarchy inequality and duty that defined the relationships between husband wife and children have been challenged and often replaced by more fluid bonds of equality intimacy emotional self disclosure communication and mutual trust The key question that has emerged for our times then is how exactly do families sustain genuine mutuality democracy and strong relationships Figuring out good answers to this question is the major theme of this book and the origin of the title Mutuality Matters

Toward an Adult

Church Jane E. Regan, 2002 Penance Confirmation Eucharist Children participate in these sacraments and many other Catholic rites thanks to America's long standing model of parish catechesis Once children become adults however what becomes of their faith formation In Toward an Adult Church A Vision of Faith Formation Jane Regan explores the current structure of parish catechesis Basing her ideas on contemporary theory and traditional practice Regan sets forth an intriguing argument the vitality of the Church depends on establishing a new education paradigm one that is focused on adults How can parishes design a framework for adult catechesis Will such programs be accepted by local church communities Where does children's faith formation fit into the new structure Regan answers these questions and offers ideas

for developing a balanced approach to religious education one that addresses the ongoing faith life of adults Evangelical Dictionary of Theology Daniel J. Treier, Walter A. Elwell, 2017-11-07 This bestselling reference tool has been a trusted resource for more than 25 years with over 165 000 copies sold Now thoroughly updated and substantially revised to meet the needs of today s students and classrooms it offers cutting edge overviews of key theological topics Readable and reliable this work features new articles on topics of contemporary relevance to world Christianity and freshened articles on enduring theological subjects providing comprehensive A Z coverage for today s theology students The author base reflects the increasing diversity of evangelical scholars Advisory editors include D Jeffrey Bingham Cheryl Bridges Johns John G Stackhouse Jr Tite Ti nou and Kevin J Vanhoozer **A People Adrift** Peter Steinfels, 2013-01-29 In A People Adrift a prominent Catholic thinker states bluntly that the Catholic Church in the United States must transform itself or suffer irreversible decline Peter Steinfels shows how even before the recent revelations about sexual abuse by priests the explosive combination of generational change and the thinning ranks of priests and nuns was creating a grave crisis of leadership and identity This groundbreaking book offers an analysis not just of the church s immediate troubles but of less visible more powerful forces working below the surface of an institution that provides a spiritual identity for 65 million Americans and spans the nation with its parishes schools colleges and universities hospitals clinics and social service agencies In A People Adrift Steinfels warns that entrenched liberals and conservatives are trapped in a theo logical gridlock that often ignores what in fact goes on in families parishes classrooms voting booths and Catholic organizations of all types Above all he insists the altered Catholic landscape demands a new agenda for leadership from the selection of bishops and the rethinking of the priesthood to the thorough preparation and genuine incorporation of a lay leadership that is already taking over key responsibilities in Catholic institutions Catholicism exerts an enormous cultural and political presence in American life No one interested in the nation s moral intellectual and political future can be indifferent to the fate of what has been one of the world s most vigorous churches a church now severely challenged *Becoming a Church of Lifelong Learners* John Roberto, 2006 The key in the Generations approach to faith formation is that it builds on the strengths of a parish s current catechetical program while creating a lifelong faith formation plan and intergenerational learning programs that gather all the generations to learn together and nurture faith at home throughout the life cycle The CD ROM includes PowerPoint presentations for each chapter along with articles by religious education theorists who have been instrumental in developing a new paradigm of lifelong faith formation The book is ideal for parish pastoral and catechetical leaders as well as university courses in religious education and pastoral ministry
