## **Emerging Hope A Strategy For Reaching Postmodern Generations:**

**Emerging Hope** Jimmy Long, 2004-08-18 How do we do church in this era of cynicism Jimmy Long looks at the connections between postmodernism and the emerging generations GenXers and millennials highlighting implications for evangelism and discipleship Here is a hopeful strategy for ministry that will appeal to a generation starved for belonging

*Experiencing God's Story of Life and Hope* J. Scott Duvall, Intended for college and seminary courses on spiritual formation the workbook consists of twelve chapters with three parts each believing behaving and becoming that is what virtues to possess Thus the thirty six lessons are holistic showing that the process of becoming like Christ involves our entire being

New People Forever J. Scott Duvall, 2009-11-01 How do we conform to the image of Jesus Christ How do we grow in maturity as believers How do we truly live out and experience all that God is and all that He offers to us The Experiencing God's Story series answers these questions and more through an examination of twelve essential topics of spiritual formation Presented through the three step process of spiritual development believing behaving and becoming each topic examines a passage of Scripture identifies and explains the theological principles of spiritual formation and offers personal application for continued spiritual growth

**The Spiritual Formation of Leaders** Chuck Miller, 2007-12 Why do the demands of leadership often draw leaders away from intimacy with God What can I do to become a more effective leader How can I keep from burning out and bailing out How can we develop effective leaders who are being spiritually transformed as they abide in Christ Key to answering these questions is the simple but profound truth that we must be the people of God before we do the work of God That's why The Spiritual Formation of Leaders invites you to deeper intimacy with Christ so in Him you will be empowered to enjoy rich community with one another and a life of fruitful ministry Spiritual leadership formation happens only in God's presence So come to Jesus Meet with Him in the Soul Room walk with Him into the Leadership Room and watch Him work in you and through you for His kingdom

The Leadership Jump Jimmy Long, 2010-02-04 Leadership is changing Not only are established leaders passing the baton to up and coming leaders the very nature of leadership is being transformed Veteran leader and cultural observer Jimmy Long has discerned how leadership positions and roles have changed in light of societal shifts Authority is no longer derived from positional status but is earned from relational credibility Leaders focus not only on tasks but on community And leadership is less about directing followers to a particular destination and more about empowering others on a shared journey Existing leaders cannot write off emerging leaders because they work differently Nor can younger leaders dismiss the contributions of those who have gone before Here is a book that offers a positive vision for intergenerational partnership and leadership transference rather than competition The practical tools outlined here will help existing and emerging leaders understand each others leadership styles and collaborate fruitfully for the sake of the kingdom

**Crossing Boundaries, Redefining Faith** Michael Clawson, April Stace, 2016-11-08 The Emerging Church Movement an eclectic conversation about how Christianity needs to evolve for our postmodern world has

been breaking traditional bounds and stirring up controversy for more than two decades This volume is the first academic work to adopt an interdisciplinary approach to understanding this complex and boundary crossing phenomenon Containing contributions by researchers from a diverse set of disciplines this book brings together historical sociological ethnographic anthropological and theological approaches to offer the most thorough and multifaceted description of the Emerging Church Movement to date Contributors Juan Jose Barreda Toscano Dee Yaccino Gerardo Marti Lloyd Chia Jason Wollschleger James S Bielo Jon Bialecki Heather Josselyn Cranson Xochitl Alviso Chris James Tim Snyder **Organic Mentoring** Sue Edwards, Barbara Neumann, 2014 We are experiencing a mentoring crisis today One key reason is that too many women cling to an outdated formulaic idea of what mentoring is all about When we hear the word mentoring we conjure up a picture that fit our experience decades ago Then we look in the mirror and don't see an adequate mentor staring back at us Our preconceived ideas about what today's young women want in a mentor convince us we are not qualified to be mentors but we are wrong What we don't realize is that younger women today are far more likely to want a relationship with that woman in the mirror than the conjured up perfect mentor in our head Organic Mentoring explores foundational issues that explain why beloved but outdated mentoring methods are no longer effective The book looks at the cultural changes and fast paced digital advancements that shape young thought and behavior but weaken the link between generations It walks through the new values preferences ideas and problems of the next generation and how these issues impact mentoring Then the authors guide the reader through landmines to avoid and approaches that work today **The Theology of Dallas Willard** Gary Black, 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians The Theology of Dallas Willard both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard's unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

Servantship Graham Joseph Hill, 2013-10-10 Servantship is essentially about following our Lord Jesus Christ the servant Lord and his mission it is a life of discipleship to him patterned after his self emptying humility sacrifice love values and mission Servantship is humbly valuing others more than yourself and looking out for the interests and wellbeing of others Servantship is the cultivation of the same attitude of mind Christ Jesus had making yourself nothing being a servant humbling yourself and submitting yourself to the will and purposes of the triune God Since servantship is the imitation of Christ it involves an unreserved participation in the missio Dei the Trinitarian mission of God In this pioneering work sixteen servants describe the four movements of radical servantship Servantship is the movement 1 from leadership to radical servantship 2 from shallowness to dynamic theological reflection 3 from theories to courageous practices and 4 from

forgetfulness to transforming memory Servantship recognizes in word thought and deed that whoever wants to become great among you must be your servant and whoever wants to be first must be your slave just as the Son of Man did not come to be served but to serve and to give his life as a ransom for many

