Emptied Of All Ships:

Emptied of All Ships Stacy Szymaszek, 2005 Poetry EMPTIED OF ALL SHIPS is a setting out onto crucial waters Each word here has its own weight and position its own vital movement between poles of loss and discovery With our sight lines thus widened the observance itself becomes activated another mode of transport A poetry of brevity is a tough task especially the word as line but in these pages it registers as achievement George Albon Each poem is what I am looking for a resonance with a particular location an intelligence unafraid of its humanity a sort of desperate adequacy with the people or objects that Szymaszek encounters Etel Adnan
