2nd edition of Handbook of Contemporary Preaching is a comprehensive textbook on preaching and teaching the Bible. Pastors will be better equipped after reading and learning from some of the most notable scholars and pastors on the topic of preaching. Preaching and Social Issues Leah D. Schade, 2024-10-08 Preaching and Social Issues Tools and Tactics for Empowering Your Prophetic Voice equips preachers to craft sermons that help congregations talk about topics of public concern based on strong ethical biblical and theological foundations as well as prudent sermonic strategies. Informed by years of research with clergy and congregations, Leah D. Schade provides practical and pastoral guidance for preachers to find their prophetic voice for their context with integrity and wisdom. Preaching and Social Issues offers an assessment tool for gauging risk and capacity for preaching about social issues and suggests three approaches: Gentle, Invitational, and Robust. This book includes case studies and sermons that illustrate different approaches for preaching about contemporary topics.

Preaching Your Way Out of a Mess Johnny Teague, 2019-03-22 Every day a pastor faces armies of despair, fatigue, exhaustion, and frustration. That blessed hope of a Spurgeon church has morphed into a Paul prison. Every time he looks up, there is another attack. First, errors are found; then, sin doctrinal arguing leads to internal strife. The army of the nation's culture surrounds for the kill. The pastor places his baptism handkerchief on a broom handle and crawls out to surrender. Just then he looks to the horizon to see a glorious alliance of sixty-six armies. The enemy turns in fear; many ride away while others engage only to be routed. The preacher had forgotten that there are more with us than against us. No matter the mess, God is with us. He has given his Spirit to move among us, and he has given us his word to defeat every attack. Grab this handbook and be encouraged; you can preach your way out of every mess. **Preaching Prophetic Care** Phillis Isabella Sheppard, Dawn Ottoni-Wilhelm, Ronald J. Allen, 2018-06-25 Preachers often think of prophetic preaching in the caricature of the prophet as the lonely outsider confronting the congregation often angrily with the congregation's complicity in social injustice and with a bracing call for repentance. The twenty-seven essays and sermons in this book offer a different perspective by viewing prophetic preaching specifically and ministry, practical theology, and theological education more broadly as pastoral care for the community in prophetic perspective. Such preaching does indeed bring a critical theological analysis of justice concerns to the center of the sermon but in such a way as to invite the congregation to consider how the move toward justice is a pastoral move that is a move that seeks to build up community rather than contributing to the polarization so rampant in today's social world. The preacher seeks to help the congregation build bridges along which concern for justice can travel. The contributions honor the work of the late Dale Andrews, a scholar of preaching and practical theology at the Divinity School, Vanderbilt University, whose seminal work inspires the notions of prophetic care and building bridges to justice. *The Spiritual Gifts Handbook* Randy Clark, Mary Healy, 2018-03-20 Foundational Teaching from a Charismatic Healing Minister and a Catholic Scholar International healing minister Randy Clark teams up with Mary Healy, a respected Catholic scholar, to show not only that the gifts of the Spirit still exist today but that they are not optional; they are the necessary tools God has

given for both building his Church and spreading the Gospel With wisdom and practical insight Clark and Healy walk you through biblical texts dispel misconceptions and show that there is an endless variety of gifts They also show how the gifts are not just for a select few but distributed freely by the Holy Spirit among believers After laying this foundation the authors reveal how you can activate the gifts in your own life and use them to benefit others In this hurting world you can give people more than just a message you can help usher them into an encounter with God Pastor's Handbook John R.