**Refilling the Church's Fountain of Youth** Nicholas A. Meade, 2015-03-23 Refilling the Church's Fountain of Youth is a must read for any individual who has a need for grasping a further understanding of why the decline is occurring within churches amongst the young adult population Therefore pastors church leaders and the emerging population are encouraged to add this work to their repertoire to further enhance their knowledge and wisdom of the challenges that exist within retention and attraction of young adults Additionally the work provides the example of a strong church community that understands the benefits of providing the young adults with support love and the freedom to develop into disciples without fear of judgment or contradiction Finally the work is designed to provide assistance to any denomination or church that has recognized the decline of membership as it relates to emerging adults It is indeed a necessary tool that can provide assistance and guidance for anyone working in the trenches of ministry from the foreword by Lori D Spears D Min This book offers a portable and repeatable model of ministry that crosses denominations and ethnic boundaries within the church Are you a pastor looking to improve your young adult ministry Are you a leader of a teaching ministry looking for ways to be more effective Are you a parent seeking to understand your young adult child's faith journey so that you can minister effectively Are you a seasoned Christian who wants to be equipped to engage with young adults inside and outside your congregation Then this book is for you

*Books That Change Lives* CLC Publications, 2014-08-19 Books That Change Lives is a compilation of essential books recommended by Christian retail book experts This guide is a useful tool for beginners just coming to the faith veteran Christians searching for growth and guidance and church leaders seeking to study the Christian faith and recommend quality Christian books to others

**Leading in Disorienting Times** Gary V Nelson, Peter Dickens, 2015-05-05 Jack Mezirow a leader in education theory suggests that all transformative learning begins with a disorienting dilemma an idea or experience that challenges or shifts fundamental values and assumptions Gary Nelson and Peter Dickens pastors and teachers with vast experience working with congregations and organizations believe it is time for Christian leaders to be disoriented for the fundamental values and assumptions of Christian leadership to be reframed and broken down so they can see the leadership task in new ways Blending current literature from both Christian and secular scholarship with individual and organizational examples *Leading in Disorienting Times* provides support for the concept of servant leadership that may be initially disorienting but is ultimately liberating

**Borderland Churches** Gary V Nelson, 2009-01-01 *Borderland Churches* is a call to embrace the pluralistic post Christian and postmodern culture with a sense of opportunity and hope The author uses the image of the church crossing over into an in between time a place where faith is lived outside the walls of the church engaging the community in incarnational ways To live in that precarious but exhilarating place where faith and other faiths and no faith

meet Only individuals and congregations that accept this new reality will be able to carry on Christian ministry in this new cultural situation A TCP Leadership Series title **Invitation to Educational Ministry** George Hillman, Sue Edwards, 2018-09-25 Because teaching is at the heart of Christian ministry the editors of Invitation to Educational Ministry have assembled a team of seasoned experts to present a comprehensive plan of Christian education This volume will help church staff parachurch leaders and small group teachers become more effective influential and creative After laying a biblical and practical foundation for Christian education the contributors provide specific guidance on teaching a variety of individuals and groups including children adults singles seniors and non Christians The final section shares valuable insights on leading small groups teaching innovatively and overseeing a healthy educational ministry among other topics Each chapter is designed to equip educators with the most relevant information and includes many useful features Real life case studies Scriptural support Explanations of key terms and concepts Practical suggestions Resources for additional study Sidebars illustrating best principles and practices

**Sacred Subdivisions** Justin Wilford, 2012-11-19 In an era where church attendance has reached an all time low recent polling has shown that Americans are becoming less formally religious and more promiscuous in their religious commitments Within both mainline and evangelical Christianity in America it is common to hear of secularizing pressures and increasing competition from nonreligious sources Yet there is a kind of religious institution that has enjoyed great popularity over the past thirty years the evangelical megachurch Evangelical megachurches not only continue to grow in number but also in cultural political and economic influence To appreciate their appeal is to understand not only how they are innovating but more crucially where their innovation is taking place In this groundbreaking and interdisciplinary study Justin G Wilford argues that the success of the megachurch is hinged upon its use of space its location

on the postsuburban fringe of large cities its fragmented dispersed structure and its focus on individualized spaces of intimacy such as small group meetings in homes which help to interpret suburban life as religiously meaningful and create a sense of belonging Based on original fieldwork at Rick Warren s Saddleback Church one of the largest and most influential megachurches in America Sacred Subdivisions explains how evangelical megachurches thrive by transforming mundane secular spaces into arenas of religious significance
