The Full House and the Empty House LK James, 2023-09-12 Audio Enhanced Read Along Ebook The Full House and the Empty House are very good friends when they dance they admire in each other the qualities they lack within themselves Even though the houses are different on the inside it doesn't reflect how they feel on the outside The bathroom of the full house was full of many bathroom y things There was a big bathtub with gold clawed feet a sink shaped like a seashell a hairbrush and comb made of bone and cakes of lilac soap In the bathroom of the empty house was just a toilet and a sink In the evening when the two houses grew tired of dancing they would rest on the hillside and look out at the world together

Zakariah Ali,2012-11 I was profoundly touched by evil at the dawn of my life and have been haunted by the experience throughout most of my life My mother was poisoned before my eyes at about age four I grew up on that that fateful day and became aware of myself I was touched by evil and the wickedness of man against man at the dawn of my life She died an agonizing and horrible death The room I shared with her smelled like rotten fl esh or putrefi ed meat before her death But the last time I saw her on earth she looked radiant and was miraculously transformed when I saw her seated in the village square for public viewing She was at peace the lines and marks of pain and anguish etched on her face as she lay dying were smoothed out Her countenance was peaceful devoid of the expressions of agony and pains the hallmark of the last three to four months of her life She was beautiful in death than during the last months of her life death gave her peace I did not know it but I was affected or infl uenced by the events of my mother s last days on earth I do not fear death and whenever I came close to death I was more concerned about the inconvenience my death would have imposed on others than fear for my life Death is not a bogey man About a year after her death I encountered malicious spirits in the bush I did not know the spirits

were not human but I was apprehensive and fearful at the sight of little people under the fruit tree on which I sat The spirits chased me from the bush to the village during the chase the earth opened up and swallowed me for my protection And not to be outdone the spirits followed me into the bowels of the earth That was the second time in my young life that I was touched by evil of a different kind I nearly died from the encounter with the malicious spirits I was reunited with a father I did not know I had before my mother s death But about three years after I was reunited with him he walked out on my new family my stepmother and her children Thus by age seven or eight I had gone through two broken homes First my mother walked out on my father when I was a baby and second my father walked out on my new mother and half siblings For most of my life I was haunted by forces of darkness malevolent spirits and scary nightmares from time to time Scary and haunting nightmares led me to discover the power of prayer very early in life I started praying before going to bed when I was in class three and the nightly nightmares ceased until I was a young adult and went to St John Bosco s College I discovered alcohol and began ignoring and skipping my nightly prayers or prayed haphazardly without heart and the nightmares came back I was hospitalized about fi ve times in one year from the effects of a nightmare and vision when I was a student at the University of Science he did not foist his faith on the rest of the family My stepmother followed no particular faith or organized religion until the last days of her life She was animist she worshipped our ancestral spirits and deities I became a Catholic or Christian by virtue of education my father made no attempt to convert me to Islam The family while together was united by love not by faith each member followed his her own faith I could not reconcile my new faith with my parents and realized that but for love we would not have known peace in our family We are divided by faith but united by love that was the experience from my upbringing My lack of blind faith is infl uenced by my upbringing Man as God and Satan I understand the meaning of some popular bible passages different from most because of my experience of the forces of darkness my struggle in life against evil witchcraft and malicious spirits I understand the true meaning of the passage in Luke 17 20 21 For indeed the kingdom of God is within you And the adm

Psychotherapy Nossrat Peseschkian, 2012-12-06 The union of Eastern and European points of view in an effective psychotherapy such as is described by the author is very salutary Especially the parables portray in attractive symbolism the wisdom of the East in which psychological insights are represented in what seems to be the simplest way The author understands how to bring his heritage to bear upon psychotherapy Although the categories of his psychological system for example basic capacities and actual capacities certainly represent only one of many possible theoretical conceptions we must conclude from his report that they can be used effectively in treatment To be sure such a system of categories such a metapsychology will be of greater assistance to the therapist than to the patient in explanation and clarification In the final analysis the only essential thing for the patient who seeks out the psychotherapist for help is whether the physician or psychologist is candid with him and accepts him unconditionally no matter what he is like Peseschkian's positive psychotherapy and the author's lucid personal conduct transmit to the reader the impression that a born psychotherapist with a special motivation to assist professionally those who consult him in the resolution of their conflicts is at work I wish the author complete success with this book Prof Raymond Battagay M D **The Epic Tales** Chaitanya Dhruv, 2017-11-07
